HIGHLAND IMPROVEMENT TEAM (HIT) SUCCESSFUL COMMUNITY DAY OF SERVICE!!!

We had over 80 volunteers join us this past Saturday for our annual Community Day of Service cleanup. Volunteers who participated included members of the Highland Improvement Team, the Church of Latter-day Saints including both the Highland's (west Highland) and City Creek (east Highland) wards, as well as volunteers from our local High Schools, including Key Club members.

Volunteers helped with various painting projects at Highland Community Park as well as picking up litter in the complex. Some of the completed projects included painting the baseball backstops, gazebo pillars, roll up doors, interior restroom walls, metal entrance gates, metal trash cans and red (no parking) curb. As a token of appreciation for giving back to the community, East Valley Water District provided lunch for everyone who participated. We thank everyone involved for their support of the Highland community.

Join us for the next Highland Improvement Team project which is scheduled for Saturday, June 4, 2022 from 7 a.m. to 11 a.m.

For information about the next cleanup or any other questions, please contact Denise Moreno, Volunteer Services Coordinator, at 909-864-6861 extension 203.

Thank You!

TAKING OUT THE TRASH — IS YOUR CONTAINER DAMAGED?

A chore almost no one likes. Bins that are broken in the middle, are missing wheels, have cracked lids or have no lids at all can make this bit of domestic drudgery worse by the condition of the bin. **Is your container damaged** (i.e., broken, or missing lid/wheels or cracks/holes in the container)? Containers damaged because of normal use will be replaced or repaired free of charge.

Note: When you are finished grilling, let the coals completely cool for at least 48 – 72 hours before disposing in a metal container then placing them in the trash. **NEVER place hot coals/ashes in the refuse/recycling barrels.** If containers have been deliberately destroyed or vandalized by the resident/homeowner there will be a replacement charge. Automated containers are the property of the City's franchised hauler. They are provided to each household, but they do not belong to the resident or property owner.

For more information, please contact **Burrtec Waste Industries, Inc.** at (909) 889-1969. For general information regarding solid waste and/or recycling services in the City of Highland, please contact Public Services Division at (909) 864-8732, extension 271.

SENIORS WANTED!

Are you a Highland resident and sixty (60) years of age or older? If so, then you are eligible to receive a senior discount on trash service. Senior citizen rates are equivalent to a twenty percent (20%) discount to the individuals who meet the following criteria:

- A. Over sixty (60) years of age
 - B. Residing as head of household
 - C. Single Family residence only
- Note: proof of items a-c is required**

For more information on the senior discount please contact Burrtec Waste Industries, Inc. at (909) 889-1969. For general information regarding solid waste and/or recycling services in the City of Highland, please contact Public Services Division at (909) 864-8732, extension 271.

Refuse Collection Information

Containers must be placed at the curb for service by 5:30 a.m. the day of collection to ensure service. Between collection days residents are encouraged to store carts on your property, either in garages or behind fences.

Street Sweeping

The street sweeper in residential areas can sweep anytime from 6 a.m. to 6 p.m., the next business day after your trash day. If trash pickup is delayed one day due to a holiday, the street sweeper will be delayed one day as well. Residents are encouraged to move parked vehicles from the street on sweeping day to ensure clean streets for Highland.

Stormwater Pollution

Anything thrown, swept or poured into the gutter or catch basin can flow directly into our creeks and eventually the ocean. This includes pollutants like trash, pet waste, cigarette butts, motor oil, anti-freeze, pesticides and fertilizers, paint from brushes, containers rinsed in the gutter and toxic household chemicals. Unlike sewage, which goes to a treatment plant, stormwater pollution flows untreated through the storm drain system. Contaminated runoff pollutes our drinking water and waterways, making them unsafe for people and wildlife.

For more information please contact the Public Services Division at (909) 864-8732, extension 271.

PICK UP AFTER YOUR PET

Step 1

Step 2

Step 3

WHY SHOULD I PICK UP?

Dog waste can infect children and adults with disease-causing bacteria and parasites.

Your dog can get infected from the waste of other dogs.

Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

BAG IT AND TRASH IT!

— Steps and Tips —

Step 1: Keep a supply of bags tied to your dog leash.

Step 2: Bag the poop and tie the bag.

Step 3: Dispose of the tied bag properly by throwing it into a trash can.

HOT WEATHER

TIPS

DANGER SIGNS

Hot weather can be dangerous and even deadly. Precautions must be taken to ensure health and safety during our summer months. A person suffering from the heat may not realize it. Be aware of the warning signs of heat related illness, which include:

- Heat cramps: Painful muscle contractions, usually in the hamstring muscles.
- Heat exhaustion: Dizziness, fatigue, headache, rapid/weak pulse, pale or clammy skin.
- Heatstroke: Hot/dry/flushed skin, high body temperature, rapid heartbeat and confusion.

PREVENTION TIPS

- Drink plenty of water. Carry a bottle with you when you are away from home.
- Wear loose fitting cotton clothing and hats with wide brims and carry an umbrella.
- Check with your doctor. Heat may affect your reaction to certain medications.
- Keep electric lights low or off, shades drawn and blinds closed and limit oven use.
- Stay in well-ventilated areas. Circulation of air helps you keep cool.
- Open a window or turn on a fan or air conditioner.
- Have a friend check up on you at different times of the day when it is very hot.
- Eat light meals and avoid alcohol and caffeine.
- Plan ahead so your outside activities are during the coolest part of the day.
- Avoid unnecessary activity and being in direct sunlight or a hot environment.
- Take your time. Do not run around in a hurry.
- Never wait in a car or leave people or pets in a car.
- Remember, excessive heat exposure can result in illness or death!
