FAQs

Residential Food Waste Recycling Program

Am I required to participate?

Yes. This is a California law that requires all residents, multi-family tenants, and commercial businesses to participate in food waste recycling in order to comply with Senate Bill 1383.

Will plastic bags be supplied?

Customers will be required to use their own bags. Bags do not need to be compostable or biodegradable.

What is the benefit of recycling food waste?

Your recycling efforts contribute to the reduction of greenhouse gas emissions in landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

I already backyard compost, do I have to participate?

We encourage you to continue backyard composting. Organic items not suitable for backyard compost can be recycled through this program.

Can I use my garbage disposal instead?

No need to change your current garbage disposal use. Food currently being discarded in your trash barrel should now be bagged and placed in your green waste barrel.

What items are acceptable?

Fruits, vegetables, meats, seafood, dairy, eggshells, bread, food scraps, food soiled paper, plate scrapings, and expired food.

What items are not acceptable?

Trash, styrofoam, liquids, glass, plastic, metal, diapers, pet waste, electronic waste, and hazardous waste.

HOW TO COLLECT FOOD WASTE AT HOME

1 COLLECT

Begin collecting food waste separate from your other trash and recycling. This includes: fruits, vegetables, meats, seafood, bread, dairy, eggshells, coffee, plate scrapings, peels, rinds, food soiled paper, and expired food.

2 ADD & SECURE

Add food waste to its own separate plastic-lined container. Store it in a convenient place, such as on your countertop, in your refrigerator or under your sink. Secure your plastic bag by tying it off. Remember, bags do not have to be compostable or biodegradable. They can be any color. We encourage you to re-use bags you may already have such as bread bags and produce bags.

3 DISCARD

Place your bagged food waste into your green barrel, along with your green waste. Continue using your green waste barrel as usual. Remember, food waste no longer belongs in your trash barrel.

How to Safely Dispose Sharps

**EFFECTIVE
JULY 1, 2021**

SAN BERNARDINO COUNTY RESIDENTS can safely dispose of their used SHARPS in a 2 gallon or smaller, heavy-duty, plastic container as an alternative to plastic bio-hazard sharps containers at participating Household Hazardous Waste Collection facilities.

Containers should only contain needles, lancets, and syringes with a needle attached that must be completely spent (no liquid remaining, including EpiPens).

HOW TO CREATE YOUR OWN CONTAINER:

- Place sharps into an Approved Sharps Container or 2 gallon or smaller heavy-duty plastic container
- Do not use food product containers
- Must have a screw-top and puncture resistant lid
- Made of thick plastic
- 2 gallons or less
- Leak-resistant
- Remain upright when standing
- Place printed Bio-Hazard Label on both sides
- When $\frac{3}{4}$ filled, secure lid, and tape the container closed

DO NOT USE FOR SHARPS:

**Print FREE labels by visiting

SAN BERNARDINO COUNTY FIRE – Household Hazardous Waste

Cómo desechar las agujas de forma segura

**EFFECTIVO EL
1 DE JULIO 2021**

LOS RESIDENTES DEL CONDADO DE SAN BERNARDINO pueden desechar de manera segura sus agujas usadas en un recipiente de plástico resistente de 2 galones, o más pequeño como alternativa a los recipientes de plástico para objetos punzantes con riesgo biológico en los Centros participantes de Colección para desechos peligrosos del hogar.

Los recipientes solo deben contener agujas, lancetas y jeringas con una aguja adjunta que debe gastarse por completo (Sin residuo líquido incluyendo los EpiPens).

COMO CREAR SU PROPIO CONTENEDOR:

- Coloque las agujas en un recipiente para objetos punzantes aprobado o en un recipiente de plástico resistente de 2 galones o más pequeño
- No utilice envases de productos para alimentos
- Debe tener una tapa de rosca y resistente a los pinchazos
- Hecho de plástico grueso
- 2 galones o menos
- Resistente a fugas
- Permanezca erguido cuando esté de pie
- Coloque la etiqueta impresa de peligro biológico en ambos lados
- Cuando esté lleno 3/4, cierre la tapa y pegue el recipiente con cinta adhesiva para mantener el contenedor cerrado

NO UTILIZAR PARA AGUJAS :

Para imprimir etiquetas

NEWS RELEASE

New Eligibility Guidelines Open SoCalGas Energy Savings Assistance Program to More Customers

Recently enacted California law increases customer access to no-cost energy-saving home improvements which support SoCalGas' efforts to lead the transition to a clean energy system

LOS ANGELES (July 6, 2022) – [Southern California Gas Co.](#) (SoCalGas) announced that as of July 1, 2022, more customers will now be eligible for no-cost energy-saving home improvements through the Energy Savings Assistance Program. The new guidelines expand eligibility criteria for customers whose income is up to 250% of federal poverty guidelines, compared to the previous criteria of up to 200%. A family of four that earns up to \$69,375, will now be eligible for no-cost energy efficiency upgrades. The previous income eligibility guidelines were up to \$55,500 for a family of four.

The ESA program provides attic insulation, furnace repair or replacement, clothes washer, water heater repair or replacement, water heater blankets, door weather stripping, caulking, low-flow showerheads, faucet aerators, minor repairs to doors and windows, and other services to eligible customers.

Customers could save up to 20% annually on their natural gas bill depending on the energy efficiency upgrades performed. More than 1.6 million homes have been enrolled in the program since 2002.

Customers can qualify for the Energy Savings Assistance Program based on having one individual in the home who falls under the income guidelines or participates in a public assistance program like Medi-Cal/Medicaid, CalFresh, the National School Lunch Program, among others. The program is open to renters and homeowners, and income levels are updated annually to adjust for federal poverty guidelines.

"SoCalGas is leading the transition to a more resilient energy future by providing customers with affordable, more sustainable energy. Through the Energy Savings Assistance Program, we can offer long-term, energy-efficient home improvements to customers that will lower their costs and reduce a household's environmental footprint. The program's expanded guidelines will allow more SoCalGas customers to save energy and save money and help us collectively reach clean energy goals," said Brian Prusnek, SoCalGas' Director of Customer Programs and Assistance.

The Energy Savings Assistance Program's revised income guidelines were the result of Senate Bill 756, authored by San Diego Senator Ben Hueso (D-40). "The ESA program is an important tool for our state in the fight against climate change," said Senator Hueso. "Energy efficiency upgrades reduce energy utility bills, increase a family's quality of life and comfort, support economic development, and move the state closer toward its climate goals. However, the ESA program budgets are routinely not fully expended – often with hundreds of millions of dollars remaining unspent each year. This new law will remedy that by expanding eligibility to include more low-income customers."

"My family and I are very happy and grateful for the weatherization repairs SoCalGas and their contractor ACSGROUP provided to our home," said Veronica Medrano, a SoCalGas customer from Montclair. "We received a new furnace, and they installed a new water heater and we also qualified for a new washing machine. Our home is now more energy efficient. This program has changed our lives."

Another SoCalGas customer assistance program is the California Alternative Rates for Energy (CARE) program, which will continue to provide a 20% discount on the monthly natural gas bill for customers who participate in certain public assistance programs or fall within 200% of federal poverty guidelines. A family of four that earns up to \$55,500 is now eligible for the discount.

To learn about SoCalGas' customer assistance programs, including the CARE program, or to sign up for the Energy Savings Assistance Program, visit socalgas.com/assistance or call (800) 331-7593. Information is available in the following languages: Chinese, Hmong, Korean, Russian, Spanish, and Vietnamese.

SAN BERNARDINO COUNTY LIBRARIES HOSTS BAKER'S BOOK CLUB!

Join the San Bernardino County Library System as we partner with Baker's Drive-Thru to promote reading among children and teens throughout San Bernardino County. The Baker's Book Club program kicks off on Monday, October 3, 2022, and will run through Saturday, November 19, 2022. This program will encourage students to read in all communities across the County.

To participate in this program, visit any of the 32 San Bernardino County Branch Libraries to sign up in person, or sign up using the Beanstack app at sbclib.beanstack.org. Participants must be between the ages of 4 and 17, and a parent or guardian will need to sign to acknowledge reading accomplishments. A voucher for a free Baker's food item will be issued as reading goals are met. Each child and teen may earn a total of three awards and vouchers for the duration of the program.

The Baker's Book Club campaign is another opportunity to celebrate and support the Countywide Vision's literacy campaign, Vision2Read. Reading at grade level by the third grad is one of the greatest predictors of children's success in school, their likelihood of going to college, and their future earning potential. The San Bernardino County Library System facilitates programs and events at all branch libraries to encourage children to check out books and read.

The San Bernardino County Library System is a dynamic network of 32 branch libraries that serves a diverse population over a vast geographic area. The County Library System strives to provide equal access to information, technology, programs, and services for all people who call San Bernardino County home.

The library plays a key role in the achievement of the Countywide Vision, www.sbcounty.gov/vision by contributing to educational, cultural, and historical development of our County community.

For more information on the San Bernardino County Library System, please visit <http://www.sbclib.org/> or call (909) 387-2220.
