

CITY OF
HIGHLAND
California

Need to Schedule an Inspection for your Building & Safety or Fire Prevention Permit?

Please visit the City of Highland's website under Departments> Building & Safety> Inspections for more information about Inspections

1. <https://www.cityofhighland.org/>
2. Click on Departments
3. Click on Building & Safety
4. Click on Inspections

Here you will find information on days and times available for inspections, Inspection requirements, instruction on how to schedule inspections, & more.

For quick access to schedule an inspection online:

Scan the QR code above

or click on the following link: [Building & Safety/ Fire Prevention Permit portal](#)

1. From the inspection webpage - Click on the "Permit Portal"
You will be redirected off the City's webpage and onto the portal
2. Click on the  icon go to the search bar and type in your permit #
3. Click on "Request An Inspection"
4. Read through the instructions
 - Please fill out ALL fields *
 - Click "Submit"

*If you do not have a access code or cannot locate yourself in the contractor search please contact a staff member at (909) 864-6861 Ext. 232 or bcounter@cityofhighland.org

You will receive a confirmation that the inspection request has been made. Once your request has been received, during business hours, Staff will send the requestor an email to either confirm approval or denial of the inspection.

Inspections are accepted until 4PM (unless the day is full, to which you will be prompted to choose another day).

AM Inspections 8am - Noon; PM inspections Noon - 5:00 pm (subject to availability)

Every Other Friday - Building Inspections are AM only (please see Calander for which Fridays are open)

Fire inspections are morning only Monday - Thursday 8am - Noon
