BLOOD DONATIONS URGENTLY NEEDED!!!

Local hospitals do not have enough blood for patient care. Blood donations are URGENTLY needed now to protect lifesaving treatments in your community! LifeStream is urging all who are able, to donate immediately.

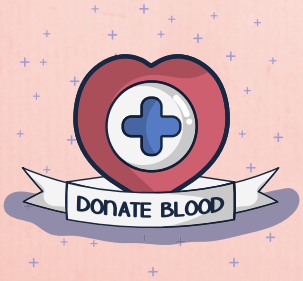

SAN BERNARDINO, CALIF – Officials at LifeStream Blood Bank, which provides blood products and services to more than 80 Southern California hospitals, are desperately urging residents to help the community battle back against a severe blood shortage that threatens local patients.

“Area hospitals do not have enough blood on their shelves to treat patients in need,” said Dr. Rick Axelrod, LifeStream’s president/CEO and medical director. “All blood types are desperately needed. Our type O supply has taken a considerable hit, reaching historic low levels. This is extremely alarming, especially in the summer months, which is already a challenging time for blood collection. We are making an immediate call to action. Hospitals will cancel needed surgeries for adults and children if collections continue to decline.”

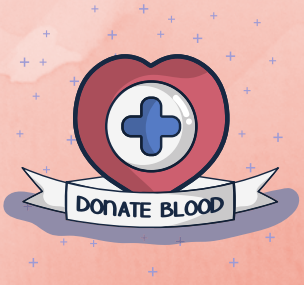

To fulfill patient need, LifeStream must collect at least 500 blood donations daily. LifeStream has fixed-site donor centers in San Bernardino, Riverside, Ontario, Victorville, Murrieta, La Quinta, Rancho Mirage, Placentia, and Hemet and conducts mobile drives throughout its service area.

“This critical shortage puts patient care at risk, and we ask our community to stand with those patients and their loved ones by ‘rolling up a sleeve’ and sharing their most precious gift,” continued Dr. Axelrod. “Just one pint of blood can save three lives. By donating, you can bring hope to many local families and their loved ones. Your donation will save a life.”

Come out and help Highland increase blood donations...schedule your appointment today for our November blood drive! Visit this link to reserve an appointment: https://giftoflife.lstream.org/donor/schedules/drive_schedule/98510 Appointments are recommended, but walk-ins are welcome,

FAQs

Residential Food Waste Recycling Program

Am I required to participate?

Yes. This is a California law that requires all residents, multi-family tenants, and commercial businesses to participate in food waste recycling in order to comply with Senate Bill 1383.

Will plastic bags be supplied?

Customers will be required to use their own bags. Bags do not need to be compostable or biodegradable.

What is the benefit of recycling food waste?

Your recycling efforts contribute to the reduction of greenhouse gas emissions in landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

I already backyard compost, do I have to participate?

We encourage you to continue backyard composting. Organic items not suitable for backyard compost can be recycled through this program.

Can I use my garbage disposal instead?

No need to change your current garbage disposal use. Food currently being discarded in your trash barrel should now be bagged and placed in your green waste barrel.

What items are acceptable?

Fruits, vegetables, meats, seafood, dairy, eggshells, bread, food scraps, food soiled paper, plate scrapings, and expired food.

What items are not acceptable?

Trash, styrofoam, liquids, glass, plastic, metal, diapers, pet waste, electronic waste, and hazardous waste.

HOW TO COLLECT
FOOD WASTE AT HOME

1 COLLECT

Begin collecting food waste separate from your other trash and recycling. This includes: fruits, vegetables, meats, seafood, bread, dairy, eggshells, coffee, plate scrapings, peels, rinds, food soiled paper, and expired food.

2 ADD & SECURE

Add food waste to its own separate plastic-lined container. Store it in a convenient place, such as on your countertop, in your refrigerator or under your sink. Secure your plastic bag by tying it off. Remember, bags do not have to be compostable or biodegradable. They can be any color. We encourage you to re-use bags you may already have such as bread bags and produce bags.

3 DISCARD

Place your bagged food waste into your green barrel, along with your green waste. Continue using your green waste barrel as usual. Remember, food waste no longer belongs in your trash barrel.

BAG IT AND TRASH IT!

Steps and Tips

WHY SHOULD I PICK UP?

- Dog waste can infect children and adults with disease-causing bacteria and parasites.
- Your dog can get infected from the waste of other dogs.
- Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

Step 1: Keep a supply of bags tied to your dog leash.

Step 2: Bag the poop and tie the bag.

Step 3: Dispose of the tied bag properly by throwing it into a trash can.

How to Safely Dispose Sharps

EFFECTIVE JULY 1, 2021

SAN BERNARDINO COUNTY RESIDENTS can safely dispose of their used SHARPS in a 2 gallon or smaller, heavy-duty, plastic container as an alternative to plastic bio-hazard sharps containers at participating Household Hazardous Waste Collection facilities.

Containers should only contain needles, lancets, and syringes with a needle attached that must be completely spent (no liquid remaining, including EpiPens).

HOW TO CREATE YOUR OWN CONTAINER:

- Place sharps into an Approved Sharps Container or 2 gallon or smaller heavy-duty plastic container
- Do not use food product containers
- Must have a screw-top and puncture resistant lid
- Made of thick plastic
- 2 gallons or less
- Leak-resistant
- Remain upright when standing
- Place printed Bio-Hazard Label on both sides
- When ¾ filled, secure lid, and tape the container closed

DO NOT USE FOR SHARPS:

Print FREE labels by visiting Greensb.net

Preprinted labels are available at HHW collection facilities

Cómo desechar las agujas de forma segura

EFECTIVO EL 1 DE JULIO 2021

LOS RESIDENTES DEL CONDADO DE SAN BERNARDINO pueden desechar de manera segura sus agujas usadas en un recipiente de plástico resistente de 2 galones, o más pequeño como alternativa a los recipientes de plástico para objetos punzantes con riesgo biológico en los Centros participantes de Colección para desechos peligrosos del hogar.

Los recipientes solo deben contener agujas, lancetas y jeringas con una aguja adjunta que debe gastarse por completo (Sin residuo líquido incluyendo los EpiPens).

COMO CREAR SU PROPIO CONTENEDOR:

- Coloque las agujas en un recipiente para objetos punzantes aprobado o en un recipiente de plástico resistente de 2 galones o más pequeño
- No utilice envases de productos para alimentos
- Debe tener una tapa de rosca y resistente a los pinchazos
- Hecho de plástico grueso
- 2 galones o menos
- Resistente a fugas
- Permanezca erguido cuando esté de pie
- Coloque la etiqueta impresa de peligro biológico en ambos lados
- Cuando esté lleno 3/4, cierre la tapa y pegue el recipiente con cinta adhesiva para mantener el contenedor cerrado

NO UTILIZAR PARA AGUJAS :

Para imprimir etiquetas GRATIS visite Greensb.net

Las etiquetas preimpresas están disponibles en los Centros de Colección para desechos peligrosos del hogar

NEWS RELEASE

New Eligibility Guidelines Open SoCalGas Energy Savings Assistance Program to More Customers

Recently enacted California law increases customer access to no-cost energy-saving home improvements which support SoCalGas' efforts to lead the transition to a clean energy system

LOS ANGELES (July 6, 2022) – Southern California Gas Co. (SoCalGas) announced that as of July 1, 2022, more customers will now be eligible for no-cost energy-saving home improvements through the Energy Savings Assistance Program. The new guidelines expand eligibility criteria for customers whose income is up to 250% of federal poverty guidelines, compared to the previous criteria of up to 200%. A family of four that earns up to $69,375, will now be eligible for no-cost energy efficiency upgrades. The previous income eligibility guidelines were up to $55,500 for a family of four.

The ESA program provides attic insulation, furnace repair or replacement, clothes washer, water heater repair or replacement, water heater blankets, door weather stripping, caulking, low-flow showerheads, faucet aerators, minor repairs to doors and windows, and other services to eligible customers.

Customers could save up to 20% annually on their natural gas bill depending on the energy efficiency upgrades performed. More than 1.6 million homes have been enrolled in the program since 2002.

Customers can qualify for the Energy Savings Assistance Program based on having one individual in the home who falls under the income guidelines or participates in a public assistance program like Medi-Cal/Medicaid, CalFresh, the National School Lunch Program, among others. The program is open to renters and homeowners, and income levels are updated annually to adjust for federal poverty guidelines.

"SoCalGas is leading the transition to a more resilient energy future by providing customers with affordable, more sustainable energy. Through the Energy Savings Assistance Program, we can offer long-term, energy-efficient home improvements to customers that will lower their costs and reduce a household's environmental footprint. The program's expanded guidelines will allow more SoCalGas customers to save energy and save money and help us collectively reach clean energy goals," said Brian Prusnek, SoCalGas' Director of Customer Programs and Assistance.

The Energy Savings Assistance Program's revised income guidelines were the result of Senate Bill 756, authored by San Diego Senator Ben Hueso (D-40). "The ESA program is an important tool for our state in the fight against climate change," said Senator Hueso. "Energy efficiency upgrades reduce energy utility bills, increase a family's quality of life and comfort, support economic development, and move the state closer toward its climate goals. However, the ESA program budgets are routinely not fully expended – often with hundreds of millions of dollars remaining unspent each year. This new law will remedy that by expanding eligibility to include more low-income customers."

"My family and I are very happy and grateful for the weatherization repairs SoCalGas and their contractor ACSGROUP provided to our home," said Veronica Medrano, a SoCalGas customer from Montclair. "We received a new furnace, and they installed a new water heater and we also qualified for a new washing machine. Our home is now more energy efficient. This program has changed our lives."

Another SoCalGas customer assistance program is the California Alternative Rates for Energy (CARE) program, which will continue to provide a 20% discount on the monthly natural gas bill for customers who participate in certain public assistance programs or fall within 200% of federal poverty guidelines. A family of four that earns up to $55,500 is now eligible for the discount.

To learn about SoCalGas' customer assistance programs, including the CARE program, or to sign up for the Energy Savings Assistance Program, visit socalgas.com/assistance or call (800) 331-7593. Information is available in the following languages: Chinese, Hmong, Korean, Russian, Spanish, and Vietnamese.

About SoCalGas

Headquartered in Los Angeles, SoCalGas® is the largest gas distribution utility in the United States. SoCalGas delivers affordable, reliable, and increasingly renewable gas service to 21.8 million consumers across 24,000 square miles of Central and Southern California. Gas delivered through the company's pipelines will continue to play a key role in California's clean energy transition—providing electric grid reliability and supporting wind and solar energy deployment.

SoCalGas' mission is to build the cleanest, safest and most innovative energy company in America. In support of that mission, SoCalGas aspires to achieve net-zero greenhouse gas emissions in its operations and delivery of energy by 2045 and to replacing 20 percent of its traditional natural gas supply to core customers with renewable natural gas (RNG) by 2030. Renewable natural gas is made from waste created by dairy farms, landfills, and wastewater treatment plants. SoCalGas is also committed to investing in its gas delivery infrastructure while keeping bills affordable for customers. SoCalGas is a subsidiary of Sempra (NYSE: SRE), an energy services holding company based in San Diego.

SAN BERNARDINO COUNTY LIBRARIES HOSTS BAKER'S BOOK CLUB!

Join the San Bernardino County Library System as we partner with Baker's Drive-Thru to promote reading among children and teens throughout San Bernardino County. The Baker's Book Club program kicks off on Monday, October 3, 2022, and will run through Saturday, November 19, 2022. This program will encourage students to read in all communities across the County.

To participate in this program, visit any of the 32 San Bernardino County Branch Libraries to sign up in person, or sign up using the Beanstack app at sbclib.beanstack.org. Participants must be between the ages of 4 and 17, and a parent or guardian will need to sign to acknowledge reading accomplishments. A voucher for a free Baker's food item will be issued as reading goals are met. Each child and teen may earn a total of three awards and vouchers for the duration of the program.

The Baker's Book Club campaign is another opportunity to celebrate and support the Countywide Vision's literacy campaign, Vision2Read. Reading at grade level by the third grad is one of the greatest predictors of children's success in school, their likelihood of going to college, and their future earning potential. The San Bernardino County Library System facilitates programs and events at all branch libraries to encourage children to check out books and read.

The San Bernardino County Library System is a dynamic network of 32 branch libraries that serves a diverse population over a vast geographic area. The County Library System strives to provide equal access to information, technology, programs, and services for all people who call San Bernardino County home.

The library plays a key role in the achievement of the Countywide Vision, www.sbcounty.gov/vision by contributing to educational, cultural, and historical development of our County community.

EARN A 'VILLAINOUS' BOOK BAG AT COUNTY LIBRARIES

The San Bernardino County Library System invites residents to earn a free book bag during October. Starting October 1, 2022, residents will get a villains-themed book bag for every 30 items checked out from a San Bernardino County Library. To be extra villainous, be sure to collect all four different styles of bags.

The Villains-themed book bags will be available at all 32 branch libraries, and will be given out from October 1st through October 31st. Only receipts with items checked out during that time frame will be accepted.

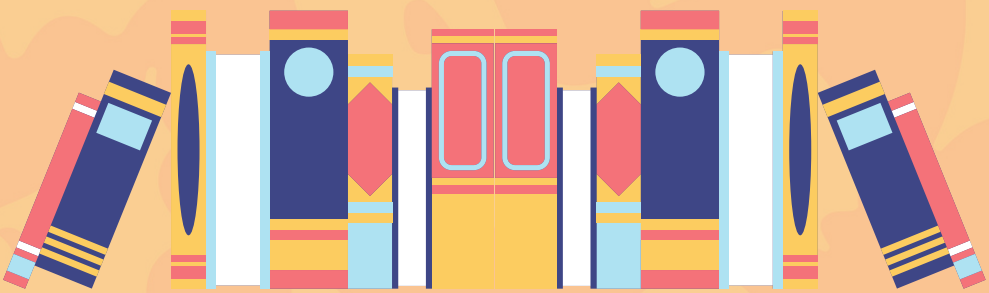

The wrapped- bag campaign is another opportunity to celebrate and support the Countywide Vision's literacy campaign, Vision2Read.
