EMERGENCY MORTGAGE ASSISTANCE PROGRAM (EMAP)

The City of Highland has established the Emergency Mortgage Assistance Program (EMAP) to assist Highland residents with mortgage delinquencies resulting from the pandemic.

This program is aimed at assisting homeowners of limited income, impacted by the pandemic, by reducing delinquent mortgage payments and/or avoiding foreclosure.

*For more information and program eligibility pre-screening,
please contact us at :
(909) 864-6861, extension 203 or (909) 864-6861, extension 230.*

The City of Highland is encouraging small businesses in Highland to apply for the Coronavirus Recovery Fund grant program, first launched in September. The purpose of this program is to provide financial assistance to City-based small businesses impacted by the COVID-19 pandemic. Successful grant recipients will receive a one-time \$7,500 disbursement.

Businesses that meet these specific criteria are eligible for consideration:

- Must have a physical location within the City of Highland (store front, office, commercial structure).
- Be in good standing with the City of Highland (**current/valid business license, no outstanding code enforcement actions, or compliance orders**).
- Must have no more than 100 employees.
- Must be in existence as of August 24, 2021.

Contact Denise Moreno at 909-864-6861, extension 203 or by email to dmoreno@cityofhighland.org for an application and for more information.

Public Services

There will be NO Holiday Service Delay for Martin Luther King Jr. Day — January 17, 2022

There will be no delay in service for Martin Luther King Jr. Day. Burrtec Waste Industries, Inc. will continue with your regularly scheduled collection service during this holiday.

Should you have any questions or need further information regarding the holiday collection services, please contact: Burrtec Waste Industries, Inc. at (909) 889-1969 / City of Highland Public Services at (909) 864-8732, extension 271.

What You Should Know About Street Sweeping in Highland

1) Help us to serve you better by removing all possible obstacles from the street on your scheduled day. Although the City of Highland does not enforce street sweeping parking restrictions, we appreciate your assistance in keeping the streets clear on your scheduled day.

Parked vehicles cause the operator to swing wide to miss them. Moving vehicles off a street scheduled for sweeping allows crews to thoroughly clean the street from curb-to-curb. One parked car equals nearly three car lengths of space that can't be swept because the street sweeping equipment must leave room to avoid it. This can result in debris building up on the roadway and entering the storm drain which can cause flooding during heavy rains and contribute to water pollution.

2) In residential areas the street sweeper can sweep **anytime** from 7am to 5pm, the day after your solid waste collection day.

3) If solid waste collection is delayed one day due to a holiday, the street sweeper will be delayed one day as well. There is **NO** holiday delay this year.

4) Since sweeping is done as close to the curb as possible, things like overhanging tree branches, basketball hoops, solid waste collection carts and especially parked vehicles cause the operator to swing wide to miss them. When this happens, debris is left on the street and the quality of the sweeping is reduced.

5) Street sweeping also serves as one of our Best Management Practices (BMP) to control and improve water quality.

For more information or to report a street sweeping complaint please contact the Public Services Division at (909) 864-8732 extension 271.

SOUND THE ALARM

SIGN UP FOR FREE SMOKE ALARM INSTALLATION!

In a home fire, can your family safely escape in just 2 minutes? This spring, the American Red Cross Southern California Region and partners will *Sound the Alarm* to help #EndHomeFires in local communities by educating people about home fire safety and installing smoke alarms.

The Red Cross and partners will canvas neighborhoods to install free smoke alarms in homes, replace batteries in existing alarms and help families create home fire escape plans.

SAFETY FIRST! As the COVID-19 pandemic continues, the Red Cross will follow COVID-19 safety protocols during all *Sound the Alarm* events to protect the people they serve and their volunteers.

Visit SoundTheAlarm.org/SoCal or call **714-481-5334** for more information or to sign up for free smoke alarm installation. #EndHomeFires

Create an **escape plan**.

Practice your 2-minute drill.

Test your smoke alarms.

Seven people die every day from home fires. You can help change that by taking these steps to keep your family safe.

- ✓ Create an escape plan.
- ✓ Practice your 2-minute home fire escape drill.
- ✓ Test your smoke alarms monthly.

As a reminder, the CDC's official Coronavirus website is the best source for up-to-date information and guidance. www.coronavirus.gov

The County of San Bernardino has established a COVID-19 Public Information Line. The line is in operation from 9:00am to 8:00pm, Monday to Friday. The phone number is (909) 387-3911. Please note that this line is for Public Information Only. Please contact your Health Care Provider for medical related questions.

For further information and updates please visit: <https://sbccovid19.com/>

The San Bernardino County Department of Public Health (DPH) continues to work with the Centers for Disease Control and Prevention (CDC) and the California Department of Public Health (CDPH) to respond to reports of Novel Coronavirus 2019 (COVID-19) as the situation is quickly evolving.

Residents of San Bernardino are encouraged to stay home as much as possible while only participating in essential activities, such as critical work functions and shopping for necessities. We know these measures are challenging, but social distancing will help to protect all of our communities. We encourage older adults and those with chronic medical conditions to take additional precautions to avoid getting sick with the disease.

Please visit <http://wp.sbcounty.gov/dph/coronavirus/> for additional updates and information.

Blood Drive

This month, LifeStream is kicking off Highland's first Blood Drive of 2022! There is currently an URGENT need for all blood types as blood supply is critically low.

Counting on YOU in 2022!

Local patients count on blood donors like you! All donors who donate in January through February will receive a "Counting on YOU in 2022" themed T-Shirt, while supplies last!

The blood drive is taking place at the Highland Police Station, 26985 Base Line, on Monday, January 31, 2022, from 12:00pm to 5:00pm.

Schedule your appointment to donate blood TODAY by contacting Volunteer Services at 909-864-6861 ext. 203 or by following this online link: https://giftoflife.lstream.org/donor/schedules/drive_schedule/98505

To maintain social distancing, appointments are strongly recommended. Walk-ins are welcome but wait times may be lengthy. Face coverings are required. In preparation for your donation, eat a hearty meal and drink plenty of fluids. Bring photo ID with proof of age. Donors under the age of 17 must bring a signed LifeStream parental consent form, [Young Donor Consent Form Pages \(lstream.org\)](https://giftoflife.lstream.org/young-donor-consent-form)

Disclaimer: LifeStream abides by the FDA guidance on donor incentives.

How to Safely Dispose Sharps

**EFFECTIVE
JULY 1, 2021**

SAN BERNARDINO COUNTY RESIDENTS can safely dispose of their used SHARPS in a 2 gallon or smaller, heavy-duty, plastic container as an alternative to plastic bio-hazard sharps containers at participating Household Hazardous Waste Collection facilities.

Containers should only contain needles, lancets, and syringes with a needle attached that must be completely spent (no liquid remaining, including EpiPens).

HOW TO CREATE YOUR OWN CONTAINER:

- Place sharps into an Approved Sharps Container or 2 gallon or smaller heavy-duty plastic container
- Do not use food product containers
- Must have a screw-top and puncture resistant lid
- Made of thick plastic
- 2 gallons or less
- Leak-resistant
- Remain upright when standing
- Place printed Bio-Hazard Label on both sides
- When $\frac{3}{4}$ filled, secure lid, and tape the container closed

DO NOT USE FOR SHARPS:

Print **FREE** labels by visiting
Greensb.net

Preprinted labels are available at
HHW collection facilities

For more information and locations, call 1-800-Oily Cat (645-9228)

Cómo desechar las agujas de forma segura

**EFFECTIVO EL
1 DE JULIO 2021**

LOS RESIDENTES DEL CONDADO DE SAN BERNARDINO pueden desechar de manera segura sus agujas usadas en un recipiente de plástico resistente de 2 galones, o más pequeño como alternativa a los recipientes de plástico para objetos punzantes con riesgo biológico en los Centros participantes de Colección para desechos peligrosos del hogar.

Los recipientes solo deben contener agujas, lancetas y jeringas con una aguja adjunta que debe gastarse por completo (Sin residuo líquido incluyendo los EpiPens).

COMO CREAR SU PROPIO CONTENEDOR:

- Coloque las agujas en un recipiente para objetos punzantes aprobado o en un recipiente de plástico resistente de 2 galones o más pequeño
- No utilice envases de productos para alimentos
- Debe tener una tapa de rosca y resistente a los pinchazos
- Hecho de plástico grueso
- 2 galones o menos
- Resistente a fugas
- Permanezca erguido cuando esté de pie
- Coloque la etiqueta impresa de peligro biológico en ambos lados
- Cuando esté lleno 3/4, cierre la tapa y pegue el recipiente con cinta adhesiva para mantener el contenedor cerrado

NO UTILIZAR PARA AGUJAS :

Para imprimir etiquetas
GRATIS visite Greensb.net

Las etiquetas preimpresas están disponibles en los Centros de Colección para desechos peligrosos del hogar

Para obtener más información y ubicaciones,

- Se recomienda una lona para camiones y remolques de cama abierta.
- El personal de la ciudad se reserva el derecho de finalizar el evento en cualquier momento debido a la disponibilidad del producto.

PICK UP AFTER YOUR PET

WHY SHOULD I PICK UP?

Dog waste can infect children and adults with disease-causing bacteria and parasites.

Your dog can get infected from the waste of other dogs.

Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

BAG IT AND TRASH IT!

— Steps and Tips —

Step 1: Keep a supply of bags tied to your dog leash.

Step 2: Bag the poop and tie the bag.

Step 3: Dispose of the tied bag properly by throwing it into a trash can.
