

City of Highland Weekly Report

April 28, 2022

Volunteer Services

please
JOIN US

Join us for our annual Community Day of Services cleanup on Saturday, May 7, 2022, at Highland Community Park, 7793 Central Avenue. Volunteers can begin signing in at 8:00 a.m. The cleanup begins at 9:00 a.m. and runs through 11:00 a.m. Volunteers are needed to help with landscaping, litter pickup and painting at the park.

The City will provide all tools and equipment needed. Volunteers are encouraged to bring gloves and wear a hat and sunscreen. East Valley Water District will be providing lunch for participating volunteers.

The Highland Improvement Team needs volunteers! Now is your chance to be part of this excellent group of dedicated community volunteers. Our mission is to improve the overall environment of our city for all residents and businesses. Join us as we beautify our community and get involved today ~ Sign up as Highland's newest volunteer!

Highland Improvement Team projects are scheduled on the first Saturday of each month. Projects vary from month to month but can include:

- Residential yard cleanups for senior residents
- Residential garage cleanouts for senior residents
- Graffiti abatement
- Litter pick-up
- Park cleanups
- Special events and many more!

If you should have questions or would for further information, please contact Denise Moreno, Volunteer Services Coordinator, at (909) 864-6861, extension 203.

Public Services

DEA NATIONAL ^{Rx}
TAKEBACK
Saturday, April 30
10AM - 2PM

National Prescription Drug Take Back Day

On April 30, 2022 the Drug Enforcement Administration (DEA) will give the public its 22nd opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. We encourage every citizen to look in their homes for any old, unused prescription medication and bring your medications for disposal to the **Highland Police Station located at 26985 Base Line Highland, CA 92346**, on Saturday, April 30th, from 10:00 a.m. to 2:00 p.m. The service is free and anonymous, no questions asked.

Americans turned in more unused prescription drugs at the most recent DEA National Prescription Drug Take-Back Day than on any of the previous twenty-one events since it began in 2010, demonstrating their understanding of the value of this service. Last year the DEA and over 4,200 of its state, local, and tribal law enforcement partners collected 744,082 pounds of unwanted medicines—about 372 tons—at almost 5,000 sites spread through all 50 states. The top five states with the largest collections, in order, were Wisconsin (57 tons); Texas (almost 56 tons); Ohio (almost 47 tons); California (almost 42 tons); and Florida (almost 33 tons).

The majority of prescription drug abusers report in surveys that they get their drugs from friends and family. Americans understand that cleaning out old prescription drugs from medicine cabinets, kitchen drawers, and bedside tables reduces accidents, thefts, and the misuse and abuse of these medicines, including the opioid painkillers that accounted for 20,808 drug overdoses—78 a day—in 2014 (the most recent statistics from the Centers for Disease Control and Prevention). 8 out of 10 new heroin users began by abusing prescription painkillers and moved to heroin when they could no longer obtain or afford those painkillers.

“These results show that more Americans than ever are taking the important step of cleaning out their medicine cabinets and making homes safe from potential prescription drug abuse or theft,” said DEA Acting Administrator Chuck Rosenberg. “Unwanted, expired, or unused prescription medications are often an unintended catalyst for addiction. Take-Back events like this raise awareness of the opioid epidemic and offer the public a safe and anonymous way to help prevent substance abuse.”

Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

For information on how to properly dispose of medications and other materials that could potentially harm the environment, such as cleaning products, paints, fertilizers/pesticides, automotive products like used motor oil and filters, please contact the City of Highland Public Services Division at (909) 864-8732, extension 271.

REPETE'S WISDOM OF THE WEEK

Did you know that your SEWER DRAIN and your STREET (STORM) drain are different??

Sink and toilet water goes into a sewer drain and flows to a wastewater treatment plant before it's cleaned and released into waterways like rivers, lakes, and the ocean. THE DIFFERENCE is there's no cleaning of dirty water before it flows into waterways from street (storm) drains. The dirty water and debris, like grass clippings and leaves, can hurt fish, plants, and other aquatic life by polluting the water where they live.

Ideas to Prevent Street (Storm) Drain Pollution:

- ◆ Sweep driveways clean instead of using water.
- ◆ Minimize the amount of fertilizer you use.
- ◆ Eliminate piles of grass, leaves, and other debris in the street.
- ◆ Adjust sprinklers to prevent leaking water from flowing into the street.
- ◆ Go to a car wash where water is cleaned before it goes into waterways.
- ◆ Keep items like oil and chemicals out of gutters and storm drains.
- ◆ Use cat litter to clean up oil on driveways and sidewalks.
- ◆ Clean up after your pets and dispose of waste in a garbage can or toilet.

SMALL BUSINESS GRANTS

Funding Currently Available!!!

The City of Highland is encouraging small businesses in Highland to apply for the Coronavirus Recovery Fund grant program. First launched in September 2021, the purpose of this program is to provide financial assistance to City-based small businesses impacted by the COVID-19 pandemic. Successful grant recipients will receive a one-time \$7,500 disbursement.

Businesses that meet these specific criteria are eligible for consideration:

- Must have a physical location within the City of Highland (store front, office, commercial structure).
- Be in good standing with the City of Highland (**current/valid business license, no outstanding code enforcement actions, or compliance orders**).
- Must have no more than 100 employees.
- Must be in existence as of August 24, 2021.

Contact Denise Moreno at (909) 864-6861, extension 203 or by email to dmoreno@cityofhighland.org for an application and for more information.

Help Highland Increase Blood Donations...
Schedule your appointment today!!

Highland's next blood drive is Monday, May 23, 2022. All blood drives will take place at the Highland Police Station, 26985 Base Line from 12:00 p.m. to 5:00 p.m. For more information or to schedule an appointment, please contact Volunteer Services at (909) 864-6861, extension 203 or email dmoreno@cityofhighland.org.

Public Works

During the period of April 18, 2022 through April 22, 2022, graffiti was made known to Public Works staff by the following means and removed:

Routine observation by Public Works: 27389 Main St., McKinley Ave. & 9th St., 4th St. & Del Rosa Dr., 8006 Church Ave., 8008 Church Ave., 27170 5th St., Base Line & Guthrie St., Byron St. & Argyle Ave., Base Line & Seeley Ct., Victoria Ave. & Knob Hill Dr.

Hotline: 26001 Base Line

Administration

Build A Kit

After an emergency, you may need to survive on your own for several days. Being prepared means having your own food, water, and other supplies to last for several days. A disaster supplies kit is a collection of basic items your household may need in the event of an emergency. Make sure your emergency kit is stocked with the items on the checklist below. Once you take a look at the basic items consider what unique needs your family might have, such as supplies for pets or seniors.

Basic Disaster Supplies Kit

To assemble your kit store items in airtight plastic bags and put your entire disaster supplies kit in one or two easy-to-carry containers such as plastic bins or a duffel bag. A basic emergency supplies kit could include the following recommended items:

- ◆ Water (one gallon per person per day for several days, for drinking and sanitation)
- ◆ Food (at least a three-day supply of non-perishable food)
- ◆ Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert
- ◆ Flashlight
- ◆ First aid kit
- ◆ Extra batteries
- ◆ Whistle to signal for help
- ◆ Dust mask to help filter contaminated air
- ◆ Plastic sheeting and duct tape to shelter in place
- ◆ Moist towelettes, garbage bags and plastic ties for personal sanitation
- ◆ Wrench or pliers to turn off utilities
- ◆ Manual can opener for food
- ◆ Local maps
- ◆ Cell phone with chargers and a backup battery

Public Services

What You Should Know About Street Sweeping in Highland

1) Help us to serve you better by removing all possible obstacles from the street on your scheduled day. Although the City of Highland does not enforce street sweeping parking restrictions, we appreciate your assistance in keeping the streets clear on your scheduled day.

Parked vehicles cause the operator to swing wide to miss them. Moving vehicles off a street scheduled for sweeping allows crews to thoroughly clean the street from curb-to-curb. One parked car equals nearly three car lengths of space that can't be swept because the street sweeping equipment must leave room to avoid it. This can result in debris building up on the roadway and entering the storm drain which can cause flooding during heavy rains and contribute to water pollution.

2) In residential areas the street sweeper can sweep **anytime** from 6 a.m. to 6 p.m., the day after your solid waste collection day.

3) If solid waste collection is delayed one day due to a holiday, the street sweeper will be delayed one day as well.

4) Since sweeping is done as close to the curb as possible, things like overhanging tree branches, basketball hoops, solid waste collection carts and especially parked vehicles cause the operator to swing wide to miss them. When this happens, debris is left on the street and the quality of the sweeping is reduced.

5) Street sweeping also serves as one of our Best Management Practices (BMP) to control and improve water quality.

For more information or to report a street sweeping complaint please contact the Public Services Division at (909) 864-8732, extension 271.

SENIORS WANTED!

Are you a Highland resident and sixty (60) years of age or older? If so, then you are eligible to receive a senior discount on trash service. Senior citizen rates are equivalent to a twenty percent (20%) discount to the individuals who meet the following criteria:

- A. Over sixty (60) years of age
 - B. Residing as head of household
 - C. Single Family residence only
- Note: proof of items a-c is required**

For more information on the senior discount please contact Burrtec Waste Industries, Inc. at (909) 889-1969. For general information regarding solid waste and/or recycling services in the City of Highland, please contact Public Services Division at (909) 864-8732, extension 271.

Refuse Collection Information — Containers must be placed at the curb for service by 5:30 a.m. the day of collection to ensure service. Between collection days residents are encouraged to store carts on your property, either in garages or behind fences.

WASH YOUR CAR THE ECO-FRIENDLY WAY!

When possible, wash in a professional car wash.

- 1 **Locate** the nearest storm drain and ensure that wash water does not flow into it.

- 2 **Wash** in a contained area or on grass*, gravel or other permeable surface. Dispose of excess soapy water into the sanitary sewer (*ie. sink or toilet*) or onto grass.

- 3 **Use** eco-friendly cleaning products (*non-toxic, phosphate free or biodegradable*). Use as little soap as possible and wipe brake dust off tires with a rag before washing.

- 4 **Conserve** water by using a high pressure hose and turn off the water when not in use.

*Some local ordinances may not allow a car to be parked on the front lawn. Check with your City's Building and Code department if you are unsure.

How Does Eco Car Washing Help Local Waterways?

When excess wash water travels through the street it has the potential to pick up oil, grease and other chemicals along the way before it ends up in the curb, gutter and the storm drain system. **This contaminated water then travels to our creeks and the Santa Ana River making it unsafe for people and wildlife.**

To report illegal dumping, call **(877) WASTE18** or visit **sbcountystormwater.org**

To find a Hazardous Waste Facility, call **(800) OILY CAT**

Big Bear • Chino • Chino Hills • Colton • Fontana • Grand Terrace • Highland • Loma Linda • Montclair • Ontario • Rancho Cucamonga
Redlands • Rialto • San Bernardino • San Bernardino County • San Bernardino County Flood Control District • Upland • Yucaipa

PICK UP AFTER YOUR PET

WHY SHOULD I PICK UP?

Dog waste can infect children and adults with disease-causing bacteria and parasites.

Your dog can get infected from the waste of other dogs.

Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

BAG IT AND TRASH IT!

— Steps and Tips —

Step 1: Keep a supply of bags tied to your dog leash.

Step 2: Bag the poop and tie the bag.

Step 3: Dispose of the tied bag properly by throwing it into a trash can.

NEED A

NEWS RELEASE

SoCalGas Champions Restaurant Recovery with Additional \$525,000 in Support for the Restaurants Care Resilience Fund

Grants will support equipment upgrades, employee retention, and deferred maintenance, for local-owned restaurants

LOS ANGELES – April 11, 2022 – SoCalGas today announced a second \$525,000 donation to the California Restaurant Foundation's (CRF) Restaurants Care Resilience Fund. Last year, SoCalGas co-founded the Fund to help small businesses recovering from the Covid-19 pandemic and was also a leading donor, committing \$525,000 in 2021. Qualifying restaurants throughout SoCalGas' service area are encouraged to apply for a \$3,000 grant starting April 15th. These grants aim to support equipment upgrades, employee retention, and deferred maintenance, allowing small restaurants to recover after nearly two years of incurring debt, losses, and shouldering rising costs.

The [application](#) period closes on April 30.

"Restaurants and the families and employees that run them showed incredible resilience and strength as they adapted their businesses to serve all of us during the pandemic," said David Barrett, vice president and general counsel at SoCalGas and California Restaurant Foundation board member. "Last year's grants provided essential support to local restaurants as they struggled to keep their doors open. This year, grant funds will provide support for kitchens or crews, while overall supporting restaurant resiliency."

"We are honored that SoCalGas has returned as a partner for this year's Resilience Fund, and extremely grateful they identified the program as being worthy of one of their largest charitable donations planned for this year," said Alycia Harshfield, Executive Director of California Restaurant Foundation. "SoCalGas' generous contribution will help independent restaurant owners across central and southern California invest in their people, their equipment and ultimately, the long-term health and success of their business."

This year, the Restaurants Care Resilience Fund will award nearly \$1.5 million in grants to small businesses in 2022. Last year, 318 restaurants statewide received grants including Rajas con Crema, in

the City of Maywood, run by wife-and-husband team Alicia and Javier Solorzano, who opened their dream Mexican restaurant after more than 16 years in the catering business. The dishes are inspired by Alicia's travels, recipes from friends, and family, while adding her own touch.

"We are extremely thankful to the California Restaurant Fund and SoCalGas for the grant, and for creating this fund to help local restaurants," said Javier Solorzano, owner of Rajas con Crema. "Our concern was to survive, and the grant helped us give back to our community in a time of need. We were able to donate warm meals to local families while paying for our employee's time. I highly encourage other restaurants to apply for this grant, it can make all the difference."

"We are grateful to SoCalGas for their ongoing commitment to community and small businesses through this grant opportunity and many other efforts, including their food distributions in the City of Maywood and Southeast Los Angeles during the pandemic," said Maywood Mayor Heber Marquez.

Another grant recipient from 2021, Natalia Pereira of Woodspoon, a Brazilian restaurant in downtown Los Angeles said, "The Resilience Fund is such a special program on so many levels-the people and the program are wonderful, and this initiative has such an incredible impact on the restaurant community throughout the region!" Woodspoon recently received the MICHELIN Bib Gourmand award that recognizes restaurants with "value for money."

The Zagat-rated Shiro Restaurant in South Pasadena has been serving French food over 34 years and received a grant award last year. According to Shiro owner Irene Yokoi, "There are no words to express our gratitude for receiving your funds during our turmoil to cope with Covid-19 closures. It has helped us great deal especially for covering the cost of payroll."

In addition to providing financial support to restaurants, SoCalGas offers [programs](#) and services for selecting energy-efficient equipment for any commercial customer. Restaurant owners can schedule a "try before you buy" equipment demo to test-drive gas cooking equipment before making a purchase, sign up for an energy survey by a utility expert, and receive information on rebates and incentives on qualified gas cooking equipment, water heating, heat recovery products and installation of eligible energy-efficient upgrades.

Restaurants Care Resilience Fund applications will be open from April 15-30, 2022 and can be found at www.restaurantscare.org/resilience. Grants will be available to all California-based restaurant owners with less than three units and less than \$3 million in revenue. Priority will be given to restaurants owned by women and people of color. Last year, the Resilience Fund awarded 318 grants to independent restaurant owners, 65 percent of which were women-owned and 83 percent person of color-owned.

SoCalGas' partnership with the California Restaurant Fund is part of the company's [ASPIRE 2045](#) sustainability goals, which includes a commitment to invest \$50 million to drive positive change in diverse and underserved communities over the next five years. In addition to supporting the Restaurant Care Resilience Fund, in 2021, SoCalGas contributed \$9.6 million in total community investment, \$4.8 million to support health & human services, and \$2.3 million to education causes. In 2021, SoCalGas' Fueling Our Communities program provided over 9,800 free meals, over 2,600 grocery bags, and 2,520 restaurant gift cards totaling \$60,400 in support of 25 local restaurants.

###

About SoCalGas

Headquartered in Los Angeles, [SoCalGas®](#) is the [largest gas distribution utility](#) in the United States. SoCalGas delivers affordable, reliable, and increasingly renewable gas service to 21.8 million consumers across [24,000 square miles](#) of Central and Southern California. Gas delivered through the company's pipelines will continue to play a key role in California's clean energy transition—providing electric grid reliability and supporting wind and solar energy deployment.

SoCalGas' mission is to build the [cleanest, safest and most innovative energy company in America](#). In support of that mission, SoCalGas is committed to the goal of achieving [net-zero greenhouse gas emissions](#) in its operations and delivery of energy by 2045 and to replacing 20 percent of its traditional natural gas supply to core customers with renewable natural gas (RNG) by 2030. Renewable natural gas is made from waste created by dairy farms, landfills, and wastewater treatment plants. SoCalGas is also committed to investing in its gas delivery infrastructure while keeping bills affordable for customers. SoCalGas is a subsidiary of [Sempra](#) (NYSE: SRE), an energy services holding company based in San Diego.

For more information visit socalgas.com/newsroom or connect with SoCalGas on [Twitter](#) (@SoCalGas), [Instagram](#) (@SoCalGas) and [Facebook](#).

About the California Restaurant Foundation (CRF):

California is home to more than 90,000 eating and drinking places that ring up more than \$72 billion in sales and employ more than 1.6 million workers, making restaurants an indisputable driving force in the state's economy. The California Restaurant Foundation is a non-profit that empowers and invests in California's restaurant workforce. Founded in 1981, CRF supports the restaurant community through relief grants for restaurant workers facing a hardship, job and life skills training for 13,500 high school students each year, and scholarships. For more information visit www.calrestfoundation.org.

In a home fire,
can your family
safely escape in
just 2 minutes?

Home fires claim seven lives every day, but together we can help change that.

The American Red Cross is offering **free** home fire safety information and smoke alarm installations in your community!

To register for an appointment, see link and phone number at the bottom of this flyer. We will contact you when we have a team ready to install in your area. Our install teams have been vaccinated and will follow COVID-19 guidelines.

Join our national movement and pledge to keep your family safe against home fires.

Economic Development

SAN BERNARDINO COUNTY

MICROBUSINESS

COVID-19 RELIEF GRANT

Award Amount: \$2,500

What is the San Bernardino County Microbusiness COVID-19 Relief Grant Program?

The San Bernardino County Microbusiness COVID Relief Grant is designed to assist businesses that have experienced economic barriers due to the effects of the global pandemic.

What are the Grant requirements?

- Businesses & Non-Profits located within the San Bernardino County boundaries
- 5 or less full-time employees
- Gross Revenues of less than \$50,000 in 2019 Tax Year or 2020 Tax Year
- Did not receive the California Relief Grant issued by Lendistry

SOURCE: GUIDELINES SET BY THE STATE OF CALIFORNIA

How can I use the funds?

- Renewal of local permits to operate (i.e. sidewalk vendor, etc.)
- Payment of business debt accrued during pandemic.
- The purchase of new certified equipment.

How do I apply and is there a deadline?

Applications open on 2/28/2022 and will remain open until funds are exhausted.
