

City of Highland Weekly Report

February 4, 2021

ADMINISTRATION

Dear Highland Residents, Business Owners, and Community Stakeholders:

City Hall is open. In an effort to help prevent the spread of COVID-19, social distancing and face coverings will be required when entering City Hall. This may include having people wait outside to be called in if the lobby gets too crowded. Temperature screenings will be required of anyone entering beyond the lobby area. We also encourage everyone to take care of business through email, U.S. mail or via phone, if possible.

We are working with the County of San Bernardino and the State to allow the County to move more quickly into later phases of reopening our businesses. I will continue to work with the County to drive the point home to the Governor that a one-size-fits-all approach in a state as large as California is not a reasonable method to re-open our economy and to allow businesses in San Bernardino County to re-open quickly.

Over the last few months, we have received a lot of information from many sources regarding the Coronavirus (COVID-19). The information and directives change daily and the effects are impacting the lives of everyone.

As your Mayor, I am asking that we all focus on and follow the information provided through the San Bernardino County Department of Health's website at www.sbcounty.gov/dph/coronavirus/ and the State website at www.covid19.ca.gov. The directions given there are intended to keep us all safe and well as a community.

The Highland City Council and Staff want you to know the health and safety of our residents, businesses, and community stakeholders is important and of primary concern to all of us during this Coronavirus state and local emergency period.

Please continue to visit our website at www.cityofhighland.org and follow us on Facebook for information. These are unprecedented times. Together, we will get through this. Be kind to one another and be safe.

Penny Lilburn
Mayor

Estimados residentes de Highland, propietarios de negocios y partes interesadas de la comunidad:

El Ayuntamiento ya está abierto. En un esfuerzo por ayudar a prevenir la propagación de COVID-19, se requerirá mantener distancia social y cubrir bocas al entrar en el Ayuntamiento. Esto puede incluir que las personas esperen afuera para ser llamados si el pasillo se llena demasiado. Se requerirán exámenes de temperatura para cualquier persona que entre más allá del área del pasillo. También animamos a todos a ocuparse de los negocios a través de correo electrónico, correo postal de EE. UU. o por teléfono, si es posible.

Estamos trabajando con el Condado de San Bernardino y el Estado para permitir que el Condado se mueva más rápidamente en fases posteriores de reapertura de nuestros negocios. Continuaré trabajando con el Condado para llevar el punto a casa al Gobernador que un enfoque único en un estado tan grande como California no es un método razonable para reabrir nuestra economía y permitir que las empresas en el Condado de San Bernardino reabran rápidamente.

En los últimos meses, hemos recibido mucha información de muchas fuentes con respecto al Coronavirus (COVID-19). La información y las directivas cambian a diario y los efectos están afectando la vida de todos.

Como su Alcalde, pido que todos nos concentremos y sigamos la información proporcionada a través del sitio web del Departamento de Salud del Condado de San Bernardino en www.sbcounty.gov/dph/coronavirus/ y el sitio web del estado en www.covid19.ca.gov. Las instrucciones dadas allí están destinadas a mantenernos a todos seguros y saludables como una comunidad.

El Ayuntamiento y el Personal de Highland quieren que usted sepa que la salud y la seguridad de nuestros residentes, empresas y partes interesadas de la comunidad es importante y de principal preocupación para todos nosotros durante este estado de Coronavirus y el período de emergencia local.

Por favor, continúe visitando nuestro sitio web en www.cityofhighland.org y síganos en Facebook para obtener información.

Estos son tiempos sin precedentes. Juntos, superaremos esto. Sé amable el uno con el otro y sé seguro.

Penny Lilburn
Alcalde

IMPORTANT PUBLIC INFORMATION

The Governor released a new one-stop website (<https://covid19.ca.gov/>) for COVID-19 resources. This is a substantial source of information including unemployment and paid sick leave, along with small business assistance (information specifically to be added about this tomorrow on the website).

These following specific items — Apply for Unemployment, Apply for Disability Benefits or Apply for Paid Family Leave - may be of interest to you on the following website https://www.edd.ca.gov/about_edd/coronavirus-2019/faqs.htm.

Loan guidance for small business: <https://www.sba.gov/page/coronavirus-covid-19-small-business-guidance-loan-resources>

As a reminder, the CDC's official Coronavirus website is the best source for up-to-date information and guidance. www.coronavirus.gov

The County of San Bernardino has established a COVID-19 Public Information Line. The line is in operation from 9:00am to 8:00pm, Monday to Friday. The phone number is 909-387-3911. Please note that this line is for Public Information Only. Please contact your Health Care Provider for medical related questions.

For further information and updates please visit: <https://sbccovid19.com/>

The San Bernardino County Department of Public Health (DPH) continues to work with the Centers for Disease Control and Prevention (CDC) and the California Department of Public Health (CDPH) to respond to reports of Novel Coronavirus 2019 (COVID-19) as the situation is quickly evolving.

Residents of San Bernardino are encouraged to stay home as much as possible while only participating in essential activities, such as critical work functions and shopping for necessities. We know these measures are challenging, but social distancing will help to protect all of our communities. We encourage older adults and those with chronic medical conditions to take additional precautions to avoid getting sick with the disease.

Please visit <http://wp.sbcounty.gov/dph/coronavirus/> for additional updates and information.

TRANSPORTATION GUIDELINES

Before transporting hazardous waste to a collection facility, be sure that:

- The amount of waste transported does not exceed 15 gallons or 125 lbs. per visit in containers no larger than 5 gallons.
- The waste is properly labeled as to its contents or in its original container.
- The containers are sound, not leaking and sealed.
- Wastes are placed securely in the vehicle for safe transport.
- The contents of the container are the same as stated on the label. If not, cover up the label and write the name of its contents.

**Did you know that used motor oil
and filters are
100% recyclable?**

2824 East "W" Street
San Bernardino, CA 92408

Monday to Friday ~ 9am to 4pm

Blood Drive

All Highland blood drives are held at the Highland Police Station, 26985 Baseline. During the pandemic, times will vary. Our next blood drive on Monday, March 29, 2021 and will take place from 10am to 4pm. For questions and more information contact Volunteer Services at 909-864-6861, ext. 203.

Count On Me! - LifeStream has a new donor recognition program! It's called *Count on Me!* The new program ensures that every donor, every day at every LifeStream donor center and mobile drive receives a special promotional item. With this new program, LifeStream will take down the online store where donors have historically been able to redeem points online for LifeStream merchandise. They will also discontinue the points program since you, the amazing donor, will immediately receive your thank you gift with each donation. No waiting, no banking points, and no danger of points expiring. A win-win for you and the patients served by LifeStream! **Please note that all points must be redeemed by January 31, 2021.**

Program Details - The fun and special item will run for a two-month period and consists primarily of T-shirts, but other types of items, such as hats, towels, and blankets will be available at various times during the year. All promo items will be individually bagged and include a special note that describes the promo being offered during the next two months to encourage you to return to donate more of your precious gift! The two-month period will ensure you have an opportunity to receive the promo item when you are eligible to donate blood. Most importantly, you'll be helping save lives! All promo items will be branded with the Count on Me! logo as a reminder that patients can count on YOU.

Starting in January and February, donors can receive a long-sleeved "Count on Me!" T-shirt and a "Count on Me!" hat in March and April. "Count on Me!" also includes donors' favorite T-shirt promotions: Memorial Day, 9/11 and Veterans Day. T-shirts will be offered in the two sizes most popular with donors: Large and XXL. This is more cost effective for a non-profit organization, and easier for staff to manage. And as mentioned earlier, other, non-size related items will be available at various times during the year.

Are You A Platelet Donor? - For frequent platelet donors, LifeStream prepared a special T-shirt "six-pack" and the goal is to collect all six shirts throughout the year! Platelet donors also receive the regular promo item in addition to their special T-shirt. *Platelet six-pack shirt available once every two months. Colors subject to change.*

Patients being treated for blood diseases, including cancer, often need frequent platelet transfusions as treatment for the disease can reduce platelet count. For more information about donating platelets, please click visit www.LStream.org

MARK YOUR
CALENDAR!

2021 Blood Drive Schedule:

Monday, March 29
Monday, May 24
Monday, July 26
Monday, September 27
Monday, November 29

Volunteer Services

HIGHLAND GROCERY DELIVERY PROGRAM

Highland's Senior Grocery Delivery Service Program is open for enrollment. This program will assist senior citizen residents by paying the cost of an annual membership to a local grocery delivery service such as Instacart Express or Walmart Unlimited. Applicants eligible for this program must meet income requirements.

INSTACART UPDATE...Instacart announced that they have partnered with Aldi grocery to accept Electronic Benefits Transfer (EBT) and Supplemental Nutrition Assistance Program (SNAP) online payment. With EBT and SNAP payments on the Instacart platform, customers will be able to shop and select from Aldi's EBT and SNAP-eligible products. Once items are added to their cart, customers will be able to select how much of their benefits they would like to allocate to the order.

New with this expansion and to help subsidize costs for EBT and SNAP beneficiaries, during a 90-day period starting December 16, 2020, Instacart will waive delivery and/or pickup fees on up to the first three EBT or SNAP orders for each customer with a valid EBT card associated with their Instacart account. Contact Denise Moreno at 909-864-6861, ext. 203 or email dmoreno@cityofhighland.org for more information and to sign up.
