Chuck Dantuono
Successor Agency to the Redevelopment Agency of the City of Highland
27215 Base Line
Highland, CA 92346

Dear Mr. Dantuono:

We are pleased to confirm our understanding of the nature and limitations of the services we are to provide for the Successor Agency to the Redevelopment Agency of the City of Highland.

We will perform agreed-upon procedures, as listed in Exhibit A, to determine the unobligated balances available for transfer to taxing entities pursuant to California Health and Safety Code Section 34179.5(c).

Our engagement to apply agreed-upon procedures will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described Exhibit A either for the purpose for which this report has been requested or for any other purpose. If, for any reason, we are unable to complete the procedures, we will describe any restrictions on the performance of the procedures in our report, or will not issue a report as a result of this engagement.

Because the agreed-upon procedures listed in Exhibit A do not constitute an examination, we will not express an opinion. We will report only our procedures and our findings. In addition, we have no obligation to perform any procedures beyond those listed in Exhibit A.

We will submit a report listing the procedures performed and our findings. This report is intended solely for the use of the County of Los Angeles, the Successor Agency to the Redevelopment Agency of the City of Highland, and applicable State agencies. Our report will contain a paragraph indicating that had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We generally base our fees on the amount of time required at our standard hourly rates plus out-of-pocket expenses, such as postage and computer charges. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. However, our fees for this engagement will not exceed \$26,000. The maximum fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Payments for services are due when rendered and interim billings may be submitted as work progresses and expenses are incurred. A late charge of one percent per month will be assessed on all balances remaining unpaid after thirty days.

Billings become delinquent if not paid within 30 days of the invoice date. If billings are not paid within 45 days of the invoice date, at our election, we will stop all work until your account is brought current, or we will withdraw from this engagement. You acknowledge and agree that we are not required to continue work in the event of your failure to pay on a timely basis for services rendered as required by this engagement letter. You further acknowledge and agree that in the event we stop work or withdraw from this engagement as a result of your failure to pay on a timely basis for services rendered as required by this engagement letter, we shall not be liable to you for any damages that occur as a result of our ceasing to render services.

It is our policy to keep records related to this engagement for seven years. However, Eadie and Payne, LLP does not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies.

By your signature below, you acknowledge and agree that upon the expiration of the seven-year period, Eadie and Payne, LLP shall be free to destroy our records related to this engagement.

We appreciate the opportunity to assist you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us in the enclosed envelope. The second copy is for your files.

Very truly yours,

EADIE AND PAYNE, LLP

List of Procedures for Due Diligence Review

General information regarding these procedures:

1. The procedures associated with Sections 34179.5(c)(1) through 34179.5(c)(3) and Sections 34179.5(c)(5) through 34179.5(c)(6) are to be applied separately to (a) the Low and Moderate Income Housing Fund of the Successor Agency and to (b) all other funds of the Successor Agency combined (excluding the Low and Moderate Income Housing Fund).
2. The due date for the report associated with the Low and Moderate Income Housing Fund is October 1, 2012.
3. The due date for the report associated with all other funds of the Successor Agency combined (excluding the Low and Moderate Income Housing Fund) is December 15, 2012.
4. Because the procedures required by Section 34179.5(c)(4) pertain to the Successor Agency as a whole, these procedures should be addressed in the report that is due on December 15, 2012.

Fiscal year references below refer to fiscal years ending on June 30. This language should be modified for those agencies that have a different fiscal year-end.

For purposes of the procedures below and the related exhibits, the amount of the assets presented should be based upon generally accepted accounting principles (GAAP), unless otherwise noted.

To the extent the procedures listed below are duplicative to the agreed upon procedures that were performed pursuant to HSC 34182 (a)(1), it is acceptable to obtain and use information from the HSC 34182 (a)(1) procedures for purposes of this due diligence review without having to re-perform the procedures. When this is done, the due diligence report should refer to the report that was issued for the agreed upon procedures performed under HSC 34182 (a)(1).

Certain assets may qualify as a deduction under more than one category of deduction. In such cases, care should be taken to ensure that such assets have been included as a deduction in the summary schedule only once.

6. Obtain from the Successor Agency a listing of asset balances held on June 30, 2012 that are restricted for the following purposes:

For the purpose of this accounting, physical assets may be valued at purchase cost or at any recently estimated market value. The statement shall list separately housing-related assets.

Suggested Procedure(s):

7. Perform the following procedures:

- A. Obtain from the Successor Agency a listing of assets as of June 30, 2012 that are **not** liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertain if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.
- B. If the assets listed at 7(A) are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.
- C. For any differences noted in 7(B), inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.
- D. If the assets listed at 7(A) are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

Citation:

34179.5(c)(5)(D) An itemized listing of any current balances that are legally or contractually dedicated or restricted for the funding of an enforceable obligation that identifies the nature of the dedication or restriction and the specific enforceable obligation. In addition, the successor agency shall provide a listing of all approved enforceable obligations that includes a projection of annual spending requirements to satisfy each obligation and a projection of annual revenues available to fund those requirements. If a review finds that future revenues together with dedicated or restricted balances are insufficient to fund future obligations and thus retention of current balances is required, it shall identify the amount of current balances necessary for retention. The review shall also detail the projected property tax revenues and other general purpose revenues to be received by the successor agency, together with both the amount and timing of the bond debt service payments of the successor agency, for the period in which the oversight board anticipates the successor agency will have insufficient property tax revenue to pay the specified obligations.

Suggested Procedure(s):

8. Perform the following procedures:

- A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.
 - i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.
 - ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.
 - iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.
 - iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.
- B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:

- i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.
 - ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.
 - a. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
 - iii. For the forecasted annual revenues:
 - a. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.
- C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.
- i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
 - ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.
 - iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.
- D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures.
- i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.
 - ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.
 - iii. Include the calculation in the AUP report.

Citation:

34179.5(c)(5)(E) An itemized list and analysis of any amounts of current balances that are needed to satisfy obligations that will be placed on the Recognized Obligation Payment Schedules for the current fiscal year.

Suggested Procedure(s):

9. If the Successor Agency believes that cash balances as of June 30, 2012 need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

Citation:

34179.5(c)(6) The review shall total the net balances available after deducting the total amounts described in subparagraphs (B) to (E), inclusive, of paragraph (5). The review shall add any amounts that were transferred as identified in paragraphs (2) and (3) of subdivision (c) if an enforceable obligation to make that transfer did not exist. The resulting sum shall be available for allocation to affected taxing entities pursuant to Section 34179.6. It shall be a rebuttable presumption that cash and cash equivalent balances available to the successor agency are available and sufficient to disburse the amount determined in this paragraph to taxing entities. If the review finds that there are insufficient cash balances to transfer or that cash or cash equivalents are specifically obligated to the purposes described in subparagraphs (B), (D), and (E) of paragraph (5) in such amounts that there is insufficient cash to provide the full amount determined pursuant to this paragraph, that amount shall be demonstrated in an additional itemized schedule.

Suggested Procedure(s):

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012 as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

Suggested Procedure(s):

11. Obtain a representation letter from Successor Agency management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report. Included in the representations should be an acknowledgment that management is not aware of any transfers (as defined by Section 34179.5) from either the former redevelopment agency or the Successor Agency to other parties for the period from January 1, 2011 through June 30, 2012 that have not been properly identified in the AUP report and its related exhibits. Management's refusal to sign the representation letter should be noted in the AUP report as required by attestation standards.
