## Weekly Report

April 14, 2022

### The 2022 Redlands Bicycle Classic — April 20, 2022

The 2022 Redlands Bicycle Classic is excited to announce that the initial stage of this year's race will occur on Wednesday, April 20, 2022, in the City of Highland. We would like to thank all of the residents and businesses along the course for their assistance and patience, as we bring you one of the premier cycling events in the country.

The Highland Stage is a "circuit" race, which means the cyclists will be completing numerous laps around the course. This will give you an opportunity to see them up close and cheer them on as they pass by your location. Spectators may walk along the outside of the course, however, please be sure to stay off the course itself. The riders will be exceeding 50 MPH at times, and we want to ensure your safety, as well as the safety of the riders. **With safety as our top primary concern, there will be some local street closures in place throughout the day.**

**6:00am to 4:00pm** — Eastbound Base Line between Streater Avenue and Church Street will be closed Westbound Base Line will be reduced to one lane in this location (Immanuel Baptist Church access will be via the Streater Avenue driveway only), Greenspot Road and Highland Avenue are the best alternate routes.

**8:00am to 3:00pm** — Jack Rabbit Lane between Church Street and Foxtail Way, Foxtail Way between Jack Rabbit Lane and Glenheather Drive, Glenheather Drive between Foxtail Way and Tonner Drive, Tonner Drive between Glenheather Drive and Orange Street, Orange Street between Tonner Drive and Sycamore Drive, Sycamore Drive between Orange Street and Webster Street, Webster Street between Sycamore Drive and Base Line.

**8:05am to 2:00pm** — Church Street between Base Line and Greenspot Road will be closed in both directions, Arroyo Verde traffic (including Kindergarten pickup/drop off) should access the lower parking lot using northbound Church Street from Greenspot Road. Church Street will reopen as soon as the race ends to facilitate end-of-school dismissal.

*Traffic will be impacted in the area of Highland Grove Elementary and Beattie Middle School. Use Orange Street via Greenspot Road and Webster Street via Boulder Avenue to access these schools. As race day approaches, individual schools will provide detailed instructions through recorded messages.*

*Please drive cautiously!*

If you anticipate leaving your business or residence during race time, please understand that there may be a delay, as our marshals must wait until there are no cyclists approaching before they allow you on the course. At that time, you will be allowed onto the course, but only in the direction of the race, and you will be required to exit the course at the next opportunity. Refer to the attached map to determine the direction the race will be traveling. If you are having difficulty getting to a specific location, contact one of our marshals or a law enforcement official. Our marshals will be strategically placed throughout the course to assist you in getting where you need to go. If you need to leave a residence on the course while the race is in progress, it is imperative that you seek assistance from a marshal before exiting. If possible, please park your vehicle on a street off of the course ahead of time.

For those who live on the course, temporary no parking signs will be posted several days prior to the race. For your convenience, a map of this year's course is included. The streets in bold will have parking restrictions. Vehicles must be removed from the course by 11:59 pm on Tuesday, April 19 (eight hours before the race begins). Any vehicles remaining on the course are subject to removal. Towed vehicles will be taken to the southwest parking lot of Immanuel Baptist Church. Finally, *loose dogs present a significant hazard to cyclists traveling at high speeds*. Please ensure that your pet is secured during the event.

For additional information about the Bicycle Classic, please visit our website at [www.redlandsclassic.com](http://www.redlandsclassic.com). You may also reach us via email at [info@redlandsclassic.com](mailto:info@redlandsclassic.com).

# Volunteer Services

The Highland Improvement Team needs volunteers! Now is your chance to be part of this excellent group of dedicated community volunteers. Our mission is to improve the overall environment of our city for all residents and businesses. Join us as we beautify our community and get involved today ~ Sign up as Highland's newest volunteer!

Highland Improvement Team projects are scheduled on the first Saturday of each month. Projects vary from month to month but can include:

- Residential yard cleanups for senior residents
- Residential garage cleanouts for senior residents
- Graffiti abatement
- Litter pick-up
- Park cleanups
- Special events and many more!

Join us for our annual Community Day of Services cleanup on Saturday, May 7, 2022, at Highland Community Park, 7793 Central Avenue. Volunteers can begin signing in at 8:00 a.m. The cleanup begins at 9:00 a.m. and runs through 11:00 a.m. Volunteers are needed to help with landscaping , litter pickup and painting at the park. The City will provide all tools and equipment needed. Volunteers are encouraged to bring gloves and wear a hat and sunscreen. East Valley Water District will be providing lunch for participating volunteers.

*If you should have questions or would like further information, please contact Denise Moreno, Volunteer Services Coordinator, at (909) 864-6861, extension 203.*

## Highland's Grocery Home Delivery Service Program

Applications will be accepted through April 27, 2022, for Highland's Grocery Home Delivery Service Program. Highland residents who meet income guidelines, can qualify to RECEIVE AN ANNUAL MEMBERSHIP FOR GROCERY HOME DELIVERY SERVICE. Shop from the safety of your own home and have groceries delivered straight to your doorstep!

It's easy to apply. Please contact Volunteer Services Coordinator Denise Moreno at (909) 864-6861, extension 203 or email [dmoreno@cityofhighland.org](mailto:dmoreno@cityofhighland.org) to find out if you are eligible for the program.

# Public Services

The City of Highland has established the Emergency Mortgage Assistance Program (EMAP) to assist Highland residents with mortgage delinquencies resulting from the pandemic.

## EMERGENCY MORTGAGE ASSISTANCE PROGRAM (EMAP)

This program is aimed at assisting homeowners of limited income, impacted by the pandemic, by reducing delinquent mortgage payments and/or avoiding foreclosure.

*For more information and program eligibility pre-screening, contact (909) 864-6861, extension 203 or at (909) 864-6861, extension 230.*

# Volunteer Services

## **FEEDING OUR COMMUNITY - MOBILE FOOD DISTRIBUTION**

Community Action Partnership of San Bernardino County (CAPSBC) will host a monthly mobile food distribution in the City of Highland through the end of the year. Food distribution will take place at Highland Community Park, 7793 Central Avenue from 10:00 a.m. to 2:00 p.m. on the following days:

- Wednesday, May 11
- Wednesday, June 15
- Wednesday, July 13
- Wednesday, August 10
- Wednesday, September 14
- Wednesday, October 12
- Wednesday, November 9
- Wednesday, December 7

*For more information contact CAPSBC at 909-723-1500 / [www.CAPSBC.org](http://www.CAPSBC.org) #CAPSBCCARES*

## Volunteer Services

**Funding Currently Available!!!**

The City of Highland is encouraging small businesses in Highland to apply for the Coronavirus Recovery Fund grant program. First launched in September 2021, the purpose of this program is to provide financial assistance to City-based small businesses impacted by the COVID-19 pandemic. Successful grant recipients will receive a one-time \$7,500 disbursement.

Businesses that meet these specific criteria are eligible for consideration:

- Must have a physical location within the City of Highland (store front, office, commercial structure).
- Be in good standing with the City of Highland (**current/valid business license, no outstanding code enforcement actions, or compliance orders**).
- Must have no more than 100 employees.
- Must be in existence as of August 24, 2021.

Contact Denise Moreno at (909) 864-6861, extension 203 or by email to [dmoreno@cityofhighland.org](mailto:dmoreno@cityofhighland.org) for an application and for more information.

## SOUND THE ALARM - SIGN UP FOR FREE SMOKE ALARM INSTALLATION!

The American Red Cross has started a new program. Under normal circumstances, the Red Cross partners up with volunteers to canvas neighborhoods to install free smoke alarms in homes, replace batteries in existing alarms and help families create home fire escape plans. Unfortunately, COVID has prevented them from hosting rally events of this type. The modified program is now an appointment based, "hot shot" program. This program will consist of installing FREE smoke alarms and providing home fire safety education to residents by appointment only.

The installation service and the home fire preparedness education are FREE to the resident. After signing up, a Red Cross volunteer will contact the resident to schedule the appointment.

Volunteers will be following all COVID-19 precautions before entering the home and while in the home. Working smoke alarms save lives! Install them on every level of your home and remember to test them monthly. Discover more ways to prepare and sign up for a free smoke alarm installation at [SoundTheAlarm.org/SoCal](http://SoundTheAlarm.org/SoCal)

Visit: [www.SoundTheAlarm.org/SoCal](http://www.SoundTheAlarm.org/SoCal) or call (714) 481-5334 for more information or to sign up for free smoke alarm installation. Residents belonging to San Diego, Orange, Riverside, San Bernardino, and Imperial Counties are eligible. #EndHomeFires

# Blood Drive

**Help Highland increase blood donations... Schedule your appointment today!!**

Highland's next blood drive is Monday, May 23, 2022. All blood drives will take place at the Highland Police Station, 26985 Base Line from 12:00 p.m. to 5:00 p.m.

For more information or to schedule an appointment, please contact Volunteer Services at (909) 864-6861, extension 203 or email [dmoreno@cityofhighland.org](mailto:dmoreno@cityofhighland.org).

Follow this link for appointments:

[https://giftoflife.lstream.org/donor/schedules/drive\\_schedule/98506](https://giftoflife.lstream.org/donor/schedules/drive_schedule/98506)

## Code Enforcement

### February to March 2022 Report

| VIOLATION TYPE         | CASES OPENED |
|------------------------|--------------|
| Illegal Street Vendors | 13           |
| Homeless Complaints    | 18           |
| Inoperable Vehicles    | 8            |
| Property Maintenance   | 18           |
| Graffiti               | 15           |

# Public Services

## National Prescription Drug Take Back Day

On April 30, 2022 the Drug Enforcement Administration (DEA) will give the public its 22nd opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs.

We encourage every citizen to look in their homes for any old, unused prescription medication and bring your medications for disposal to the **Highland Police Station located at 26985 Base Line Highland, CA 92346**, on Saturday, April 30th, from 10:00 a.m. to 2:00 p.m. The service is free and anonymous, no questions asked.

Americans turned in more unused prescription drugs at the most recent DEA National Prescription Drug Take-Back Day than on any of the previous twenty-one events since it began in 2010, demonstrating their understanding of the value of this service. Last year the DEA and over 4,200 of its state, local, and tribal law enforcement partners collected 744,082 pounds of unwanted medicines—about 372 tons—at almost 5,000 sites spread through all 50 states. The top five states with the largest collections, in order, were Wisconsin (57 tons); Texas (almost 56 tons); Ohio (almost 47 tons); California (almost 42 tons); and Florida (almost 33 tons).

The majority of prescription drug abusers report in surveys that they get their drugs from friends and family. Americans understand that cleaning out old prescription drugs from medicine cabinets, kitchen drawers, and bedside tables reduces accidents, thefts, and the misuse and abuse of these medicines, including the opioid painkillers that accounted for 20,808 drug overdoses—78 a day—in 2014 (the most recent statistics from the Centers for Disease Control and Prevention). 8 out of 10 new heroin users began by abusing prescription painkillers and moved to heroin when they could no longer obtain or afford those painkillers.

“These results show that more Americans than ever are taking the important step of cleaning out their medicine cabinets and making homes safe from potential prescription drug abuse or theft,” said DEA Acting Administrator Chuck Rosenberg. “Unwanted, expired, or unused prescription medications are often an unintended catalyst for addiction. Take-Back events like this raise awareness of the opioid epidemic and offer the public a safe and anonymous way to help prevent substance abuse.”

Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

For information on how to properly dispose of medications and other materials that could potentially harm the environment, such as cleaning products, paints, fertilizers/pesticides, automotive products like used motor oil and filters, please contact the City of Highland Public Services Division at (909) 864-8732, extension 271.

# Public Services

## LET'S ALL REDUCE ILLEGAL DUMPING

In a place as beautiful as Highland, every day is Earth Day! It is difficult to imagine why anyone would choose to pollute our scenic vistas and rural corridors by illegally dumping trash, but they do. If there is any possible explanation, it may be that the ones doing the dumping do not know about the many options and alternatives available – so we are here to help!

As we get new things, stuff starts to accumulate. When we move or need space, the stuff must go somewhere, but where? The first thing to remember is that one person's trash may be another's treasure. Donating useful items is one of the greatest things we can do for our community and our planet, by providing low-cost or free goods to those in need while keeping valuable resources out of the landfill. Donating is free and may even be eligible for a tax credit. Goodwill and other donation options are available through charities, thrift stores, and more.

Residents and businesses can recycle most appliances for free at the Agua Mansa Material Recovery Facility (MRF) located at 1830 Agua Mansa Road, Riverside, CA 92509 ~ (951) 786-0544 any time during business hours. Only appliances with freon coolant require a nominal disposal fee of \$13.00 per item. If you are unable to deliver them to one of our sites, ask your service hauler, Burrtec (909) 889-1969 about the bulky item pickup included with your service. Multifamily dwellings (apartments and town homes) may also be eligible for pickup services – ask your property manager!

Residents can also recycle mattresses for free, every business day at any MRF. California participates in a producer responsibility program that requires consumers to pay a small disposal fee when buying new mattresses, which funds the program and allows the MRF to provide free mattress and box spring recycling, no matter where they were purchased or how poor the condition. Residents can also recycle cardboard, glass, plastic and metal for free from residents and businesses at all MRF locations, or through your curbside recycling service.

Household hazardous waste (HHW) includes old chemicals, car batteries, fluorescent light bulbs, motor oil, sharps, antifreeze, batteries (household and auto), used oil (and filters), paint, old medication, electronic waste and medical sharps. Residents can properly dispose of these items for free at our local San Bernardino County HHW Facility located at the San Bernardino International Airport, 2824 East "W" Street, Bldg. 302.

With all these options, there is no excuse for illegally trashing Highland and the surrounding Inland Empire. It creates an eyesore, harbors pests, and invites more dumping. The tax dollars spent on cleanup by Highland, San Bernardino County, and its surrounding cities are better spent on programs that enhance our communities with public safety services and improvements.

If you witness illegal dumping taking place, call the authorities immediately. If you see a problem area, report it to Public Works at (909) 864-6861, extension 217, and if you want to volunteer for cleanups, get involved with the HIT Team (Highland Improvement Team), the HIT Team has events throughout the year, call (909) 864-6861, extension 203 for more information. These events provide free supplies and disposal and can help you earn community service credits. *For more information, please contact the Public Services Division at 909-864-8732, extension 271.*

## *What You Should Know About Street Sweeping in Highland*

1) Help us to serve you better by removing all possible obstacles from the street on your scheduled day. Although the City of Highland does not enforce street sweeping parking restrictions, we appreciate your assistance in keeping the streets clear on your scheduled day.

Parked vehicles cause the operator to swing wide to miss them. Moving vehicles off a street scheduled for sweeping allows crews to thoroughly clean the street from curb-to-curb. One parked car equals nearly three car lengths of space that can't be swept because the street sweeping equipment must leave room to avoid it. This can result in debris building up on the roadway and entering the storm drain which can cause flooding during heavy rains and contribute to water pollution.

2) In residential areas the street sweeper can sweep **anytime** from *6am to 6pm*, the day after your solid waste collection day.

3) If solid waste collection is delayed one day due to a holiday, the street sweeper will be delayed one day as well.

4) Since sweeping is done as close to the curb as possible, things like overhanging tree branches, basketball hoops, solid waste collection carts and especially parked vehicles cause the operator to swing wide to miss them. When this happens, debris is left on the street and the quality of the sweeping is reduced.

5) Street sweeping also serves as one of our Best Management Practices (BMP) to control and improve water quality.

*For more information or to report a street sweeping complaint please contact the Public Services Division at (909) 864-8732, extension 271.*

## PUBLIC WORKS

**During the period of April 4, 2022 through April 8, 2022**, graffiti was made known to Public Works staff by the following means and removed:

**Routine observation by Public Works:** Central Ave. & Base Line, Base Line & San Francisco St., Base Line & Mira Vista Ave., Webster St. & Sycamore St., 25721 Base Line, 25725 Base Line, 25899 Base Line, 25969 Base Line, 26001 Base Line, 7222 Lynwood Dr., 7223 Lynwood Dr., Highland Community Park, 5<sup>th</sup> St. alley, 5<sup>th</sup> St. & Central Ave., 7766 Sterling Ave., 7576 Sterling Ave., 9<sup>th</sup> St. & Golondrina Dr., Base Line & Olive St., Base Line & Seeley Ct., Base Line & Hillview St., Base Line & Cunningham St., 27356 Base Line, Palm Ave. & Foster St., 27447 Pacific St., Base Line & Victoria Ave., Church Ave. & Base Line, Church Ave. & Main St., Highland Ave. & Summertrail Pl.

**Hotline:** 7750 Palm Ave., Palm bridge flood control, 7081 Bangor Ave.

# HAPPY 4<sup>TH</sup> OF JULY

## 4TH OF JULY PARADE ~ REGISTRATION IS NOW OPEN!

We are excited to announce that registration is now open for our Annual Fourth of July Parade! This year's parade takes place on Monday, July 4, 2022. Participant check-in time is 7:30 a.m. and parade start time is 9:00 a.m.

Once again, the parade is **FREE** to enter and is open to all organizations, groups or individuals. We welcome marching bands, youth programs, community groups, car clubs, local businesses, and other organizations to participate.

Registration forms are available at Highland City Hall (27215 Base Line) or you may request a form to be mailed or emailed to you by contacting Volunteer Services at (909) 864-6861, extension 203 or [dmoreno@cityofhighland.org](mailto:dmoreno@cityofhighland.org)

Please return completed registration form to the City of Highland by 5:00 p.m. on Thursday, June 23, 2022.

### Submit Forms:

- In person or by mail to: City of Highland - 27215 Base Line, Highland, CA 92346
- Fax: (909) 862-3180
- Email: [dmoreno@cityofhighland.org](mailto:dmoreno@cityofhighland.org)

*Please contact Volunteer Services for more information: (909) 864-6861, extension 203.*

RELEASE/WAIVER OF LIABILITY: All parade participants will be required to complete a waiver prior to participating in the parade. Waivers will be available after registration form is received.

## WASH YOUR CAR THE ECO-FRIENDLY WAY!

When possible, wash in a professional car wash.

- 1 **Locate** the nearest storm drain and ensure that wash water does not flow into it.

- 2 **Wash** in a contained area or on grass\*, gravel or other permeable surface. Dispose of excess soapy water into the sanitary sewer (*ie. sink or toilet*) or onto grass.

- 3 **Use** eco-friendly cleaning products (*non-toxic, phosphate free or biodegradable*). Use as little soap as possible and wipe brake dust off tires with a rag before washing.

- 4 **Conserve** water by using a high pressure hose and turn off the water when not in use.

\*Some local ordinances may not allow a car to be parked on the front lawn. Check with your City's Building and Code department if you are unsure.

### How Does Eco Car Washing Help Local Waterways?

When excess wash water travels through the street it has the potential to pick up oil, grease and other chemicals along the way before it ends up in the curb, gutter and the storm drain system. **This contaminated water then travels to our creeks and the Santa Ana River making it unsafe for people and wildlife.**

To report illegal dumping, call **(877) WASTE18** or visit **[sbcountystormwater.org](http://sbcountystormwater.org)**  
To find a Hazardous Waste Facility, call **(800) OILY CAT**

# PICK UP AFTER YOUR PET

## WHY SHOULD I PICK UP?

-  Dog waste can infect children and adults with disease-causing bacteria and parasites.
-  Your dog can get infected from the waste of other dogs.
-  Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

## BAG IT AND TRASH IT!

— Steps and Tips —

- Step 1:** Keep a supply of bags tied to your dog leash.
- Step 2:** Bag the poop and tie the bag.
- Step 3:** Dispose of the tied bag properly by throwing it into a trash can.

TREE PLANTING

Thursday, April 28, 2022

9:00AM

Cunningham Park

(7400 block Cunningham,  
between Base Line & 9th Street)

We  
want  
you!

Join the  
Friends  
of the  
Highland  
Library!

## The Friends of the Highland Library would like to have YOU as a Friend!

Help us to continue supporting the  
Highland Library and our community!

### What can you do to help?

- Attend monthly Friends meetings to share ideas and plan events.
- Share your time to help organize our used book store.
- Lend a hand with fundraising to support library programs and services that benefit our community.
- Provide funding for the purchase of new books and other resources for adults, teens and children.
- Sponsor the annual library Summer Reading Program to encourage literacy and provide educational entertainment.

### Why become a member?

- Have fun and share ideas and talents to help the Friends raise funds and awareness of the library.
- Make new friends and enrich our community through service.
- Support the library in its mission to provide resources and learning opportunities for all ages.

**DISCHARGE TO THE STORM DRAIN, ACCIDENTAL OR NOT, COULD LEAD TO ENFORCEMENT ACTIONS AND FINES**

## Sustainable Practices for Landscape Maintenance

Your contributions make a difference in the way you maintain your yard. Learn how to truly be a “green” thumb and prevent stormwater pollution.

### Recycle Yard Waste

Yard waste, like grass and leaves, can block the storm drain or carry harmful chemicals into it.

- Recycle yard waste by placing them into your greenwaste container.
- Do not blow, sweep, rake, or hose yard waste into the street or catch basin.
- Try grasscycling by leaving clippings on the lawn when mowing.

For more information, visit [www.calrecycle.ca.gov/organics/grasscycling](http://www.calrecycle.ca.gov/organics/grasscycling).

### Use Safe Products

Fertilizers, herbicides, and pesticides are often carried into the storm drain by sprinkler runoff.

- Use natural and non-toxic alternatives as often as possible.
- Spot-apply, rather than blanketing entire areas.

Apply chemicals directly to the area that needs treatment.

- Read the product label and use only as directed.
- Never apply before a rain.

### Use Water Wisely

Conserving water minimizes the amount of urban runoff going into the street.

- Control the amount of water and direction of sprinklers.

The average lawn only needs about an inch of water a week or 10 to 20 minutes of watering.

- Periodically inspect and fix sprinklers for leaks.

Realign sprinkler heads to make sure water is distributed onto the lawn and not onto the sidewalk.

- Plant native vegetation to reduce the need of water.

### HOMEOWNERS

Keep these tips in mind when hiring professional landscapers and remind them as necessary.

Leftover pesticides, fertilizers, and herbicides contaminate landfills and should be disposed of through a Household Hazardous Waste Center\*.

For more information on proper disposal, call 1 (800) OILYCAT or visit [tootoxictotrash.com](http://tootoxictotrash.com).

\*FREE for San Bernardino County residents. Businesses can call for cost inquiries and to schedule an appointment.

SAN BERNARDINO COUNTY STORMWATER PROGRAM

**WHERE WATER MEETS COMMUNITY**

[sbcountystormwater.org](http://sbcountystormwater.org)

**DESCARGAR DESECHOS HACIA EL DRENAJE DE AGUAS PLUVIALES, ACCIDENTALMENTE O NO, PODRÍA DESENCADENAR ACCIONES POR PARTE DE LAS AUTORIDADES, INCLUYENDO MULTAS**

## Prácticas Sostenibles para el Mantenimiento de Jardinería

Sus acciones pueden marcar una gran diferencia en la forma en que usted mantenga su jardín. Aprenda cómo implementar prácticas ecológicas y prevenir la contaminación de las aguas pluviales.

### Recicle los Residuos de Jardín

Los desechos de jardín, como la hierba y las hojas, pueden bloquear el drenaje pluvial o transportar productos químicos dañinos.

- Recicle los desechos del jardín colocándolos en su contenedor verde de desechos.
- No sople, barra, rastrille ni riegue los desechos del patio en la calle o en la cuneta.
- Intente reciclar el césped dejando los recortes sobre el césped.

Para obtener más información, visite el sitio web en inglés [www.calrecycle.ca.gov/organics/grasscycling](http://www.calrecycle.ca.gov/organics/grasscycling).

### Use Productos Seguros

Los fertilizantes, herbicidas y pesticidas a menudo son arrastrados al drenaje pluvial a través del agua sobrante proveniente de los rociadores.

- Use alternativas naturales y no tóxicas con la mayor frecuencia posible.
- Aplique los productos en las áreas específicas que requiera tratamiento en lugar de cubrir áreas enteras.
- Lea la etiqueta del producto y use solo como se indica.
- Nunca aplique antes de una lluvia.

### Use el Agua de Forma Inteligente

La conservación del agua minimiza la cantidad de escorrentía que va a la calle a través del agua sobrante.

- Controle la cantidad de agua y la dirección de los rociadores.

El césped promedio solo necesita aproximadamente una pulgada de agua por semana, incluida la lluvia, o 10 a 20 minutos de riego.

- Inspeccione y repare periódicamente los rociadores para detectar fugas y goteos.

Realíe las cabezas de los rociadores para asegurarse de que el agua se distribuya en el césped y no en la acera.

- Plante vegetación autóctona para reducir la necesidad de agua.

### PROPIETARIOS

Tenga en cuenta estos consejos al contratar jardineros profesionales y haga que los mantengan presente como sea necesario.

Los pesticidas, fertilizantes y herbicidas sobrantes contaminan los vertederos y deben desecharse a través de un Centro de Residuos Domésticos Peligrosos\*.

Para obtener más información sobre la forma de desechar adecuadamente residuos peligrosos, llame al 1 (800) 645-9228 o visite [muytoxicoparabotar.com](http://muytoxicoparabotar.com).

\*GRATIS para los residentes del Condado de San Bernardino. Las empresas pueden llamar para consultar los costos y para programar una cita.

Para reportar desechos ilegales o derrames tóxicos, llame al (877) 927-8318 o visite [muytoxicoparabotar.com](http://muytoxicoparabotar.com)

Para eliminar residuos peligrosos, llame al 1 (800) 645-9228

## **NEWS RELEASE**

# **SoCalGas Champions Restaurant Recovery with Additional \$525,000 in Support for the Restaurants Care Resilience Fund**

*Grants will support equipment upgrades, employee retention, and deferred maintenance, for local-owned restaurants*

LOS ANGELES – April 11, 2022 – SoCalGas today announced a second \$525,000 donation to the California Restaurant Foundation's (CRF) Restaurants Care Resilience Fund. Last year, SoCalGas co-founded the Fund to help small businesses recovering from the Covid-19 pandemic and was also a leading donor, committing \$525,000 in 2021. Qualifying restaurants throughout SoCalGas' service area are encouraged to apply for a \$3,000 grant starting April 15<sup>th</sup>. These grants aim to support equipment upgrades, employee retention, and deferred maintenance, allowing small restaurants to recover after nearly two years of incurring debt, losses, and shouldering rising costs.

The [application](#) period closes on April 30.

"Restaurants and the families and employees that run them showed incredible resilience and strength as they adapted their businesses to serve all of us during the pandemic," said David Barrett, vice president and general counsel at SoCalGas and California Restaurant Foundation board member. "Last year's grants provided essential support to local restaurants as they struggled to keep their doors open. This year, grant funds will provide support for kitchens or crews, while overall supporting restaurant resiliency."

"We are honored that SoCalGas has returned as a partner for this year's Resilience Fund, and extremely grateful they identified the program as being worthy of one of their largest charitable donations planned for this year," said Alycia Harshfield, Executive Director of California Restaurant Foundation. "SoCalGas' generous contribution will help independent restaurant owners across central and southern California invest in their people, their equipment and ultimately, the long-term health and success of their business."

This year, the Restaurants Care Resilience Fund will award nearly \$1.5 million in grants to small businesses in 2022. Last year, 318 restaurants statewide received grants including Rajas con Crema, in

the City of Maywood, run by wife-and-husband team Alicia and Javier Solorzano, who opened their dream Mexican restaurant after more than 16 years in the catering business. The dishes are inspired by Alicia's travels, recipes from friends, and family, while adding her own touch.

"We are extremely thankful to the California Restaurant Fund and SoCalGas for the grant, and for creating this fund to help local restaurants," said Javier Solorzano, owner of Rajas con Crema. "Our concern was to survive, and the grant helped us give back to our community in a time of need. We were able to donate warm meals to local families while paying for our employee's time. I highly encourage other restaurants to apply for this grant, it can make all the difference."

"We are grateful to SoCalGas for their ongoing commitment to community and small businesses through this grant opportunity and many other efforts, including their food distributions in the City of Maywood and Southeast Los Angeles during the pandemic," said Maywood Mayor Heber Marquez.

Another grant recipient from 2021, Natalia Pereira of Woodspoon, a Brazilian restaurant in downtown Los Angeles said, "The Resilience Fund is such a special program on so many levels-the people and the program are wonderful, and this initiative has such an incredible impact on the restaurant community throughout the region!" Woodspoon recently received the MICHELIN Bib Gourmand award that recognizes restaurants with "value for money."

The Zagat-rated Shiro Restaurant in South Pasadena has been serving French food over 34 years and received a grant award last year. According to Shiro owner Irene Yokoi, "There are no words to express our gratitude for receiving your funds during our turmoil to cope with Covid-19 closures. It has helped us great deal especially for covering the cost of payroll."

In addition to providing financial support to restaurants, SoCalGas offers [programs](#) and services for selecting energy-efficient equipment for any commercial customer. Restaurant owners can schedule a "try before you buy" equipment demo to test-drive gas cooking equipment before making a purchase, sign up for an energy survey by a utility expert, and receive information on rebates and incentives on qualified gas cooking equipment, water heating, heat recovery products and installation of eligible energy-efficient upgrades.

Restaurants Care Resilience Fund applications will be open from April 15-30, 2022 and can be found at [www.restaurantscare.org/resilience](http://www.restaurantscare.org/resilience). Grants will be available to all California-based restaurant owners with less than three units and less than \$3 million in revenue. Priority will be given to restaurants owned by women and people of color. Last year, the Resilience Fund awarded 318 grants to independent restaurant owners, 65 percent of which were women-owned and 83 percent person of color-owned.

SoCalGas' partnership with the California Restaurant Fund is part of the company's [ASPIRE 2045](#) sustainability goals, which includes a commitment to invest \$50 million to drive positive change in diverse and underserved communities over the next five years. In addition to supporting the Restaurant Care Resilience Fund, in 2021, SoCalGas contributed \$9.6 million in total community investment, \$4.8 million to support health & human services, and \$2.3 million to education causes. In 2021, SoCalGas' Fueling Our Communities program provided over 9,800 free meals, over 2,600 grocery bags, and 2,520 restaurant gift cards totaling \$60,400 in support of 25 local restaurants.

###

### **About SoCalGas**

Headquartered in Los Angeles, [SoCalGas®](#) is the [largest gas distribution utility](#) in the United States. SoCalGas delivers affordable, reliable, and increasingly renewable gas service to 21.8 million consumers across [24,000 square miles](#) of Central and Southern California. Gas delivered through the company's pipelines will continue to play a key role in California's clean energy transition—providing electric grid reliability and supporting wind and solar energy deployment.

SoCalGas' mission is to build the [cleanest, safest and most innovative energy company in America](#). In support of that mission, SoCalGas is committed to the goal of achieving [net-zero greenhouse gas emissions](#) in its operations and delivery of energy by 2045 and to replacing 20 percent of its traditional natural gas supply to core customers with renewable natural gas (RNG) by 2030. Renewable natural gas is made from waste created by dairy farms, landfills, and wastewater treatment plants. SoCalGas is also committed to investing in its gas delivery infrastructure while keeping bills affordable for customers. SoCalGas is a subsidiary of [Sempra](#) (NYSE: SRE), an energy services holding company based in San Diego.

For more information visit [socalgas.com/newsroom](https://socalgas.com/newsroom) or connect with SoCalGas on [Twitter](#) (@SoCalGas), [Instagram](#) (@SoCalGas) and [Facebook](#).

### **About the California Restaurant Foundation (CRF):**

California is home to more than 90,000 eating and drinking places that ring up more than \$72 billion in sales and employ more than 1.6 million workers, making restaurants an indisputable driving force in the state's economy. The California Restaurant Foundation is a non-profit that empowers and invests in California's restaurant workforce. Founded in 1981, CRF supports the restaurant community through relief grants for restaurant workers facing a hardship, job and life skills training for 13,500 high school students each year, and scholarships. For more information visit [www.calrestfoundation.org](http://www.calrestfoundation.org).
