HIGHLAND IMPROVEMENT TEAM

Please join us at our next HIT project, scheduled for Saturday, March 23rd from 8:00am to 12:00pm. We need your help sprucing up the Historic District for our Annual Citrus Harvest Festival. Please contact Volunteer Services to sign up and for detailed information at 909-864-6861 extension 203.

Have you heard about the Highland Improvement Team a.k.a. H.I.T.? Our mission is to improve the overall environment of our city for all residents and businesses in Highland. Top priority is property cleanup projects for disabled and senior citizens. There are no income eligibility requirements and absolutely no charge to the homeowner. A fabulous team of volunteers complete all the work and repair at H.I.T. projects.

H.I.T. is currently accepting requests for residential cleanups. H.I.T. projects are scheduled on Saturday's, once per month and typically occur from 8:00 a.m. to 12 noon. Each project must require enough work to fill the allotted four-hour period. We urge qualifying Highland homeowners who need help with yard cleanup and minor landscaping to contact Volunteer Services as soon as possible. We screen all requests, and schedule projects on a first come, first served basis.

Here are the few qualifications needed:

1. Homeowner must be 55 years and older.
2. Disabled, any age.
3. Must own and reside in the home.

Volunteers
needed

Please contact Volunteer Services if you have questions, and are interested in joining the Highland Improvement Team or want to know if your home will qualify for a cleanup at 909-864-6861, extension 203.

The Annual Citrus Harvest Festival is fast approaching! Re-Pete and the Public Services Division are gearing up for this year's event. We could not be more excited about this year's booth activities.

Test your knowledge of recycling, trash and household hazardous waste (HHW) with a fun sorting game. Regardless of getting the question right or wrong, you will still receive a prize for participating. Also get information on how you can prevent stormwater pollution.

A representative from the San Bernardino County Fire Department Household Hazardous Waste Program will be on hand to answer all of your Household Hazardous Waste (HHW) questions.

Hope to see you at the Public Services Division booth!

For more information, please contact the Public Services Division at 909-864-6861, extension 271.

Thank you to all our donors who so graciously donated blood this past Monday. We were able to meet our goal by receiving 20 units of blood! Thank you for giving back to the community!

Mark your calendars because Highland's 2024 Blood Drive dates and appointments are now available!!! Please consider giving back to the community by donating the gift of blood. This is especially needed right now as blood supply is still at an all-time low.

Please see the 2024 Blood Drive dates below. Follow the links to reserve your appointments for the entire year!

Proper Lawn Watering & Yard Waste Disposal Practices

Never blow grass clippings or lawn waste into the storm sewer system!
Bag it for the licensed waste haulers to transport or compost the waste into mulch.

Water the lawn during the early hours of the morning or late in the evening to maximize water absorption.

Set automatic sprinklers to only water as much as needed.

Avoid over-spray from sprinkler heads onto impervious surfaces like concrete.

Proper Animal Waste Management & Disposal Practices

- Always pick up pet waste
- Carry disposable bags on your walk
- Throw away pet waste
- Encourage others to pick up pet waste

Failure to pick up pet waste allows it to be carried by rainwater directly into our local water bodies

Improper disposal can also allow bacteria to wash into receiving waters

HOW TO COLLECT FOOD WASTE AT HOME

1 COLLECT

Begin collecting food waste separate from your other trash and recycling. This includes: fruits, vegetables, meats, seafood, bread, dairy, eggshells, coffee, plate scrapings, peels, rinds, food soiled paper, and expired food.

2 ADD & SECURE

Add food waste to its own separate plastic-lined container. Store it in a convenient place, such as on your countertop, in your refrigerator or under your sink. Secure your plastic bag by tying it off. Remember, bags do not have to be compostable or biodegradable. They can be any color. We encourage you to re-use bags you may already have such as bread bags and produce bags.

3 DISCARD

Place your bagged food waste into your green barrel, along with your green waste. Continue using your green waste barrel as usual. Remember, food waste no longer belongs in your trash barrel.

PROTECT YOUR COMMUNITY

KEEP TRASH OUT OF OUR STREETS

Step 1

Gather your used masks, gloves, and wipes

Step 2

Place the used items in a bag

Step 3

Tie or seal the bag and dispose into a trashcan

PICK UP AFTER YOUR PET

Step 1

Step 2

Step 3

BAG IT AND TRASH IT! — Steps and Tips —

WHY SHOULD I PICK UP?

-  Dog waste can infect children and adults with disease-causing bacteria and parasites.
-  Your dog can get infected from the waste of other dogs.
-  Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

Step 1: Keep a supply of bags tied to your dog leash.

Step 2: Bag the poop and tie the bag.

Step 3: Dispose of the tied bag properly by throwing it into a trash can.
