The San Bernardino County Department of Public Health (DPH) continues to work with the Centers for Disease Control and Prevention (CDC) and the California Department of Public Health (CDPH) to respond to reports of Novel Coronavirus 2019 (COVID-19) as the situation is quickly evolving.

Residents of San Bernardino are encouraged to stay home as much as possible while only participating in essential activities, such as critical work functions and shopping for necessities. We know these measures are challenging, but social distancing will help to protect all of our communities. We encourage older adults and those with chronic medical conditions to take additional precautions to avoid getting sick with the disease.

## ***For Disposal of Large or Bulky Items***

Burrtec provides *four* residential curbside large or bulky item collections (maximum of 5 items per collection) during a 12-month period at no extra charge. Please call at least 24 hours in advance to schedule your bulky item pick up. ## ***Roll-Out Service***

Residents who are physically unable to take their barrels to the curb are eligible for roll-out service at no additional charge. Please contact our Customer Service Department for additional information.

## ***Avoid Blue Barrel Contamination!***

Contamination happens when non-recyclable items are mixed in with recyclables Items. Paper smeared with food or grease cannot be processed with clean paper and can ruin a newly made product if it is not caught before it goes to the factory. Too much contamination is the reason manufacturers reject tons of recyclable paper each year. Help Highland keep their recycling clean and free from trash and contamination. Doing so improves rates, quality of recyclables and lessens the amount of material going to the landfill.

Any recyclable holiday packaging, for example: gift boxes, cardboard packaging, wrapping paper (non-foil based), tissue paper, greeting cards, etc. that will not fit within your **BLUE** recycling cart will be collected from the curb on your regular collection day at no extra charge!

Be sure and put out any excess holiday recyclables at the curb by 6:00am on your regular collection day from **December 27 to December 31, 2021**. Remember, only recyclable items will be picked up. If you plan to use a bag for those excess items, please make sure the contents can be easily identified as recyclable.
