

City of Highland *Weekly Report*

March 31, 2022

24th Annual Citrus Harvest Festival

It was an outstanding turnout for the 24th Annual Citrus Harvest Festival. Nearly 6,000 Highland area residents enjoyed the live music, food and entertainment. Local bands included Highland Music Company, Andrew Sandoval and Mark Barnett as Roy Orbison. More than 140 booths were filled with local businesses, crafters, non-profits, and community organizations. The Historic Home Tour had an outstanding turnout with 40-60 participants. The business community did not disappoint with sponsorships exceeding the Historic Board's expectations. A full debriefing of the event will occur at the Board's April 7, 2022 meeting and more information will be available at that time.

Public Services

RE-PETE NEWS

During the Citrus Harvest Festival on March 26, 2022, the Public Services Division had 86 participants that had been provided with either a sharps container, used oil container, used oil filter drain container, or a dog waste bag container at no cost. Staff interacted with more than 179 festival attendees regarding services, storm water pollution prevention and proper household hazardous waste disposal.

We are so excited to see Highland resident's taking initiative and doing their part to properly recycle their household hazardous waste and assist in the fight against storm water pollution prevention!

You can take your household hazardous waste to your local Household Hazardous Waste Recycling Center located at: 2824 East "W" Street, Bldg. 302 San Bernardino, CA 92408 Monday—Friday 9 a.m. - 4 p.m. Also accepts e-waste and sharps. The material exchange hours are Monday-Friday, 1:00 -3:30 p.m.

For more information on storm water pollution prevention, general recycling questions/concerns or proper household hazardous waste management, please feel free to contact Public Services Division at (909) 864-8732, extension 271.

Volunteer Services

The Highland Improvement Team needs volunteers! Now is your chance to be part of this great group of dedicated community volunteers. Our mission is to improve the overall environment of our city for all residents and businesses. Join us as we beautify our community and get involved today ~ Sign up as Highland's newest volunteer!

Highland Improvement Team projects are scheduled on the first Saturday of each month. Projects vary from month to month but can include:

- Residential yard cleanups for senior residents
- Residential garage cleanouts for senior residents
- Graffiti abatement
- Litter pick-up
- Park cleanups
- Special events and many more!

Join us at our next project scheduled for Saturday, April 2, 2022. We will meet at Highland City Hall located at 27215 Base Line. Volunteers can begin signing in at 7:30 a.m. The cleanup begins at 8:00 a.m. and runs through 12:00 p.m. The City will provide all tools and equipment needed for the project.

If you should have questions, please contact Denise Moreno, Volunteer Services Coordinator, at 909-864-6861, extension 203.

Volunteer Services

EMERGENCY MORTGAGE ASSISTANCE PROGRAM (EMAP)

The City of Highland has established the Emergency Mortgage Assistance Program (EMAP) to assist Highland residents with mortgage delinquencies resulting from the pandemic.

This program is aimed at assisting homeowners of limited income, impacted by the pandemic, by reducing delinquent mortgage payments and/or avoiding foreclosure.

For more information and program eligibility pre-screening, please contact us at (909) 864-6861, extension 203 or (909) 864-6861, extension 230.

Blood Drive

Volunteer Services

Highland held another impressive Blood Drive this month! The sudden rainstorm didn't damper our numbers. The dedicated donors of Highland showed up, rain or shine, donating twenty units of blood! Helping us meet our drive goal! Thank you to all who took the time to make this drive a success.

Thank you!

LifeStream recently launched their **Counting on YOU in 2022!** campaign to reward donors for their gift of blood. Each donor at this month's drive received a "Counting on YOU in 2022" themed cooler tote bag.

Help Highland increase blood donations... schedule your appointment today! All blood drives will take place at the Highland Police Station, 26985 Base Line from 12:00 p.m. to 5:00 p.m.

2022 Blood Drive Schedule:

- ◆ Monday, May 23
- ◆ Monday, July 25
- ◆ Monday, September 26
- ◆ Monday, November 28

UPCOMING events

For more information or to schedule an appointment, contact Volunteer Services at (909) 864-6861, extension 203 or email dmoreno@cityofhighland.org. Follow this link to reserve an appointment: https://giftoflife.lstream.org/donor/schedules/drive_schedule/98506

Volunteer Services

We are accepting applications for Highland's **Grocery Home Delivery Service Program**. Highland residents who meet income guidelines, can qualify to RECEIVE AN ANNUAL MEMBERSHIP FOR GROCERY HOME DELIVERY SERVICE. Shop from the safety of your own home and have groceries delivered straight to your doorstep!

It's easy to apply. Please contact Volunteer Services Coordinator Denise Moreno at (909) 864-6861, extension 203 or email dmoreno@cityofhighland.org to find out if you are eligible for the program.

Engineering

SoCal Gas Street Paving; Base Line at Victoria Ave.

The Gas Company's paving contractor will be performing final asphalt concrete street pavement work within the intersection of Base Line and Victoria Ave., this Saturday, April 2, 2022, beginning at 6:00 a.m., and completion is anticipated by 5:00 p.m. There will be one lane open to traffic in all directions, with flaggers assisting traffic through the intersection during the noted construction hours. This work is the final street resurfacing process of the Gas Company's Gas Main replacements which were performed late last year.

Residents and commuters are hereby notified to expect delays while traveling through this intersection. The City wishes to thank Highland residents and commuters in advance for their patience and cooperation during the noted construction hours.

Volunteer Services

Funding Currently Available!!!

The City of Highland is encouraging small businesses in Highland to apply for the Coronavirus Recovery Fund grant program. First launched in September 2021, the purpose of this program is to provide financial assistance to City-based small businesses impacted by the COVID-19 pandemic. Successful grant recipients will receive a one-time \$7,500 disbursement.

Businesses that meet these specific criteria are eligible for consideration:

- Must have a physical location within the City of Highland (store front, office, commercial structure).
- Be in good standing with the City of Highland (**current/valid business license, no outstanding code enforcement actions, or compliance orders**).
- Must have no more than 100 employees.
- Must be in existence as of August 24, 2021.

Contact Denise Moreno at (909) 864-6861, extension 203 or by email to dmoreno@cityofhighland.org for an application and for more information.

SOUND THE ALARM SIGN UP FOR FREE SMOKE ALARM INSTALLATION!

The American Red Cross has started a new program. Under normal circumstances, the Red Cross partners up with volunteers to canvas neighborhoods to install free smoke alarms in homes, replace batteries in existing alarms and help families create home fire escape plans. Unfortunately, COVID has prevented them from hosting rally events of this type. The modified program is now an appointment based, "hot shot" program. This program will consist of installing FREE smoke alarms and providing home fire safety education to residents by appointment only.

The installation service and the home fire preparedness education are FREE to the resident. After signing up, a Red Cross volunteer will contact the resident to schedule the appointment. Volunteers will be following all COVID-19 precautions before entering the home and while in the home.

Working smoke alarms save lives! Install them on every level of your home and remember to test them monthly. Discover more ways to prepare and sign up for a free smoke alarm installation at SoundTheAlarm.org/SoCal

Visit: www.SoundTheAlarm.org/SoCal or call (714) 481-5334 for more information or to sign up for free smoke alarm installation. Residents belonging to San Diego, Orange, Riverside, San Bernardino, and Imperial Counties are eligible. #EndHomeFires

Public Services

National Prescription Drug Take Back Day

On April 30, 2022 from 10 a.m. to 2 p.m. the Drug Enforcement Administration (DEA) will give the public its 22nd opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs.

Continue to check back in the next weeks to find the nearest location.

Americans turned in more unused prescription drugs at the most recent DEA National Prescription Drug Take-Back Day than on any of the previous twenty-one events since it began in 2010, demonstrating their understanding of the value of this service. Last year the DEA and over 4,200 of its state, local, and tribal law enforcement partners collected 744,082 pounds of unwanted medicines—about 372 tons—at almost 5,000 sites spread through all 50 states. The top five states with the largest collections, in order, were Wisconsin (57 tons); Texas (almost 56 tons); Ohio (almost 47 tons); California (almost 42 tons); and Florida (almost 33 tons).

The majority of prescription drug abusers report in surveys that they get their drugs from friends and family. Americans understand that cleaning out old prescription drugs from medicine cabinets, kitchen drawers, and bedside tables reduces accidents, thefts, and the misuse and abuse of these medicines, including the opioid painkillers that accounted for 20,808 drug overdoses—78 a day—in 2014 (the most recent statistics from the Centers for Disease Control and Prevention). 8 out of 10 new heroin users began by abusing prescription painkillers and moved to heroin when they could no longer obtain or afford those painkillers.

“These results show that more Americans than ever are taking the important step of cleaning out their medicine cabinets and making homes safe from potential prescription drug abuse or theft,” said DEA Acting Administrator Chuck Rosenberg. “Unwanted, expired, or unused prescription medications are often an unintended catalyst for addiction. Take-Back events like this raise awareness of the opioid epidemic and offer the public a safe and anonymous way to help prevent substance abuse.”

Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

For information on how to properly dispose of medications and other materials that could potentially harm the environment, such as cleaning products, paints, fertilizers/pesticides, automotive products like used motor oil and filters, please contact the City of Highland Public Services Division at (909) 864-8732, extension 271.

Join us Monday, July 4, 2022 for
Highland's Annual Fourth of July Parade!

4th of July Parade

Parade Begins @ 9:00 AM

WASH YOUR CAR THE ECO-FRIENDLY WAY!

When possible, wash in a professional car wash.

- 1 **Locate** the nearest storm drain and ensure that wash water does not flow into it.

- 2 **Wash** in a contained area or on grass*, gravel or other permeable surface. Dispose of excess soapy water into the sanitary sewer (*ie. sink or toilet*) or onto grass.

- 3 **Use** eco-friendly cleaning products (*non-toxic, phosphate free or biodegradable*). Use as little soap as possible and wipe brake dust off tires with a rag before washing.

- 4 **Conserve** water by using a high pressure hose and turn off the water when not in use.

*Some local ordinances may not allow a car to be parked on the front lawn. Check with your City's Building and Code department if you are unsure.

How Does Eco Car Washing Help Local Waterways?

When excess wash water travels through the street it has the potential to pick up oil, grease and other chemicals along the way before it ends up in the curb, gutter and the storm drain system. **This contaminated water then travels to our creeks and the Santa Ana River making it unsafe for people and wildlife.**

To report illegal dumping, call **(877) WASTE18** or visit **sbcountystormwater.org**
To find a Hazardous Waste Facility, call **(800) OILY CAT**

Printed on 55% Recycled, 30% Post Consumer Waste Paper

PICK UP AFTER YOUR PET

WHY SHOULD I PICK UP?

Dog waste can infect children and adults with disease-causing bacteria and parasites.

Your dog can get infected from the waste of other dogs.

Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

BAG IT AND TRASH IT!

— Steps and Tips —

Step 1: Keep a supply of bags tied to your dog leash.

Step 2: Bag the poop and tie the bag.

Step 3: Dispose of the tied bag properly by throwing it into a trash can.

*****SPECIAL EVENT *****
ROAD CLOSURE AND COURSE INFORMATION
APRIL 20, 2022

Highland Circuit Race
Women's Start – 8:45 am
Men's Start – 11:00 am

www.redlandsclassic.com
info@redlandsclassic.com

Dear Highland Neighbor:

The 2022 Redlands Bicycle Classic is excited to announce that the initial stage of this year's race will occur on Wednesday, April 20, 2022, in the City of Highland. We would like to thank all of the residents and businesses along the course for their assistance and patience, as we bring you one of the premier cycling events in the country.

The Highland Stage is a "circuit" race, which means the cyclists will be completing numerous laps around the course. This will give you an opportunity to see them up close and cheer them on as they pass by your location. Spectators may walk along the outside of the course, however, please be sure to stay off the course itself. The riders will be exceeding 50 MPH at times, and we want to ensure your safety, as well as the safety of the riders.

With safety as our top primary concern, there will be some local street closures in place throughout the day.

6:00am-4:00pm Eastbound Baseline Road between Streater Avenue and Church Street will be closed
Westbound Baseline Road will be reduced to one lane in this location
(Immanuel Baptist Church access will be via the Streater Avenue driveway only)
Greenspot Road and Highland Avenue are the best alternate routes

8:00am-3:00pm Jack Rabbit Lane between Church Street and Foxtail Way
Foxtail Way between Jack Rabbit Lane and Glenheather Drive
Glenheather Drive between Foxtail Way and Tonner Drive
Tonner Drive between Glenheather Drive and Orange Street
Orange Street between Tonner Drive and Sycamore Drive
Sycamore Drive between Orange Street and Webster Street
Webster Street between Sycamore Drive and Baseline Street

8:05am-2:00pm Church Street between Baseline Road and Greenspot Road will be closed in both directions
Arroyo Verde traffic (including Kindergarten pickup/dropoff) should access the lower parking lot using northbound Church Street from Greenspot Road. Church Street will reopen as soon as the race ends to facilitate end-of-school dismissal.

Traffic will be impacted in the area of Highland Grove Elementary and Beattie Middle School. Use Orange Street via Greenspot Road and Webster Street via Boulder Avenue to access these schools. As race day approaches, individual schools will provide detailed instructions through recorded messages. Please drive cautiously!

If you anticipate leaving your business or residence during race time, please understand that there may be a delay, as our marshals must wait until there are no cyclists approaching before they allow you on the course. At that time, you will be allowed onto the course, **but only in the direction of the race**, and you will be required to **exit the course at the next opportunity**. Refer to the attached map to determine the direction the race will be traveling. If you are having difficulty getting to a specific location, contact one of our marshals or a law enforcement official. Our marshals will be strategically placed throughout the course to assist you in getting where you need to go. If you need to leave a residence on the course while the race is in progress, it is imperative that you seek assistance from a marshal before exiting. If possible, please park your vehicle on a street off of the course ahead of time.

For those who live on the course, temporary no parking signs will be posted several days prior to the race. For your convenience, a map of this year's course is included. The streets in bold will have parking restrictions. Vehicles must be removed from the course by 11:59 pm on Tuesday, April 19th (eight hours before the race begins). Any vehicles remaining on the course are subject to removal. Towed vehicles will be taken to the southwest parking lot of Immanuel Baptist Church. Finally, **loose dogs present a significant hazard to cyclists traveling at high speeds**. Please ensure that your pet is secured during the event.

For additional information about the Classic, please visit our website at www.redlandsclassic.com. You may also reach us via email at info@redlandsclassic.com.

Thank you in advance for your cooperation,
REDLANDS BICYCLE CLASSIC ORGANIZING COMMITTEE

Used Oil Filter Exchange & Recycling Event

Bring Used Oil Filters to Recycle and Exchange
for Up to \$15 Oil Filter Voucher

Free!

We
want
you!

Join the
Friends
of the
Highland
Library!

The Friends of the Highland Library would like to have YOU as a Friend!

Help us to continue supporting the
Highland Library and our community!

What can you do to help?

- Attend monthly Friends meetings to share ideas and plan events.
- Share your time to help organize our used book store.
- Lend a hand with fundraising to support library programs and services that benefit our community.
- Provide funding for the purchase of new books and other resources for adults, teens and children.
- Sponsor the annual library Summer Reading Program to encourage literacy and provide educational entertainment.

Why become a member?

- Have fun and share ideas and talents to help the Friends raise funds and awareness of the library.
- Make new friends and enrich our community through service.
- Support the library in its mission to provide resources and learning opportunities for all ages.

DO YOU WANT A TOTE BIN FOR TRANSPORTING YOUR TOXIC WASTE TO A COLLECTION CENTER?

You may be able to pick one up for **FREE** at your City!

- Step 1:** Visit sbcountystormwater.org/request-a-bin to see if your City is offering free bins
- Step 2:** Request a bin through the form
- Step 3:** A city representative will contact you to schedule your tote bin pickup

SAN BERNARDINO COUNTY STORMWATER PROGRAM
**WHERE WATER
MEETS COMMUNITY**

For a list of collection centers near you,
visit TooToxicToTrash.com

Must be a San Bernardino County resident.

- ❶ Put toxic waste here
- ❷ When full, take items to a collection center
- ❸ Visit TooToxicToTrash.com for disposal rules and collection center locations

DISCHARGE TO THE STORM DRAIN, ACCIDENTAL OR NOT, COULD LEAD TO ENFORCEMENT ACTIONS AND FINES

Sustainable Practices for Landscape Maintenance

Your contributions make a difference in the way you maintain your yard. Learn how to truly be a “green” thumb and prevent stormwater pollution.

Recycle Yard Waste

Yard waste, like grass and leaves, can block the storm drain or carry harmful chemicals into it.

- Recycle yard waste by placing them into your greenwaste container.
- Do not blow, sweep, rake, or hose yard waste into the street or catch basin.
- Try grasscycling by leaving clippings on the lawn when mowing.

For more information, visit www.calrecycle.ca.gov/organics/grasscycling.

Use Safe Products

Fertilizers, herbicides, and pesticides are often carried into the storm drain by sprinkler runoff.

- Use natural and non-toxic alternatives as often as possible.
- Spot-apply, rather than blanketing entire areas.

Apply chemicals directly to the area that needs treatment.

- Read the product label and use only as directed.
- Never apply before a rain.

Use Water Wisely

Conserving water minimizes the amount of urban runoff going into the street.

- Control the amount of water and direction of sprinklers.

The average lawn only needs about an inch of water a week or 10 to 20 minutes of watering.

- Periodically inspect and fix sprinklers for leaks.

Realign sprinkler heads to make sure water is distributed onto the lawn and not onto the sidewalk.

- Plant native vegetation to reduce the need of water.

HOMEOWNERS

Keep these tips in mind when hiring professional landscapers and remind them as necessary.

Leftover pesticides, fertilizers, and herbicides contaminate landfills and should be disposed of through a Household Hazardous Waste Center*.

For more information on proper disposal, call 1 (800) OILYCAT or visit tootoxictotrash.com.

*FREE for San Bernardino County residents. Businesses can call for cost inquiries and to schedule an appointment.

To report illegal dumping or toxic spills, call (877) WASTE18 or visit tootoxictotrash.com

To dispose of hazardous waste, call 1 (800) OILYCAT

SAN BERNARDINO COUNTY STORMWATER PROGRAM

WHERE WATER MEETS COMMUNITY

DESCARGAR DESECHOS HACIA EL DRENAJE DE AGUAS PLUVIALES, ACCIDENTALMENTE O NO, PODRÍA DESENCADENAR ACCIONES POR PARTE DE LAS AUTORIDADES, INCLUYENDO MULTAS

Prácticas Sostenibles para el Mantenimiento de Jardinería

Sus acciones pueden marcar una gran diferencia en la forma en que usted mantenga su jardín. Aprenda cómo implementar prácticas ecológicas y prevenir la contaminación de las aguas pluviales.

Recicle los Residuos de Jardín

Los desechos de jardín, como la hierba y las hojas, pueden bloquear el drenaje pluvial o transportar productos químicos dañinos.

- Recicle los desechos del jardín colocándolos en su contenedor verde de desechos.
- No sople, barra, rastrille ni riegue los desechos del patio en la calle o en la cuneta.
- Intente reciclar el césped dejando los recortes sobre el césped.

Para obtener más información, visite el sitio web en inglés www.calrecycle.ca.gov/organics/grasscycling.

Use Productos Seguros

Los fertilizantes, herbicidas y pesticidas a menudo son arrastrados al drenaje pluvial a través del agua sobrante proveniente de los rociadores.

- Use alternativas naturales y no tóxicas con la mayor frecuencia posible.
- Aplique los productos en las áreas específicas que requiera tratamiento en lugar de cubrir áreas enteras.
- Lea la etiqueta del producto y use solo como se indica.
- Nunca aplique antes de una lluvia.

Use el Agua de Forma Inteligente

La conservación del agua minimiza la cantidad de escorrentía que va a la calle a través del agua sobrante.

- Controle la cantidad de agua y la dirección de los rociadores.

El césped promedio solo necesita aproximadamente una pulgada de agua por semana, incluida la lluvia, o 10 a 20 minutos de riego.

- Inspeccione y repare periódicamente los rociadores para detectar fugas y goteos.

Realíe las cabezas de los rociadores para asegurarse de que el agua se distribuya en el césped y no en la acera.

- Plante vegetación autóctona para reducir la necesidad de agua.

PROPIETARIOS

Tenga en cuenta estos consejos al contratar jardineros profesionales y haga que los mantengan presente como sea necesario.

Los pesticidas, fertilizantes y herbicidas sobrantes contaminan los vertederos y deben desecharse a través de un Centro de Residuos Domésticos Peligrosos*.

Para obtener más información sobre la forma de desechar adecuadamente residuos peligrosos, llame al 1 (800) 645-9228 o visite muytoxicoparabotar.com.

*GRATIS para los residentes del Condado de San Bernardino. Las empresas pueden llamar para consultar los costos y para programar una cita.

Para reportar desechos ilegales o derrames tóxicos, llame al (877) 927-8318 o visite muytoxicoparabotar.com

Para eliminar residuos peligrosos, llame al 1 (800) 645-9228
