

City of Highland Weekly Report

April 1, 2021

ADMINISTRATION

Dear Highland Residents, Business Owners, and Community Stakeholders:

City Hall is open. In an effort to help prevent the spread of COVID-19, social distancing and face coverings will be required when entering City Hall. This may include having people wait outside to be called in if the lobby gets too crowded. Temperature screenings will be required of anyone entering beyond the lobby area. We also encourage everyone to take care of business through email, U.S. mail or via phone, if possible.

We are working with the County of San Bernardino and the State to allow the County to move more quickly into later phases of reopening our businesses. I will continue to work with the County to drive the point home to the Governor that a one-size-fits-all approach in a state as large as California is not a reasonable method to re-open our economy and to allow businesses in San Bernardino County to re-open quickly.

Over the last few months, we have received a lot of information from many sources regarding the Coronavirus (COVID-19). The information and directives change daily and the effects are impacting the lives of everyone.

As your Mayor, I am asking that we all focus on and follow the information provided through the San Bernardino County Department of Health's website at www.sbcounty.gov/dph/coronavirus/ and the State website at www.covid19.ca.gov. The directions given there are intended to keep us all safe and well as a community.

The Highland City Council and Staff want you to know the health and safety of our residents, businesses, and community stakeholders is important and of primary concern to all of us during this Coronavirus state and local emergency period.

Please continue to visit our website at www.cityofhighland.org and follow us on Facebook for information. These are unprecedented times. Together, we will get through this. Be kind to one another and be safe.

Penny Lilburn
Mayor

Estimados residentes de Highland, propietarios de negocios y partes interesadas de la comunidad:

El Ayuntamiento ya está abierto. En un esfuerzo por ayudar a prevenir la propagación de COVID-19, se requerirá mantener distancia social y cubrir bocas al entrar en el Ayuntamiento. Esto puede incluir que las personas esperen afuera para ser llamados si el pasillo se llena demasiado. Se requerirán exámenes de temperatura para cualquier persona que entre más allá del área del pasillo. También animamos a todos a ocuparse de los negocios a través de correo electrónico, correo postal de EE. UU. o por teléfono, si es posible.

Estamos trabajando con el Condado de San Bernardino y el Estado para permitir que el Condado se mueva más rápidamente en fases posteriores de reapertura de nuestros negocios. Continuaré trabajando con el Condado para llevar el punto a casa al Gobernador que un enfoque único en un estado tan grande como California no es un método razonable para reabrir nuestra economía y permitir que las empresas en el Condado de San Bernardino reabran rápidamente.

En los últimos meses, hemos recibido mucha información de muchas fuentes con respecto al Coronavirus (COVID-19). La información y las directivas cambian a diario y los efectos están afectando la vida de todos.

Como su Alcalde, pido que todos nos concentremos y sigamos la información proporcionada a través del sitio web del Departamento de Salud del Condado de San Bernardino en www.sbcounty.gov/dph/coronavirus/ y el sitio web del estado en www.covid19.ca.gov. Las instrucciones dadas allí están destinadas a mantenernos a todos seguros y saludables como una comunidad.

El Ayuntamiento y el Personal de Highland quieren que usted sepa que la salud y la seguridad de nuestros residentes, empresas y partes interesadas de la comunidad es importante y de principal preocupación para todos nosotros durante este estado de Coronavirus y el período de emergencia local.

Por favor, continúe visitando nuestro sitio web en www.cityofhighland.org y síganos en Facebook para obtener información.

Estos son tiempos sin precedentes. Juntos, superaremos esto. Sé amable el uno con el otro y sé seguro.

Penny Lilburn
Alcalde

IMPORTANT PUBLIC INFORMATION

The Governor released a new one-stop website (<https://covid19.ca.gov/>) for COVID-19 resources. This is a substantial source of information including unemployment and paid sick leave, along with small business assistance (information specifically to be added about this tomorrow on the website).

These following specific items — Apply for Unemployment, Apply for Disability Benefits or Apply for Paid Family Leave - may be of interest to you on the following website [https://www.edd.ca.gov/about edd/coronavirus-2019/faqs.htm](https://www.edd.ca.gov/about_edd/coronavirus-2019/faqs.htm).

Loan guidance for small business: <https://www.sba.gov/page/coronavirus-covid-19-small-business-guidance-loan-resources>

As a reminder, the CDC's official Coronavirus website is the best source for up-to-date information and guidance. www.coronavirus.gov

The County of San Bernardino has established a COVID-19 Public Information Line. The line is in operation from 9:00am to 8:00pm, Monday to Friday. The phone number is 909-387-3911. Please note that this line is for Public Information Only. Please contact your Health Care Provider for medical related questions.

For further information and updates please visit: <https://sbccovid19.com/>

The San Bernardino County Department of Public Health (DPH) continues to work with the Centers for Disease Control and Prevention (CDC) and the California Department of Public Health (CDPH) to respond to reports of Novel Coronavirus 2019 (COVID-19) as the situation is quickly evolving.

Residents of San Bernardino are encouraged to stay home as much as possible while only participating in essential activities, such as critical work functions and shopping for necessities. We know these measures are challenging, but social distancing will help to protect all of our communities. We encourage older adults and those with chronic medical conditions to take additional precautions to avoid getting sick with the disease.

Please visit <http://wp.sbcounty.gov/dph/coronavirus/> for additional updates and information.

Public Services

SENIORS WANTED!

Are you a Highland resident and sixty (60) years of age or older? If so, then you are eligible to receive a senior discount on trash service. Senior citizen rates are equivalent to a twenty percent (20%) discount to the individuals who meet the following criteria:

- A. Over sixty (60) years of age
- B. Residing as head of household
- C. Single Family residence only

Note: proof of items A-C is required

For more information on the senior discount please contact
Burrtec Waste Industries, Inc.
909-889-1969

For general information regarding solid waste and/or recycling services in the City of Highland, please contact Public Services Division at 909-864-8732, ext. 271.

Refuse Collection Information

Containers must be placed at the curb for service by 5:30AM the day of collection to ensure service. Between collection days residents are encouraged to store carts on your property, either in garages or behind fences.

Street Sweeping

The street sweeper in residential areas can sweep anytime from 6AM to 6PM, the day after your trash day. If trash pickup is delayed one day due to a holiday, the street sweeper will be delayed one day as well. Residents are encouraged to move parked vehicles from the street on sweeping day, to ensure clean streets for Highland.

Stormwater Pollution

Anything thrown, swept or poured into the gutter or catch basin can flow directly into our creeks and eventually the ocean. This includes pollutants like trash, pet waste, cigarette butts, motor oil, anti-freeze, pesticides and fertilizers, paint from brushes, containers rinsed in the gutter and toxic household chemicals. Unlike sewage, which goes to a treatment plants, stormwater pollution flows untreated through the storm drain system. Contaminated runoff pollutes our drinking water and waterways, making them unsafe for people and wildlife.

Remember, only rain down the storm drain!

*For more information please contact
the Public Services Division
at 909-864-8732, ext. 271.*

Our next mobile blood drive takes place on Thursday, April 22, 2021 from 11AM to 4PM at the Highland Police Station, 26985 Base Line.

The link to make an appointment is below:

April 22, 2021: https://giftoflife.lstream.org/donor/schedules/drive_schedule/93575

For questions and more information contact Volunteer Services at 909-864-6861, ext. 203.

Volunteer Services

LIFESTREAM 2 FOR 2 COMMUNITY CAMPAIGN

Want to help LifeStream purchase new Bloodmobiles? \$2 – Yes, just TWO dollars can make a “wheel” difference in community wellness!

Background

Two LifeStream bloodmobiles must be retired soon because they no longer meet State and Federal vehicle emissions standards.

The Need

Replacing these bloodmobiles with new, more environmentally friendly bloodmobiles can keep LifeStream “going to the donor” at schools, churches, hospitals, businesses, and government offices to collect life-saving blood. New bloodmobiles cost approximately \$250,000 each!

The Solution

From January through April, LifeStream is conducting their **2 for 2 Community Campaign**. They are asking blood donors, the public, small businesses, large companies, and corporate and community foundations to donate to our campaign. If everyone pitches in, they should easily reach the goal of raising \$500,000.

Why Are Bloodmobiles Important?

Bloodmobiles are an essential component of LifeStream’s blood collection efforts and make it convenient for donors to give the gift of blood. In a typical year, 72,000 units (pints) are collected from mobile blood drives to help trauma and cancer patients, and for surgeries at local hospitals and medical facilities. Without bloodmobiles, LifeStream would not be able to meet local patients’ needs.

Mobile staff also provides blood donors with valuable health information during the screening process. In 2019, LifeStream provided “mini-physicals” to 125,000 blood donors. These “mini-physicals” assessed each person’s pulse, temperature, blood pressure, cholesterol, and hemoglobin. All blood donations are also tested for infectious diseases and the presence of COVID antibodies.

Volunteer Services

HIGHLAND GROCERY DELIVERY PROGRAM

Highland's Senior Grocery Delivery Service Program is open for enrollment. This program will assist senior citizen residents by paying the cost of an annual membership to a local grocery delivery service such as Instacart Express or Walmart Unlimited. It's easy to qualify...Applicants eligible for this program must meet income requirements.

INSTACART UPDATE...Instacart announced that they have partnered with Aldi grocery to accept Electronic Benefits Transfer (EBT) and Supplemental Nutrition Assistance Program (SNAP) online payment. With EBT and SNAP payments on the Instacart platform, customers will be able to shop and select from Aldi's EBT Snap-eligible products. Once items are added to their cart, customers will be able to select how much of their benefits they would like to allocate to the order.

*For more information and to sign up, please contact
Denise Moreno at 909-864-6861, ext. 203 or email dmoreno@cityofhighland.org*

Public Works

During the period of March 22, 2021 through March 26, 2021, graffiti was made known to Public Works staff by the following means and removed:

Routine observation by Public Works: Boulder Ave. & Eucalyptus Dr., Hillview alley, AT&T building on Base Line, 7262 Sterling Ave., 25646 Base Line, Base Line & Mira Vista Ave., 25250 Base Line, Orange St. & Pacific St., Palm Ave. & Pacific St., 26584 Base Line, Sterling Ave. & 13th St., 26469 Cypress St., Base Line & Guthrie St., 26979 Base Line

Called into Hotline: Palm Ave. & Cypress bridge

BLOOD DRIVE

PROUDLY HOSTED BY

City of Highland/San Andreas High School Career Pathways

at the Highland Police Station

26985 Base Line, Highland
Thursday, April 22 from 11 AM to 4 PM
in the bloodmobile.

For appointments call **800.879.4484**
or visit LStream.org/highland/

All whole-blood donations are tested for presence of COVID-19 antibodies. You'll find out if potentially you could assist currently ill COVID-19 patients. Learn more at LStream.org/covid19/antibodytesting/.

NEW DONOR RECOGNITION PROGRAM!

From March - April, all donors will receive a "Count on Me!" hat, while supplies last!

To maintain social distancing, appointments are strongly recommended. Walk-ins are welcome, but wait times may be lengthy. Face coverings are required. Please be sure to **drink plenty of fluids**. Bring photo ID with proof of age. Donors under the age of 17 must bring a signed LifeStream parental consent form.
