# /// // // // Road Closure Notice // // // //

The segment of Palm Avenue between 3rd and 5th Street will be closed to traffic beginning July 5th through September 11th to construct concrete pavement in connection with the City's 3rd Street/5th Street Corridor Improvements (Project). This Project will also construct curbs and gutters, sidewalks, storm drain, traffic signal, street lights and pavement improvements along 3rd Street, 5th Street, Palm Avenue and Central Avenue. Improvements also include extending 3rd Street to 5th Street at the Church Avenue intersection. This detour has been coordinated with the cities of Redlands and San Bernardino and County of San Bernardino. Changeable message signs have been posted to alert motorists of the planned closure of Palm Avenue. Additionally, businesses on Palm Avenue/Alabama Street between San Bernardino Avenue and 5th Street have been notified of the road closure. Northbound traffic for Alabama Street from San Bernardino Avenue to 3rd Street will be open for businesses only. Traffic is being detoured east on San Bernardino Avenue at Alabama Street then north on Orange Street and west on Greenspot Road. Southbound traffic on Palm Avenue is being detoured west on 5th Street then south on Victoria Avenue, east on 3rd Street and south onto Alabama Street. See attached road closure map for more information. We thank residents and businesses for their cooperation as we complete much needed roadway improvements on Palm Avenue in the City of Highland.

# CLEAN AIR DAY IS OCTOBER 4, 2023

Join the City of Highland and take your PLEDGE Today!!!

California suffers from some of the worst air quality in the country. Collectively we have the power to change the world and can choose to do so in ways that help, not harm, all Californians. Join us in challenging yourself to create clean air in Highland.

The following pledge includes the most common things an individual can do to clear the air. Select one or more you pledge to do on October 4th as well as other things you plan to do that are not listed here, too!

## Pledge Actions

### Easy Actions:

- Taking public transit
- Attend meetings remotely instead of driving or flying.
- Walk, bike or scoot to the store or transit stop.
- Carpooling/vanpooling
- Bringing lunch to work or walk to lunch.
- Don't idle your engine.
- Compost your food or engage in a composting program.
- Test drive or rent an electric vehicle.

### Small Investments:

- Buy produce locally.
- Change or clean your home air filter.
- Plant a tree.
- Change your car cabin air filter.
- Switch to using natural all-purpose cleaner only.
- Choose a greener energy rate.
- Plant a home garden or plant in a community garden.
- Donate to an eco-friendly non-profit organization.

## Plan Ahead

- Install an air quality monitor at your home.
- Switch from an old gas-guzzler car to a hybrid or zero-emission vehicle.
- Install solar panels at your home.
- Replace gas-powered yard tools with electric- or hand-powered tools.
- Replace gas-powered appliances with electric appliances.
- Don't burn wood or switch to a cleaner non-wood burning stove.
- Make all online purchases in one order each week.
- Eat no meat for at least one day.

### California Needs You to Step Up!

Commit and come together to take at least one action on or by #CleanAirDayCA. Take the individual pledge to challenge yourself to take the actions we know are essential to clean air, like taking transit, shopping locally, installing an air monitor and much more.

# BLOOD DRIVE

The City of Highland hosts a blood drive six times per year in January, March, May, July, September and November. Blood supply is typically lower during the summer months and with the supply already low, now your blood donation is needed more than ever. We need you...please consider joining us at our next drive on Monday, September 25th to become Highlands newest donor! All Highland Blood Drives take place at the Highland Police Station (26985 Base Line) from 12:00pm to 5:00pm.

Please see the 2023 Blood Drive dates below. Follow the links to reserve your appointment.

### Proper Lawn Watering & Yard Waste Disposal Practices

Never blow grass clippings or lawn waste into the storm sewer system!  
Bag it for the licensed waste haulers to transport or compost the waste into mulch.

Water the lawn during the early hours of the morning or late in the evening to maximize water absorption.

Set automatic sprinklers to only water as much as needed.

Avoid over-spray from sprinkler heads onto impervious surfaces like concrete.

### Proper Animal Waste Management & Disposal Practices

- Always pick up pet waste
- Carry disposable bags on your walk
- Throw away pet waste
- Encourage others to pick up pet waste

Failure to pick up pet waste allows it to be carried by rainwater directly into our local water bodies

Improper disposal can also allow bacteria to wash into receiving waters

# FAQs

## Residential Food Waste Recycling Program

### Am I required to participate?

Yes. This is a California law that requires all residents, multi-family tenants, and commercial businesses to participate in food waste recycling in order to comply with Senate Bill 1383.

### Will plastic bags be supplied?

Customers will be required to use their own bags. Bags do not need to be compostable or biodegradable.

### What is the benefit of recycling food waste?

Your recycling efforts contribute to the reduction of greenhouse gas emissions in landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

### I already backyard compost, do I have to participate?

We encourage you to continue backyard composting. Organic items not suitable for backyard compost can be recycled through this program.

### Can I use my garbage disposal instead?

No need to change your current garbage disposal use. Food currently being discarded in your trash barrel should now be bagged and placed in your green waste barrel.

### What items are acceptable?

Fruits, vegetables, meats, seafood, dairy, eggshells, bread, food scraps, food soiled paper, plate scrapings, and expired food.

### What items are not acceptable?

Trash, styrofoam, liquids, glass, plastic, metal, diapers, pet waste, electronic waste, and hazardous waste.

# PICK UP AFTER YOUR PET

Step 1

Step 2

Step 3

## BAG IT AND TRASH IT! — Steps and Tips —

### WHY SHOULD I PICK UP?

-  Dog waste can infect children and adults with disease-causing bacteria and parasites.
-  Your dog can get infected from the waste of other dogs.
-  Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

- Step 1:** Keep a supply of bags tied to your dog leash.
- Step 2:** Bag the poop and tie the bag.
- Step 3:** Dispose of the tied bag properly by throwing it into a trash can.
