24th Annual Citrus Harvest Festival

March 26, 2022

The City of Highland’s 24th annual Citrus Harvest Festival has been scheduled for Saturday, March 26, 2022, from 10:00 a.m. to 3:30 p.m. in Highland’s Historic District at the intersection of Palm Avenue and Main Street. This year, we are planning for a full scale festival and expecting upwards of 5,000 attendees. Thus far, Staff has received a total of 50 vendor applications that include various historic demonstrators, food trucks, a classic car show, and live music.

In addition to the usual Poetry, Coloring, and Citrus Fruit growing contests, this year we will also be holding a “Good Neighbor” contest in which a historic district resident will receive an award for exhibiting the best lawn and/or most improved and rehabilitated home exterior. For further information, please contact (909) 864-6861, extension 210.

Citrus Harvest Festival – March 26, 2022

The Annual Citrus Harvest Festival is fast approaching! On March 26, 2022 Re-Pete and the Public Services Division are gearing up for this year's event. We could not be more excited about this year's booth activities. Test your knowledge of recycling, trash and household hazardous waste (HHW) with a fun sorting game. Regardless of getting the question right or wrong, you will still receive a prize for participating. Also get information on how you can prevent stormwater pollution.

come visit us

A representative from the San Bernardino County Fire Department Household Hazardous Waste (HHW) Program will be on hand to answer all of your Household Hazardous Waste (HHW) questions. For those of you that change your oil on your vehicles, stop by and pick a FREE oil container.

Hope to see you at the Public Services Division booth!

For more information, please call Public Services at 909-864-6861 ext. 271.

Scavenging Hurts Businesses!

Whether it is called dumpster diving or scavenging, it is the unauthorized removal of recyclable materials placed in a designated container at a designated location for the purposes of collection and processing by an authorized agent. The only authorized agent in the City of Highland is Burrtec Waste. The regular removal of recyclable materials from a bin will increase the cost of collection services! Materials placed in a recycling bin have a value, and that value is used to offset collection and processing costs which directly lower rates.

When scavengers break the law by removing those materials, they are also removing items valuable to the recycling program, which ultimately affects rates. Do not approach or confront a scavenger! Get a description of the person and the vehicle with the license plate number or take a picture. Then report the incident to the Highland Police Department at (909) 425-9793 or during business hours contact Public Services at (909) 864-6861, ext. 271.

Discourage scavenging - do not give permission to scavengers or the "Cardboard Man" to take recyclables from your bins.

If you have any questions please contact Public Services Coordinator, Carlos Florez at 909-864-8732 ext. 271.

EMERGENCY MORTGAGE ASSISTANCE PROGRAM (EMAP)

The City of Highland has established the Emergency Mortgage Assistance Program (EMAP) to assist Highland residents with mortgage delinquencies resulting from the pandemic.

This program is aimed at assisting homeowners of limited income, impacted by the pandemic, by reducing delinquent mortgage payments and/or avoiding foreclosure.

For more information and program eligibility pre-screening, please contact us at (909) 864-6861, extension 203 or (909) 864-6861, extension 230.

Volunteer Services

We are accepting applications for Highland's **Grocery Home Delivery Service Program**. Highland residents who meet income guidelines, can qualify to RECEIVE AN ANNUAL MEMBERSHIP FOR GROCERY HOME DELIVERY SERVICE. Shop from the safety of your own home and have groceries delivered straight to your doorstep!

It's easy to apply. Please contact Volunteer Services Coordinator Denise Moreno at (909) 864-6861 ext. 203 or email dmoreno@cityofhighland.org to find out if you are eligible for the program.

SMALL BUSINESS GRANTS

The City of Highland is encouraging small businesses in Highland to apply for the Coronavirus Recovery Fund grant program, first launched in September. The purpose of this program is to provide financial assistance to City-based small businesses impacted by the COVID-19 pandemic. Successful grant recipients will receive a one-time \$7,500 disbursement.

Businesses that meet these specific criteria are eligible for consideration:

- Must have a physical location within the City of Highland (store front, office, commercial structure).
- Be in good standing with the City of Highland (**current/valid business license, no outstanding code enforcement actions, or compliance orders**).
- Must have no more than 100 employees.
- Must be in existence as of August 24, 2021.

Contact Denise Moreno at (909) 864-6861, extension 203 or by email to dmoreno@cityofhighland.org for an application and for more information.

SOUND THE ALARM SIGN UP FOR FREE SMOKE ALARM INSTALLATION!

The American Red Cross has started a new program. Under normal circumstances, the Red Cross partners up with volunteers to canvas neighborhoods to install free smoke alarms in homes, replace batteries in existing alarms and help families create home fire escape plans. Unfortunately, COVID has prevented them from hosting rally events of this type. The modified program is now an appointment based, "hot shot" program. This program will consist of installing FREE smoke alarms and providing home fire safety education to residents by appointment only.

The installation service and the home fire preparedness education are FREE to the resident. After signing up, a Red Cross volunteer will contact the resident to schedule the appointment. Volunteers will be following all COVID 19 precautions, before entering the home, and while in the home.

Working smoke alarms save lives! Install them on every level of your home and remember to test them monthly. Discover more ways to prepare and sign up for a free smoke alarm installation at SoundTheAlarm.org/SoCal

Visit: www.SoundTheAlarm.org/SoCal or call (714) 481-5334 for more information or to sign up for free smoke alarm installation. Residents belonging to San Diego, Orange, Riverside, San Bernardino, and Imperial Counties are eligible. #EndHomeFires

HIGHLAND IMPROVEMENT TEAM (HIT) HAS RETURNED!!

Highland Improvement Team (HIT) cleanups will resume on March 19, 2022! Due to the pandemic, HIT projects have been on hold for two years. This community cleanup project will consist of landscape maintenance such as weeding, trimming shrubs and litter removal in Highland's Historic District. Every year, the Highland Improvement Team along with City staff and other volunteers, clean up the Historic District in preparation for our annual Citrus Harvest Festival. The festival lines several streets in the historic neighborhood. Sprucing up this area before the event helps maintain a level of cleanliness during the festival and makes cleanup after a whole lot easier. The City will provide all tools and equipment needed for the project.

Come out and join us on Saturday, March 19, 2022, at Community Cross Church, 6955 Palm Avenue in Highland. Volunteers can begin signing in at 7:30am. The cleanup begins at 8:00 am and runs through 12:00 pm. If you should have questions, please contact Denise Moreno, Volunteer Services Coordinator, at 909-864-6861 extension 203.

As a reminder, the CDC's official Coronavirus website is the best source for up-to-date information and guidance. www.coronavirus.gov

The County of San Bernardino has established a COVID-19 Public Information Line. The line is in operation from 9:00am to 8:00pm, Monday to Friday. The phone number is (909) 387-3911. Please note that this line is for Public Information Only. Please contact your Health Care Provider for medical related questions.

For further information and updates please visit: <https://sbccovid19.com/>

The San Bernardino County Department of Public Health (DPH) continues to work with the Centers for Disease Control and Prevention (CDC) and the California Department of Public Health (CDPH) to respond to reports of Novel Coronavirus 2019 (COVID-19) as the situation is quickly evolving.

Residents of San Bernardino are encouraged to stay home as much as possible while only participating in essential activities, such as critical work functions and shopping for necessities. We know these measures are challenging, but social distancing will help to protect all of our communities. We encourage older adults and those with chronic medical conditions to take additional precautions to avoid getting sick with the disease.

Please visit <http://wp.sbcounty.gov/dph/coronavirus/> for additional updates and information.

How to Safely Dispose Sharps

**EFFECTIVE
JULY 1, 2021**

SAN BERNARDINO COUNTY RESIDENTS can safely dispose of their used SHARPS in a 2 gallon or smaller, heavy-duty, plastic container as an alternative to plastic bio-hazard sharps containers at participating Household Hazardous Waste Collection facilities.

Containers should only contain needles, lancets, and syringes with a needle attached that must be completely spent (no liquid remaining, including EpiPens).

HOW TO CREATE YOUR OWN CONTAINER:

- Place sharps into an Approved Sharps Container or 2 gallon or smaller heavy-duty plastic container
- Do not use food product containers
- Must have a screw-top and puncture resistant lid
- Made of thick plastic
- 2 gallons or less
- Leak-resistant
- Remain upright when standing
- Place printed Bio-Hazard Label on both sides
- When $\frac{3}{4}$ filled, secure lid, and tape the container closed

DO NOT USE FOR SHARPS:

Print **FREE** labels by visiting
Greensb.net

Preprinted labels are available at
HHW collection facilities

For more information and locations, call 1-800-Oily Cat (645-9228) or visit **Greensb.net**

Cómo desechar las agujas de forma segura

**EFFECTIVO EL
1 DE JULIO 2021**

LOS RESIDENTES DEL CONDADO DE SAN BERNARDINO pueden desechar de manera segura sus agujas usadas en un recipiente de plástico resistente de 2 galones, o más pequeño como alternativa a los recipientes de plástico para objetos punzantes con riesgo biológico en los Centros participantes de Colección para desechos peligrosos del hogar.

Los recipientes solo deben contener agujas, lancetas y jeringas con una aguja adjunta que debe gastarse por completo (Sin residuo líquido incluyendo los EpiPens).

COMO CREAR SU PROPIO CONTENEDOR:

- Coloque las agujas en un recipiente para objetos punzantes aprobado o en un recipiente de plástico resistente de 2 galones o más pequeño
- No utilice envases de productos para alimentos
- Debe tener una tapa de rosca y resistente a los pinchazos
- Hecho de plástico grueso
- 2 galones o menos
- Resistente a fugas
- Permanezca erguido cuando esté de pie
- Coloque la etiqueta impresa de peligro biológico en ambos lados
- Cuando esté lleno 3/4, cierre la tapa y pegue el recipiente con cinta adhesiva para mantener el contenedor cerrado

NO UTILIZAR PARA AGUJAS :

Para imprimir etiquetas
GRATIS visite Greensb.net

Las etiquetas preimpresas están
disponibles en los Centros de Colección
para desechos peligrosos del hogar

Para obtener más información y ubicaciones,
llame al 1-800-Oily Cat (645-9228) o visite Greensb.net

SAN BERNARDINO COUNTY FIRE – Household Hazardous Waste

WASH YOUR CAR THE ECO-FRIENDLY WAY!

When possible, wash in a professional car wash.

- 1 **Locate** the nearest storm drain and ensure that wash water does not flow into it.

- 2 **Wash** in a contained area or on grass*, gravel or other permeable surface. Dispose of excess soapy water into the sanitary sewer (*ie. sink or toilet*) or onto grass.

- 3 **Use** eco-friendly cleaning products (*non-toxic, phosphate free or biodegradable*). Use as little soap as possible and wipe brake dust off tires with a rag before washing.

- 4 **Conserve** water by using a high pressure hose and turn off the water when not in use.

**Some local ordinances may not allow a car to be parked on the front lawn. Check with your City's Building and Code department if you are unsure.*

How Does Eco Car Washing Help Local Waterways?

When excess wash water travels through the street it has the potential to pick up oil, grease and other chemicals along the way before it ends up in the curb, gutter and the storm drain system. **This contaminated water then travels to our creeks and the Santa Ana River making it unsafe for people and wildlife.**

To report illegal dumping, call **(877) WASTE18** or visit **sbcountystormwater.org**
To find a Hazardous Waste Facility, call **(800) OILY CAT**

WHY SHOULD I PICK UP?

Dog waste can infect children and adults with disease-causing bacteria and parasites.

Your dog can get infected from the waste of other dogs.

Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

BAG IT AND TRASH IT!

— Steps and Tips —

Step 1: Keep a supply of bags tied to your dog leash.

Step 2: Bag the poop and tie the bag.

Step 3: Dispose of the tied bag properly by throwing it into a trash can.

DISCHARGE TO THE STORM DRAIN, ACCIDENTAL OR NOT, COULD LEAD TO ENFORCEMENT ACTIONS AND FINES

Sustainable Practices for Landscape Maintenance

Your contributions make a difference in the way you maintain your yard. Learn how to truly be a “green” thumb and prevent stormwater pollution.

Recycle Yard Waste

Yard waste, like grass and leaves, can block the storm drain or carry harmful chemicals into it.

- Recycle yard waste by placing them into your greenwaste container.
- Do not blow, sweep, rake, or hose yard waste into the street or catch basin.
- Try grasscycling by leaving clippings on the lawn when mowing.

For more information, visit www.calrecycle.ca.gov/organics/grasscycling.

Use Safe Products

Fertilizers, herbicides, and pesticides are often carried into the storm drain by sprinkler runoff.

- Use natural and non-toxic alternatives as often as possible.
- Spot-apply, rather than blanketing entire areas.

Apply chemicals directly to the area that needs treatment.

- Read the product label and use only as directed.
- Never apply before a rain.

Use Water Wisely

Conserving water minimizes the amount of urban runoff going into the street.

- Control the amount of water and direction of sprinklers.

The average lawn only needs about an inch of water a week or 10 to 20 minutes of watering.

- Periodically inspect and fix sprinklers for leaks.

Realign sprinkler heads to make sure water is distributed onto the lawn and not onto the sidewalk.

- Plant native vegetation to reduce the need of water.

HOMEOWNERS

Keep these tips in mind when hiring professional landscapers and remind them as necessary.

Leftover pesticides, fertilizers, and herbicides contaminate landfills and should be disposed of through a Household Hazardous Waste Center*.

For more information on proper disposal, call 1 (800) OILYCAT or visit tootoxictotrash.com.

*FREE for San Bernardino County residents. Businesses can call for cost inquiries and to schedule an appointment.

To report illegal dumping or toxic spills, call (877) WASTE18 or visit tootoxictotrash.com

AERIAL INSPECTIONS IN HIGH FIRE RISK AREAS

Our crews and contractors are currently conducting aerial inspections in your neighborhood.

Crew Operating Locations: Crews will pilot the drones from streets, sidewalks or public right of ways. Launch and landing zones for drones will be placed in clear and open areas, marked by safety cones.

About Our Crews: All personnel can and will provide an SCE-issued badge at the request of customers or residents. All drone operators have undergone background checks and are licensed by the FAA.

Hours of operation

Daylight Hours, Monday - Saturday.

GENERAL INFORMATION ON SCE'S EQUIPMENT INSPECTION PROGRAM:

- Our inspectors are using drones as a new tool to inspect equipment in hard-to-reach areas. Drones also minimize the need to access private property on foot.
- Inspections are just one part of our broader wildfire prevention and mitigation program.
- Some inspections may require our crews return at a later date to perform upgrades to the equipment and/or maintenance to vegetation.
- You will receive advance notice if such work is anticipated to result in a temporary power outage. We appreciate your support and cooperation.
