HIGHLAND Y RUN

JANUARY 28, 2024

The Highland Y Run is a fundraising event for the Highland Y that offers a scenic 5K Run/Walk, 10K Run/Walk, and Family Fun Run (unchipped) in the city of Highland, CA. All net proceeds from the Highland Y Run benefit the YMCA Financial Assistance program.

Highland Y Run Features

- Top Finisher Trophies
- 5K/10K Chipped Races
- Finisher Medals*
- Scenic Course
- Event T-shirt**
- Live Music

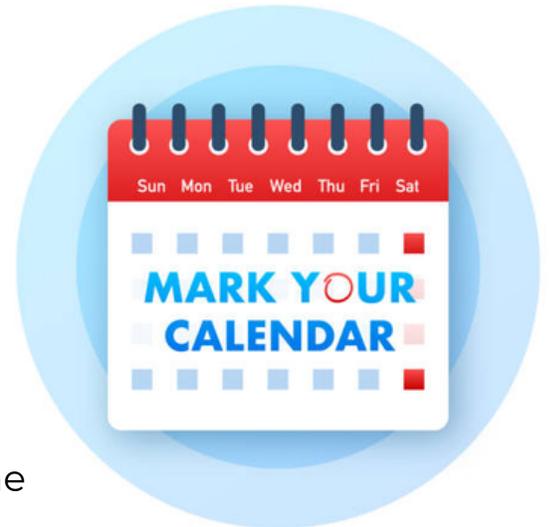

Sign up easily
by scanning this
QR code

* First 500 finishers will receive a medal. ** Participants who register by 1/7/2024 are guaranteed a t-shirt.

Information can be found at ymcaeastvalley.org/highland-run-2024.

BLOOD DRIVE

Mark your calendars because Highland's 2024 Blood Drive dates and appointments are now available!!! Please consider giving back to the community by donating the gift of blood. This is especially needed right now as blood supply is still at an all-time low.

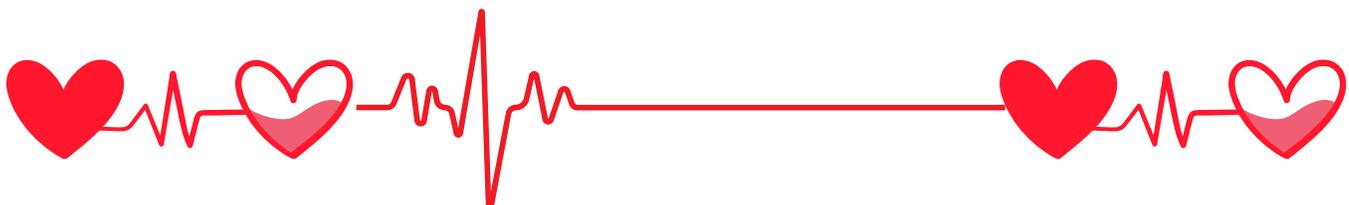

All Highland Blood Drives take place at the Highland Police Station (26985 Base Line) **from 12:00pm to 4:00pm NEW TIME!!!**

Please see the 2024 Blood Drive dates below. Follow the links to reserve your appointments for the entire year!

HIGHLAND IMPROVEMENT TEAM

Residential Cleanups Needed...

The Highland Improvement Team, also known as H.I.T. is currently accepting requests for residential cleanup help for Highland senior and disabled residents. Our mission is to improve the overall environment of our city for all residents and businesses. We conduct several types of cleanups including litter pick-up, graffiti abatement and assist with community events. But our top priority is to assist disabled and senior residents with property cleanup projects. The H.I.T. schedules a cleanup one Saturday per month. Each cleanup requires enough work to fill the allotted four-hour period, typically from 8:00am to noon. We urge qualifying Highland homeowners who need help with yard cleanup and minor landscaping to contact Volunteer Services as soon as possible. Requests are screened and scheduled on a first come, first served basis. A fabulous team of volunteers complete all the work and repair at H.I.T. projects. Best of all, there are no income eligibility requirements and absolutely no charge to the homeowner.

Find out if you are eligible for a cleanup. There are only a few simple requirements needed for you to qualify.

1. Must be 55 years or older or disabled (any age).
2. Must own and reside in your home.

In addition, we are always looking for new H.I.T. volunteers. This is a fantastic way to give back to your community and we would be thrilled to have you join our team!

If you would like more information, have questions, or would like to join the Highland Improvement Team, please contact Denise Moreno, Volunteer Services Coordinator, at (909) 864-6861, extension 203.

San Bernardino County

Household Hazardous Waste Collection Facilities

ACCEPTED ITEMS

- Motor Oil/Used Filters
- Auto & Household Batteries
- Paint Products
- Antifreeze
- Household Cleaners
- Pesticides & Fertilizers
- Medications (excluding controlled substances, separate liquids from solids)
- Home-Generated Sharps/Needles in approved container
- Fluorescent Tubes
- E-Waste (Electronic Waste) such as:
 - TVs & Computer Monitors, CPUs,
 - Printers, Microwave Ovens,
 - Cell/Mobile Phones, Telephones,

**Did you know that used
motor oil and filters are
100% recyclable?**

Attention Highland Residents

What You Should Know About Street Sweeping in Highland

1) Help us to serve you better by removing all possible obstacles from the street on your scheduled day. Although the City of Highland does not enforce street sweeping parking restrictions, we appreciate your assistance in keeping the streets clear on your scheduled day.

Parked vehicles cause the operator to swing wide to miss them. Moving vehicles off a street scheduled for sweeping allows crews to thoroughly clean the street from curb-to-curb. One parked car equals nearly three car lengths of space that can't be swept because the street sweeping equipment must leave room to avoid it. This can result in debris building up on the roadway and entering the storm drain which can cause flooding during heavy rains and contribute to water pollution.

2) In residential areas the street sweeper can sweep anytime from 7am to 5pm, the day after your solid waste collection day.

3) If solid waste collection is delayed one day due to a holiday, the street sweeper will be delayed one day as well. There is NO holiday delay this year.

4) Since sweeping is done as close to the curb as possible, things like overhanging tree branches, basketball hoops, solid waste collection carts and especially parked vehicles cause the operator to swing wide to miss them. When this happens, debris is left on the street and the quality of the sweeping is reduced.

5) Street sweeping also serves as one of our Best Management Practices (BMP) to control and improve water quality.

For more information or to report a street sweeping complaint please contact the Public Services Division at 909-864-6861, extension 271.

Bring Used Oil Filters to Recycle and Exchange for a Voucher to Get a New One **FREE!**

JOIN US!
Saturday, April 13, 2024
9am to 2pm

USED OIL FILTER Exchange & Recycling Event

- Your Phone Number (For follow up purposes only. Confidentiality will be maintained)

Providing an email or phone number is recommended just in case the city needs additional information. After successfully submitting the request, you will see a request number. Please allow 1-2 business days to process the request.

Proper Lawn Watering & Yard Waste Disposal Practices

Never blow grass clippings or lawn waste into the storm sewer system!
Bag it for the licensed waste haulers to transport or compost the waste into mulch.

Water the lawn during the early hours of the morning or late in the evening to maximize water absorption.

Set automatic sprinklers to only water as much as needed.

Avoid over-spray from sprinkler heads onto impervious surfaces like concrete.

Proper Animal Waste Management & Disposal Practices

- Always pick up pet waste
- Carry disposable bags on your walk
- Throw away pet waste
- Encourage others to pick up pet waste

Failure to pick up pet waste allows it to be carried by rainwater directly into our local water bodies

Improper disposal can also allow bacteria to wash into receiving waters

Calendar of Events

January 28, 2024

7:00am to 11:00am — Highland Improvement Team Cleanup/Project, YMCA Run - Water Station, Arroyo Verde Elementary School, 7701 Church St.

HOW TO COLLECT FOOD WASTE AT HOME

1 COLLECT

Begin collecting food waste separate from your other trash and recycling. This includes: fruits, vegetables, meats, seafood, bread, dairy, eggshells, coffee, plate scrapings, peels, rinds, food soiled paper, and expired food.

2 ADD & SECURE

Add food waste to its own separate plastic-lined container. Store it in a convenient place, such as on your countertop, in your refrigerator or under your sink. Secure your plastic bag by tying it off. Remember, bags do not have to be compostable or biodegradable. They can be any color. We encourage you to re-use bags you may already have such as bread bags and produce bags.

3 DISCARD

Place your bagged food waste into your green barrel, along with your green waste. Continue using your green waste barrel as usual. Remember, food waste no longer belongs in your trash barrel.

PROTECT YOUR COMMUNITY

KEEP TRASH OUT OF OUR STREETS

Step 1

Gather your used masks, gloves, and wipes

Step 2

Place the used items in a bag

Step 3

Tie or seal the bag and dispose into a trashcan

HAVE YOU PLAYED SPOT'S NEW TRASH MATCH-UP GAME?

Find out how much you know about sorting waste in San Bernardino County.

Step 1: Scan QR code or visit spot.sbcountystormwater.org

Step 2: Drag a trash item to a bin to start the game

Step 3: Make an account to claim your score on the leaderboard.

**available for mobile phones and desktops*

For a list of collection centers near you, visit TooToxicToTrash.com
Must be a San Bernardino County resident to visit centers.

PICK UP AFTER YOUR PET

BAG IT AND TRASH IT! — Steps and Tips —

WHY SHOULD I PICK UP?

-  Dog waste can infect children and adults with disease-causing bacteria and parasites.
-  Your dog can get infected from the waste of other dogs.
-  Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

Step 1: Keep a supply of bags tied to your dog leash.

Step 2: Bag the poop and tie the bag.

Step 3: Dispose of the tied bag properly by throwing it into a trash can.
