HIGHLAND IMPROVEMENT TEAM

JOIN THE HIGHLAND IMPROVEMENT TEAM THIS SATURDAY!!!

Please join us at our next HIT project, scheduled for Saturday, March 23rd from 8:00am to 12:00pm. We need your help sprucing up the Historic District for our Annual Citrus Harvest Festival. Please contact Volunteer Services to sign up and for detailed information at 909-864-6861 extension 203.

Have you heard about the Highland Improvement Team a.k.a. H.I.T.? Our mission is to improve the overall environment of our city for all residents and businesses in Highland. Top priority is property cleanup projects for disabled and senior citizens. There are no income eligibility requirements and absolutely no charge to the homeowner. A fabulous team of volunteers complete all the work and repair at H.I.T. projects.

H.I.T. is currently accepting requests for residential cleanups. H.I.T. projects are scheduled on Saturday's, once per month and typically occur from 8:00am to 12 noon. Each project must require enough work to fill the allotted four-hour period. We urge qualifying Highland homeowners who need help with yard cleanup and minor landscaping to contact Volunteer Services as soon as possible. We screen all requests, and schedule projects on a first come, first served basis.

Here are the few qualifications needed:

1. Homeowner must be 55 years and older or disabled, any age.

AND

2. Must own and reside in the home.

VOLUNTEERS NEEDED!!! In addition, we are always looking for new H.I.T. volunteers. This is a fantastic way to give back to your community and we would be thrilled to have you join our team!

Please contact Volunteer Services if you have questions, and are interested in joining the Highland Improvement Team or want to know if your home will qualify for a cleanup at 909-864-6861, extension 203.

The Annual Citrus Harvest Festival is fast approaching!

The Annual Citrus Harvest Festival is fast approaching! Re-Pete and the Public Services Division are gearing up for this year's event. We could not be more excited about this year's booth activities.

Test your knowledge of recycling, trash and household hazardous waste (HHW) with a fun sorting game. Regardless of getting the question right or wrong, you will still receive a prize for participating. Also get information on how you can prevent stormwater pollution.

A representative from the San Bernardino County Fire Department Household Hazardous Waste Program will be on hand to answer all your Household Hazardous Waste (HHW) questions.

Hope to see you at the Public Services Division booth!

For more information, please contact the Public Services Division at 909-864-8732 extension 271.

Attention Highland Residents

What You Should Know About Street Sweeping in Highland

1) Help us to serve you better by removing all possible obstacles from the street on your scheduled day. Although the City of Highland does not enforce street sweeping parking restrictions, we appreciate your assistance in keeping the streets clear on your scheduled day.

Parked vehicles cause the operator to swing wide to miss them. Moving vehicles off a street scheduled for sweeping allows crews to thoroughly clean the street from curb-to-curb. One parked car equals nearly three car lengths of space that can't be swept because the street sweeping equipment must leave room to avoid it. This can result in debris building up on the roadway and entering the storm drain which can cause flooding during heavy rains and contribute to water pollution.

2) In residential areas the street sweeper can sweep anytime from 6:00am to 6:00pm, the day after your solid waste collection day, Monday through Friday.

3) If solid waste collection is delayed one day due to a holiday, the street sweeper will be delayed one day as well. There is NO holiday delay this year.

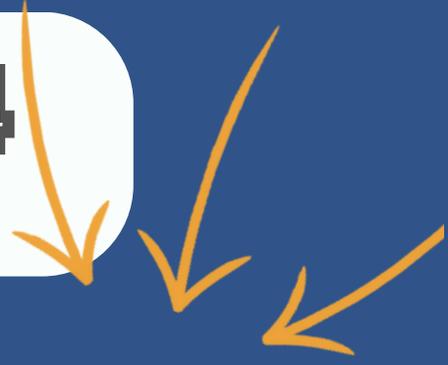

4) Since sweeping is done as close to the curb as possible, things like overhanging tree branches, basketball hoops, solid waste collection carts and especially vehicles will hinder the sweeping process.

5) Street sweeping also serves as one of our Best Management Practices (BMP) to control and improve water quality.

For more information or to report a street sweeping complaint please contact the Public Services Division at 909-864-6861, extension 271.

Compost Events

Eventos de compostaje

The Public Services Division hosted its 15th free Compost Give-A-Way at City Hall on Saturday, February 24, 2024. We are proud to announce that 39 Highland residents participated in the event.

For those of you who missed the event here at City Hall, there is still compost available at City Hall on the southwest corner of the property. You are welcome to come get some until it is gone.

La División de Servicios Públicos organizó su decimoquinto sorteo gratuito de compost en el Ayuntamiento el sábado 24 de febrero de 2024. Estamos orgullosos de anunciar que 39 residentes de Highland participaron en el evento.

Para aquellos de ustedes que se perdieron el evento aquí en el Ayuntamiento, todavía hay abono disponible en el Ayuntamiento en la esquina suroeste de la propiedad. Eres bienvenido a venir a buscar algo hasta que se acabe.

HOW TO COLLECT FOOD WASTE AT HOME

1 COLLECT

Begin collecting food waste separate from your other trash and recycling. This includes: fruits, vegetables, meats, seafood, bread, dairy, eggshells, coffee, plate scrapings, peels, rinds, food soiled paper, and expired food.

2 ADD & SECURE

Add food waste to its own separate plastic-lined container. Store it in a convenient place, such as on your countertop, in your refrigerator or under your sink. Secure your plastic bag by tying it off. Remember, bags do not have to be compostable or biodegradable. They can be any color. We encourage you to re-use bags you may already have such as bread bags and produce bags.

3 DISCARD

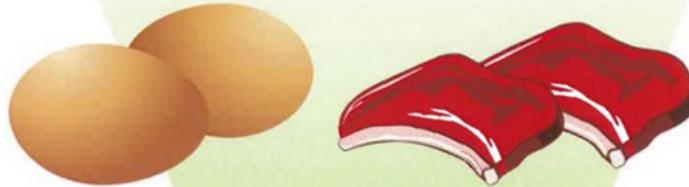

Place your bagged food waste into your green barrel, along with your green waste. Continue using your green waste barrel as usual. Remember, food waste no longer belongs in your trash barrel.

Proper Lawn Watering & Yard Waste Disposal Practices

Never blow grass clippings or lawn waste into the storm sewer system!
Bag it for the licensed waste haulers to transport or compost the waste into mulch.

Water the lawn during the early hours of the morning or late in the evening to maximize water absorption.

Set automatic sprinklers to only water as much as needed.

Avoid over-spray from sprinkler heads onto impervious surfaces like concrete.

Proper Animal Waste Management & Disposal Practices

- Always pick up pet waste
- Carry disposable bags on your walk
- Throw away pet waste
- Encourage others to pick up pet waste

Failure to pick up pet waste allows it to be carried by rainwater directly into our local water bodies

Improper disposal can also allow bacteria to wash into receiving waters

PROTECT YOUR COMMUNITY

KEEP TRASH OUT OF OUR STREETS

Step 1

Gather your used masks, gloves, and wipes

Step 2

Place the used items in a bag

Step 3

Tie or seal the bag and dispose into a trashcan

Step 2

Step 3

BAG IT AND TRASH IT! — Steps and Tips —

WHY SHOULD I PICK UP?

-  Dog waste can infect children and adults with disease-causing bacteria and parasites.
-  Your dog can get infected from the waste of other dogs.
-  Dog waste can affect the quality of our rivers and oceans and make the water unsafe for swimming, drinking, or fishing.

- Step 1:** Keep a supply of bags tied to your dog leash.
- Step 2:** Bag the poop and tie the bag.
- Step 3:** Dispose of the tied bag properly by throwing it into a trash can.
