City of Highland

OPEN HOUSE FIRE STATION #3

FIRE STATION

Please join us next Saturday, October 14th for an Open House at Fire Station #3 from 9am to 2pm. Meet with your local fire fighters, learn about fire safety, tour the station and explore the fire engines! Fire Station #3 is located at 7649 Sterling Avenue, San Bernardino, CA 92410. For more information, please contact Volunteer Services at 909-864-6861 ext. 203.

The City of Highland hosts a blood drive six times per year in January, March, May, July, September and November. Blood supply is typically lower during the summer months and with the supply already low, now your blood donation is needed more than ever. We need you...please consider joining us at our next drive on Monday, November 27th to become Highlands newest donor! All Highland Blood Drives take place at the Highland Police Station (26985 Base Line) from 12:00pm to 5:00pm.

Please see the 2023 Blood Drive dates below. Follow the links to reserve your appointment.

November 27, 2023:

https://giftoflife.lstream.org/donor/schedules/drive_schedule/105371

For more information or to schedule an appointment by phone, contact Denise Moreno, Volunteer Services Coordinator, at 909-864-6861, extension 203 or email dmoreno@cityofhighland.org.

Burrtec's Bulky Items

For Disposal of Large or Bulky Items Burrtec provides four residential curbside large or bulky item collections (maximum of 5 items per collection) during a 12-month period at no extra charge. Please call at least 24 hours in advance to schedule your bulky item pick up. Large or bulky items include: scrap metal, wood, old appliances, furniture, televisions, computer monitors, refrigerator or freezer, tree branches, mattresses, etc.

If you have any questions, please contact Public Services at 909-864-6861, extension 271.

National Prescription Drug Take Back Day

Saturday, October 28, 2023

10AM to 2PM

The National Prescription Drug Take Back Day aims to provide a safe, convenient, and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications. Check back for location.

Your San Bernardino County Fire Department also has a great program that will take your Medications (excluding controlled substances, separate liquids from solids), at your local Household Hazardous Waste Collection at 2824 East "W" Street San Bernardino, CA, Monday to Friday 9:00 a.m. to 4:00 p.m. or for more information call (909) 382-5401 or 1-800-OILY-CAT (1-800-645-9228).

REPORT ILLEGAL DUMPING

CITY OF
HIGHLAND
California

**IF YOU OBSERVE SOMEONE ILLEGALLY
DUMPING, CALL (909) 387-8313,
DO NOT APPROACH THEM!**

If you are unable to report
it in the moment, you can
now report it online:

www.cityofhighland.org

Click on "Report an Issue"
Follow prompts and please
fill in all required fields
about the issue.

- Location Address or General Location of Issue
- Nature of Alleged Issue
- Please briefly provide more information about the issue
- Your Name
- Your Address
- Your City, State, Zip
- Your Email
- Your Phone Number (For follow up purposes only. Confidentiality will be maintained)

Providing an email or phone number is recommended just in case the city needs additional information. After successfully submitting the request, you will see a request number. Please allow 1-2 business days to process the request.

DISCHARGE TO THE STORM DRAIN, ACCIDENTAL OR NOT, COULD LEAD TO ENFORCEMENT ACTIONS AND FINES

Sustainable Practices for Landscape Maintenance

Your contributions make a difference in the way you maintain your yard. Learn how to truly be a “green” thumb and prevent stormwater pollution.

Recycle Yard Waste

Yard waste, like grass and leaves, can block the storm drain or carry harmful chemicals into it.

- Recycle yard waste by placing them into your greenwaste container.
- Do not blow, sweep, rake, or hose yard waste into the street or catch basin.
- Try grasscycling by leaving clippings on the lawn when mowing.

For more information, visit www.calrecycle.ca.gov/organics/grasscycling.

Use Safe Products

Fertilizers, herbicides, and pesticides are often carried into the storm drain by sprinkler runoff.

- Use natural and non-toxic alternatives as often as possible.
- Spot-apply, rather than blanketing entire areas.

Apply chemicals directly to the area that needs treatment.

- Read the product label and use only as directed.
- Never apply before a rain.

Use Water Wisely

Conserving water minimizes the amount of urban runoff going into the street.

- Control the amount of water and direction of sprinklers.

The average lawn only needs about an inch of water a week or 10 to 20 minutes of watering.

- Periodically inspect and fix sprinklers for leaks.

Realign sprinkler heads to make sure water is distributed onto the lawn and not onto the sidewalk.

- Plant native vegetation to reduce the need of water.

HOMEOWNERS

Keep these tips in mind when hiring professional landscapers and remind them as necessary.

Leftover pesticides, fertilizers, and herbicides contaminate landfills and should be disposed of through a Household Hazardous Waste Center*.

For more information on proper disposal, call 1 (800) OILYCAT or visit tootoxictotrash.com.

*FREE for San Bernardino County residents. Businesses can call for cost inquiries and to schedule an appointment.

Proper Lawn Watering & Yard Waste Disposal Practices

Never blow grass clippings or lawn waste into the storm sewer system!
Bag it for the licensed waste haulers to transport or compost the waste into mulch.

Water the lawn during the early hours of the morning or late in the evening to maximize water absorption.

Set automatic sprinklers to only water as much as needed.

Avoid over-spray from sprinkler heads onto impervious surfaces like concrete.

Proper Animal Waste Management & Disposal Practices

- Always pick up pet waste
- Carry disposable bags on your walk
- Throw away pet waste
- Encourage others to pick up pet waste

Failure to pick up pet waste allows it to be carried by rainwater directly into our local water bodies

Improper disposal can also allow bacteria to wash into receiving waters

Calendar of Events

October 14, 2023

9am to 2pm — Open House at Fire Station #3, 7649 Sterling

October 17, 2023

FAQs

Residential Food Waste Recycling Program

Am I required to participate?

Yes. This is a California law that requires all residents, multi-family tenants, and commercial businesses to participate in food waste recycling in order to comply with Senate Bill 1383.

Will plastic bags be supplied?

Customers will be required to use their own bags. Bags do not need to be compostable or biodegradable.

What is the benefit of recycling food waste?

Your recycling efforts contribute to the reduction of greenhouse gas emissions in landfilled organic waste. This includes methane, a greenhouse gas 80 times more potent than carbon dioxide.

I already backyard compost, do I have to participate?

We encourage you to continue backyard composting. Organic items not suitable for backyard compost can be recycled through this program.

Can I use my garbage disposal instead?

No need to change your current garbage disposal use. Food currently being discarded in your trash barrel should now be bagged and placed in your green waste barrel.

What items are acceptable?

Fruits, vegetables, meats, seafood, dairy, eggshells, bread, food scraps, food soiled paper, plate scrapings, and expired food.

What items are not acceptable?

Trash, styrofoam, liquids, glass, plastic, metal, diapers, pet waste, electronic waste, and hazardous waste.

PROTECT YOUR COMMUNITY

KEEP TRASH OUT OF OUR STREETS

Step 1

Gather your used masks, gloves, and wipes

Step 2

Place the used items in a bag

Step 3

Tie or seal the bag and dispose into a trashcan

HAVE YOU PLAYED SPOT'S NEW TRASH MATCH-UP GAME?

Find out how much you know about sorting waste in San Bernardino County.

- Step 1:** Scan QR code or visit spot.sbcountystormwater.org
- Step 2:** Drag a trash item to a bin to start the game
- Step 3:** Make an account to claim your score on the leaderboard.

**available for mobile phones and desktops*

For a list of collection centers near you, visit TooToxicToTrash.com
Must be a San Bernardino County resident to visit centers.

PICK UP AFTER YOUR PET

Step 1

Step 2

Step 3

BAG IT AND TRASH IT! — Steps and Tips —

WHY SHOULD I PICK UP?

-  Dog waste can infect children and adults with disease-causing bacteria and parasites.
-  Your dog can get infected from the waste of other dogs.
-  Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

Step 1: Keep a supply of bags tied to your dog leash.

Step 2: Bag the poop and tie the bag.

Step 3: Dispose of the tied bag properly by throwing it into a trash can.
