## *Weekly Report*

February 18, 2022

### 24th Annual Citrus Harvest Festival March 26, 2022

The City of Highland's 24<sup>th</sup> annual Citrus Harvest Festival has been scheduled for Saturday, March 26, 2022, from 10:00 a.m. to 3:30 p.m. in Highland's Historic District at the intersection of Palm Avenue and Main Street. This year, we are planning for a full scale festival and expecting upwards of 5,000 attendees. Thus far, Staff has received a total of 50 vendor applications that include various historic demonstrators, food trucks, a classic car show, and live music.

In addition to the usual Poetry, Coloring, and Citrus Fruit growing contests, this year we will also be holding a "Good Neighbor" contest in which a historic district resident will receive an award for exhibiting the best lawn and/or most improved and rehabilitated home exterior. For further information, please contact (909) 864-6861, extension 210.

### EMERGENCY MORTGAGE ASSISTANCE PROGRAM (EMAP)

The City of Highland has established the Emergency Mortgage Assistance Program (EMAP) to assist Highland residents with mortgage delinquencies resulting from the pandemic.

This program is aimed at assisting homeowners of limited income, impacted by the pandemic, by reducing delinquent mortgage payments and/or avoiding foreclosure.

*For more information and program eligibility pre-screening, please contact us at (909) 864-6861, extension 203 or (909) 864-6861, extension 230.*

## Volunteer Services

We are accepting applications for Highland's **Grocery Home Delivery Service Program**. Highland residents who meet income guidelines, can qualify to RECEIVE AN ANNUAL MEMBERSHIP FOR GROCERY HOME DELIVERY SERVICE. Shop from the safety of your own home and have groceries delivered straight to your doorstep!

It's easy to apply. Please contact Volunteer Services Coordinator Denise Moreno at (909) 864-6861 ext. 203 or email [dmoreno@cityofhighland.org](mailto:dmoreno@cityofhighland.org) to find out if you are eligible for the program.

## Public Services

There will be **NO Delay** in service for the Presidents Day Holiday

There is no delay in service for Presidents Day, February 21, 2022. Burrtec Waste Industries, Inc will continue with your regularly scheduled collection service during this holiday season.

Should you have any questions regarding the holiday collection services, please contact:

- Burrtec at (909) 889-1969
- City of Highland, Public Services Division at (909) 864-8732 ext. 271.

Funding is Still Available!!!

The City of Highland is encouraging small businesses in Highland to apply for the Coronavirus Recovery Fund grant program, first launched in September. The purpose of this program is to provide financial assistance to City-based small businesses impacted by the COVID-19 pandemic. Successful grant recipients will receive a one-time \$7,500 disbursement.

Businesses that meet these specific criteria are eligible for consideration:

- Must have a physical location within the City of Highland (store front, office, commercial structure).
- Be in good standing with the City of Highland (**current/valid business license, no outstanding code enforcement actions, or compliance orders**).
- Must have no more than 100 employees.
- Must be in existence as of August 24, 2021.

Contact Denise Moreno at (909) 864-6861, extension 203 Or by email to [dmoreno@cityofhighland.org](mailto:dmoreno@cityofhighland.org) for an application and for more information.

## SIGN UP FOR FREE SMOKE ALARM INSTALLATION!

In a home fire, can your family safely escape in just 2 minutes? This spring, the American Red Cross Southern California Region and partners will *Sound the Alarm* to help #EndHomeFires in local communities by educating people about home fire safety and installing smoke alarms. The Red Cross and partners will canvas neighborhoods to install free smoke alarms in homes, replace batteries in existing alarms and help families create home fire escape plans.

Working smoke alarms save lives! Install them on every level of your home and remember to test them monthly. Discover more ways to prepare and sign up for a free smoke alarm installation at [SoundTheAlarm.org/SoCal](http://SoundTheAlarm.org/SoCal)

**SAFETY FIRST!** As the COVID-19 pandemic continues, the Red Cross will follow COVID-19 safety protocols during all *Sound the Alarm* events to protect the people they serve and their volunteers.

Visit [SoundTheAlarm.org/SoCal](http://SoundTheAlarm.org/SoCal) or call 714-481-5334 for more information or to sign up for free smoke alarm installation. #EndHomeFires

## SENIORS WANTED!

Are you a Highland resident and sixty (60) years of age or older? If so, then you are eligible to receive a senior discount on trash service.

Senior citizen rates are equivalent to a twenty percent (20%) discount to the individuals who meet the following criteria:

- ⇒ Over sixty (60) years of age
- ⇒ Residing as head of household
- ⇒ Single Family residence only

**Note: proof of items a-c is required**

**SENIOR**  
**Discount**

For more information regarding the senior discount please contact Burrtec Waste Industries, Inc. at (909) 889-1969. For general information regarding solid waste and/or recycling services in the City of Highland, please contact Public Services Division at (909) 864-8732 extension 271.

### Refuse Collection Information

Containers must be placed at the curb for service by 5:30 a.m. the day of collection to ensure service. Between collection days residents are encouraged to store carts on your property, either in garages or behind fences.

### Street Sweeping

The street sweeper in residential areas can sweep anytime from 6am to 6pm, the day after your trash day. If trash pickup is delayed one day due to a holiday, the street sweeper will be delayed one day as well. Residents are encouraged to move parked vehicles from the street on sweeping day, to ensure clean streets for Highland.

### Stormwater Pollution

Anything thrown, swept or poured into the gutter or catch basin can flow directly into our creeks and eventually the ocean. This includes pollutants like trash, pet waste, cigarette butts, motor oil, anti-freeze, pesticides and fertilizers, paint from brushes, containers rinsed in the gutter and toxic household chemicals. Unlike sewage, which goes to a treatment plants, stormwater pollution flows untreated through the storm drain system. Contaminated runoff pollutes our drinking water and waterways, making them unsafe for people and wildlife.

***Remember... only rain down the storm drain!***

*For more information please contact the  
Public Services Division at (909) 864-8732, extension 271.*

## Disaster Preparedness – Seniors

### *Get Informed*

- Know what disasters could affect your area, which could call for an evacuation and when to shelter in place.
- Keep a NOAA Weather Radio tuned to your local emergency station and monitor TV, radio and follow mobile alert and mobile warnings about severe weather in your area.
- Download the FEMA app and get weather alerts from the National Weather Service for up to five different locations anywhere in the United States.

***Make a Plan*** - Determine any special assistance you may need and include in your emergency plan.

- Create a support network of family, friends and others who can assist you during an emergency and share your disaster plans with them. Practice your plan with them.
- Make sure they have an extra key to your home, know where you keep your emergency supplies and how to use lifesaving equipment or administer medicine.
- If you undergo routine treatments administered by a clinic or hospital, find out their emergency plans and work with them to identify back-up service providers.
- If you have a communication-related disability, note the best way to communicate with you.
- Don't forget your pets or service animals. Not all shelters accept pets so plan for alternatives.
  - Consider loved ones or friends outside of your immediate area.
  - Prepare an emergency kit for your pet.
- For related information visit our page on individuals with disabilities.

### *Get Your Benefits Electronically*

A disaster can disrupt mail service for days or weeks. If you depend on Social Security or other regular benefits switching to electronic payments is a simple, important way to protect yourself financially before disaster strikes. It also eliminates the risk of stolen checks. The U.S. Department of the Treasury recommends a safer way to get federal benefits:

- Direct deposit to a checking or savings account. If you get federal benefits you can sign up by calling 800-333-1795.

## IMPORTANT PUBLIC INFORMATION

The Governor released a one-stop website (<https://covid19.ca.gov/>) for COVID-19 resources. This is a substantial source of information including unemployment and paid sick leave, along with small business assistance (information specifically to be added about this tomorrow on the website).

These following specific items — Apply for Unemployment, Apply for Disability Benefits or Apply for Paid Family Leave - may be of interest to you on the following website [https://www.edd.ca.gov/about\\_edd/coronavirus-2019/faqs.htm](https://www.edd.ca.gov/about_edd/coronavirus-2019/faqs.htm).

As a reminder, the CDC's official Coronavirus website is the best source for up-to-date information and guidance. [www.coronavirus.gov](http://www.coronavirus.gov)

The County of San Bernardino has established a COVID-19 Public Information Line. The line is in operation from 9:00am to 8:00pm, Monday to Friday. The phone number is (909) 387-3911. Please note that this line is for Public Information Only. Please contact your Health Care Provider for medical related questions.

For further information and updates please visit: <https://sbccovid19.com/>

The San Bernardino County Department of Public Health (DPH) continues to work with the Centers for Disease Control and Prevention (CDC) and the California Department of Public Health (CDPH) to respond to reports of Novel Coronavirus 2019 (COVID-19) as the situation is quickly evolving.

Residents of San Bernardino are encouraged to stay home as much as possible while only participating in essential activities, such as critical work functions and shopping for necessities. We know these measures are challenging, but social distancing will help to protect all of our communities. We encourage older adults and those with chronic medical conditions to take additional precautions to avoid getting sick with the disease.

# How to Safely Dispose Sharps

**EFFECTIVE  
JULY 1, 2021**

SAN BERNARDINO COUNTY RESIDENTS can safely dispose of their used SHARPS in a 2 gallon or smaller, heavy-duty, plastic container as an alternative to plastic bio-hazard sharps containers at participating Household Hazardous Waste Collection facilities.

Containers should only contain needles, lancets, and syringes with a needle attached that must be completely spent (no liquid remaining, including EpiPens).

## HOW TO CREATE YOUR OWN CONTAINER:

- Place sharps into an Approved Sharps Container or 2 gallon or smaller heavy-duty plastic container
- Do not use food product containers
- Must have a screw-top and puncture resistant lid
- Made of thick plastic
- 2 gallons or less
- Leak-resistant
- Remain upright when standing
- Place printed Bio-Hazard Label on both sides
- When  $\frac{3}{4}$  filled, secure lid, and tape the container closed

## DO NOT USE FOR SHARPS:

Print **FREE** labels by visiting  
**Greensb.net**

Preprinted labels are available at  
**HHW collection facilities**

For more information and locations, call 1-800-Oily Cat (645-9228) or visit **Greensb.net**

# Cómo desechar las agujas de forma segura

**EFFECTIVO EL  
1 DE JULIO 2021**

LOS RESIDENTES DEL CONDADO DE SAN BERNARDINO pueden desechar de manera segura sus agujas usadas en un recipiente de plástico resistente de 2 galones, o más pequeño como alternativa a los recipientes de plástico para objetos punzantes con riesgo biológico en los Centros participantes de Colección para desechos peligrosos del hogar.

Los recipientes solo deben contener agujas, lancetas y jeringas con una aguja adjunta que debe gastarse por completo (Sin residuo líquido incluyendo los EpiPens).

## COMO CREAR SU PROPIO CONTENEDOR:

- Coloque las agujas en un recipiente para objetos punzantes aprobado o en un recipiente de plástico resistente de 2 galones o más pequeño
- No utilice envases de productos para alimentos
- Debe tener una tapa de rosca y resistente a los pinchazos
- Hecho de plástico grueso
- 2 galones o menos
- Resistente a fugas
- Permanezca erguido cuando esté de pie
- Coloque la etiqueta impresa de peligro biológico en ambos lados
- Cuando esté lleno 3/4, cierre la tapa y pegue el recipiente con cinta adhesiva para mantener el contenedor cerrado

## NO UTILIZAR PARA AGUJAS :

Para imprimir etiquetas  
**GRATIS** visite [Greensb.net](http://Greensb.net)

Las etiquetas preimpresas están  
disponibles en los Centros de Colección  
para desechos peligrosos del hogar

Hora: 8am -12 (mediodía)

Ubicación: Highland City Hall—27215 Base Line

## Cómo funciona:

- Abierto SOLO para residentes de Highland (se requerirá prueba de residencia).
- Este es un programa autoservicio, por lo tanto, los participantes deben proporcionar sus propias palas y asistencia para cargar su vehículo.
- Disponible por orden de llegada.
- El tiempo de espera podría ser de hasta 2 horas.
- Se recomienda una lona para camiones y remolques de cama abierta.
- El personal de la ciudad se reserva el derecho de finalizar el evento en cualquier momento debido a la disponibilidad del producto.

# PICK UP AFTER YOUR PET

## WHY SHOULD I PICK UP?

Dog waste can infect children and adults with disease-causing bacteria and parasites.

Your dog can get infected from the waste of other dogs.

Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

## BAG IT AND TRASH IT!

— Steps and Tips —

**Step 1:** Keep a supply of bags tied to your dog leash.

**Step 2:** Bag the poop and tie the bag.

**Step 3:** Dispose of the tied bag properly by throwing it into a trash can.

# AERIAL INSPECTIONS IN HIGH FIRE RISK AREAS

**Our crews and contractors are currently conducting aerial inspections in your neighborhood.**

**Crew Operating Locations:** Crews will pilot the drones from streets, sidewalks or public right of ways. Launch and landing zones for drones will be placed in clear and open areas, marked by safety cones.

**About Our Crews:** All personnel can and will provide an SCE-issued badge at the request of customers or residents. All drone operators have undergone background checks and are licensed by the FAA.

## **Hours of operation**

Daylight Hours, Monday - Saturday.

# GENERAL INFORMATION ON SCE'S EQUIPMENT INSPECTION PROGRAM:

- Our inspectors are using drones as a new tool to inspect equipment in hard-to-reach areas. Drones also minimize the need to access private property on foot.
- Inspections are just one part of our broader wildfire prevention and mitigation program.
- Some inspections may require our crews return at a later date to perform upgrades to the equipment and/or maintenance to vegetation.
- You will receive advance notice if such work is anticipated to result in a temporary power outage. We appreciate your support and cooperation.

**For additional information about how SCE is addressing the threat of wildfires, visit [SCE.com/wildfire](https://www.sce.com/wildfire).**

# DISCHARGE TO THE STORM DRAIN, ACCIDENTAL OR NOT, COULD LEAD TO ENFORCEMENT ACTIONS AND FINES

## Sustainable Practices for Landscape Maintenance

Your contributions make a difference in the way you maintain your yard. Learn how to truly be a “green” thumb and prevent stormwater pollution.

### Recycle Yard Waste

Yard waste, like grass and leaves, can block the storm drain or carry harmful chemicals into it.

- Recycle yard waste by placing them into your greenwaste container.
- Do not blow, sweep, rake, or hose yard waste into the street or catch basin.
- Try grasscycling by leaving clippings on the lawn when mowing.

For more information, visit [www.calrecycle.ca.gov/organics/grasscycling](http://www.calrecycle.ca.gov/organics/grasscycling).

### Use Safe Products

Fertilizers, herbicides, and pesticides are often carried into the storm drain by sprinkler runoff.

- Use natural and non-toxic alternatives as often as possible.
- Spot-apply, rather than blanketing entire areas.

Apply chemicals directly to the area that needs treatment.

- Read the product label and use only as directed.
- Never apply before a rain.

### Use Water Wisely

Conserving water minimizes the amount of urban runoff going into the street.

- Control the amount of water and direction of sprinklers.

The average lawn only needs about an inch of water a week or 10 to 20 minutes of watering.

- Periodically inspect and fix sprinklers for leaks.

Realign sprinkler heads to make sure water is distributed onto the lawn and not onto the sidewalk.

- Plant native vegetation to reduce the need of water.

### HOMEOWNERS

Keep these tips in mind when hiring professional landscapers and remind them as necessary.

Leftover pesticides, fertilizers, and herbicides contaminate landfills and should be disposed of through a Household Hazardous Waste Center\*.

For more information on proper disposal, call 1 (800) OILYCAT or visit [tootoxictotrash.com](http://tootoxictotrash.com).

\*FREE for San Bernardino County residents. Businesses can call for cost inquiries and to schedule an appointment.
